It fits squarely into the tradition of the great masters of the spiritual life and to the line of great modern writers on spirituality. It is a work of particular relevance that confronts modern culture with the tough-minded, deeply authentic challenge of spiritual combat. Robinson has retained Scupoli's appeal to the Catholic reader through a conversational style, short chapters, familiar examples from everyday life, and the pastoral bent which has marked his own outstanding career. Covering the basic difficulties of daily prayer and of obstacles to living the virtues, Scupoli and Robinson test the mettle of real Catholics by calling us to live an interior life for and with God.

The Spiritual Combat. Translated From "Il Combattimento Spirituale" by L. Scupoli. To which is Added, the Peace of the Soul ... Eighth Edition, 1828 *Spiritual Combat in the Invisible War* William L. Probasco, 2021-07-22

The Bible reveals angels to be indispensable companions and warriors in support of our invisible war against evil in the spiritual world. But not many people know much about the dark angels who rebelled against God and are now our fierce and deadly enemies. William L. Probasco, a pastor, teacher, and counselor, provides essential information about good and evil angels. Get answers to questions such as: How do Satan's angels seek to do harm in this world? What can we do to protect ourselves against attacks by dark angels? What can we do to ensure we enjoy eternal life? Probasco also shares his own experiences with angels, including the time an angel revealed his presence to him. While the experience was thrilling, he has not asked God for a repeat performance, but he knows they are there to assist him as long as he obeys the will of God. The author also reveals the time he confronted a demon while counseling a woman in college and how he commanded the demon to come out in the name of Jesus. Find out why angels and demons walk among us and what it means for you with the insights in *Spiritual Combat in the Invisible War*.
