begs for the answer to what is God's spiritual nature or what are the personality traits of God that comprise this nature. The Personality of God strives to answer this question by addressing the nature of God as it is revealed in the Bible. Using both historical and modern Bible commentaries on scripture that documents God's personality, the traces the evolution of thought concerning God's individual personality traits is explored. Additionally, where appropriate, the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God's personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible. Isaiah wrote that God teaches us and that we learn precept upon precept, line upon line, a little here and a little there. Is 28:10. Thus, the Personality of God is intended to help teach us new precepts that our knowledge of God may increase. The Personality of God is intended to help Christians to a greater knowledge and understanding of what it means to be more like God. For Pastors and Sunday School teachers, it can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ.

**Spiritual Warfare: the History of Biblical Warfare** Mancel Brewington, 2018-08-13. This is an important study on the subject of spiritual warfare. As the time approaches for Jesus' return, the spiritual battles between God and evil are very real and present. An invisible spiritual battle is certain, and all are involved in this warfare. The best option for understanding this eternal battle is the Bible. The Scriptures are filled with a theology of spiritual warfare. God's victory over evil in Christ is a part of God's redemptive plan. Rev. Brewington will help the reader better understand the reality of this warfare but also shows the reader how to defend his or her life, family, and church from these present dark influences. SPIRITUAL WARFARE is a general introduction to the biblical history of spiritual warfare and a study of how the Bible reveals the mysteries surrounding the subject. He wants all to know. In reality, the Christian life is not the exiting from all warfare but the entering into an awareness of a new reality and kind of warfare. Most can relate to the experience of unwanted personal conflicts and spiritual struggles. One of the best ways to understand and combat these conflicts is to understand the many mysteries of spiritual warfare in light of the entire Revelation of God and then put His truth into action. These things I have spoken to you that in Me you may have peace. In this world, you will have tribulation, but be of good cheer. I have overcome the world. John 16:33. Strengthening the souls of the disciples, exhorting them to continue in the faith and saying, "We must through many tribulations enter the kingdom of God." Acts 14:22.
