James, 2021-11-29 Peter Martyr Vermigli 1499 1562 was one of the early members of the abortive Italian reform movement as well as one of the formative shapers of Reformed Protestantism Through its focus on Vermigli these essays illuminate new dimensions to the various Reformations in sixteenth century Europe both Catholic and Protestant Vermigli s work is considered under three rubrics his relationship to other Reformers an analysis of his more provocative theological ideas and his contributions to church reform Particularly notable is the breadth of his interests which ranged

from his view of women prophecy and papal power to the early church fathers and his revision of ecclesiastical laws in the Church of England Each of these depicts a vital aspect of Vermigli's contribution to the European Reformations Contributors are Scott Amos Emidio Campi John Patrick Donnelly John Farthing Don Fuller Richard Gamble John F Jackson Gary Jenkins Torrance Kirby Norman Klassen Peter A Lillback Joseph C McLelland Douglas H Shantz Dan Shute and John Thompson

The Nature of Christ's Presence in the Eucharist: Or, the Doctrine of the Real Presence Vindicated in Opposition to the Fictitious Real Presence Asserted by Archdeacon Denison, Mr. (late Archdeacon) Wilberforce, and Dr. Pusey William GOODE Church Communion, as Practiced by the Baptists W. W. Gardner, 1869 (Dean of Ripon.),1856 Communion in the Spirit Robert W. Caldwell, 2007-02-01 While he was well known for his lifelong fascination with the nature of religious experience the colonial American pastor and theologian Jonathan Edwards is seldom associated with a specifically Trinitarian spirituality This study explores the central connections Edwards drew between his doctrines of religious experience and the Trinity the person and work of the Holy Spirit Edwards envisioned the Spirit's inter Trinitarian work as the affectionate bond of union between the Father and the Son a work that he argued is reduplicated in a finite way in the work of redemption Salvation is ultimately all about being drawn in love into the Trinitarian life of the Godhead This study takes us through the major regions of Edwards's theology including his Trinitarianism his doctrine of the end for which God created the world his Christology and his doctrines of justification sanctification and glorification to demonstrate the centrality of the Holy Spirit throughout Holy Communion, a Spiritual Agent of Harmonious Diversity in Christ Rev. Dr. Kevin his theology Brown, 2024-06-21 Martin King said that the most segregated hour in America is Sunday morning alluding to the fractured condition of the universal body of Christ's followers the Church From 2002 to 2010 I had the privilege of serving as the Executive Director of a nonprofit called Operation Breaking Through serving the greater Hampton Roads area The nonprofit was a network of over one hundred local churches One of my primary responsibilities was to promote racial reconciliation and harmony between the diverse ethnic churches In most cases the demographics of these churches failed to reflect their community Most congregations were monoethnic Significant progress was evident after several years of pastoral internal and congregational external panel and group discussions Church pastors were pulpit swapping and churches were partnering in community outreach Up to this point I realized how much blood sweat tears and time I had spent encouraging pastors and congregations to recognize promote and practice fellowship and communal service Though good and somewhat effective these efforts were all physical with very little thought of spiritual application It wasn t until I was required to write a paper for a theology class at North Park that God opened my eyes to a deep understanding of the sacrament of Holy Communion Realizing that all actual Christian denominations and non dominations mandate practicing this sacrament I gleaned from my studies the spiritual connectedness all believers share in this one sacred act and the binding blood ties all believers share with the author of this sacrament In that one epiphany the dividing wall of ethnicity culture and social Christian norms fell

Had Christ by instituting this faithful act woven into the DNA of our born again experience the ability for His divine love and truth to break the chains we would inevitably erect through the weakness of our humanity selfishness and pride What if this one DNA trait of holy communion could activate the true koinonia which may lay dormant in believers because of historical traditions and practices erected by human made religion What if God allowed us to see and experience the depth of spiritual love for our brothers and sisters despite our differences What if we saw communion as a remembrance of the greatest act of love known to humanity and allowed that remembrance to kindle and rekindle a spiritual intimacy between believers that overcomes our bias prejudice privilege and any barrier to the believer s oneness in Christ Holy Communion a Spiritual Agent of Harmonious Diversity in Christ explores this more profound understanding and revelatory power to breathe new life into the reading believer Resurrection, Apocalypse, and the Kingdom of Christ Stanley S. MacLean, 2012-04-19 In recent decades few Christian themes have attracted as much attention as that of eschatology or Christian hope Resurrection Apocalypse and the Kingdom of Christ explores the meaning of this theme for Thomas F Torrance one of the twentieth century s leading theologians This study the first of its kind brings Torrance s eschatology to light through an exploration of the whole range of his corpus including sermons lectures and correspondence It also demonstrates that his eschatology is molded by momentous historical events such as World War II the spread of communism and the ecumenical movement Out of all this we realize that eschatology is a central component of Torrance's theology so much so that it conditions his thinking on other Christian doctrines A Spiritual, But Real Union and Communion of the Worthy Receiver and with God, Through Christ and His Holy Spirit, by Means of the Holy Sacraments, Asserted and Prov'd ,1737 A Perichoretic Pastoral **Theology** Jim Horsthuis, 2022-09-08 This book articulates a perichoretic pastoral theology offering a pastoral theological response to the question of how ministering persons practice ministry in communion with the triune God Key elements from contemporary pastoral theology theologies of human experience concern for human suffering and situational attentiveness are drawn into conversation with the doctrine of perichoresis Jim Horsthuis provides a vision for life and ministry in relational participational and spiritual communion with the Father Son and Holy Spirit The chapters explore four spiritual movements that foster this vision 1 the move from experience to relationship 2 the move from concern to presence 3 the move from competence to communion and 4 the move from practice to prayer The book represents a unique academic contribution to both pastoral theology and Trinitarian theology A Full Catechism of the Catholic Religion Joseph A full catechism of the Catholic religion, preceded by a short history of religion from the Deharbe, 1876 creation of the world. Tr. by J. Fander Joseph Deharbe, 1863 A Complete Catechism of the Catholic Religion Joseph Deharbe, 1919
