Bacon, 2024-08-01 Widespread deficiencies in spiritual formation see an increasing number of ministers buckle under the significant burdens common to the task There are seasons when a powerful triad of the flesh the world and the devil converge Eph 2 2 3 cf Jas 3 15 and 1 John 2 16 Misdirected attempts to fulfill emptiness find worth or heal longstanding wounds ensue Widespread instances of sexual immorality result Sound exegesis and analysis of theological doctrine presents an allowance in certain cases for ministerial restoration However this necessitates an intimate and intricate approach that differs significantly from the varied solutions churches and denominations offer Few restoration programs bring a biblical response to bear Remarkably rare are restoration programs that look to correct causal factors and commit to congregational care This program orients itself on an understanding of brokenness and the need for holistic re formation The latter requires fallen ministers to progress beyond biblical confession and repentance to partner with the Holy Spirit and key authorities such as an overseer mentors Christian mental health professionals and a designated congregation The unitive goal is a sanctifying psychopathology that properly diagnoses spiritual and emotional health eradicates the adverse influences of emotional cultural and spiritual factors and redirects self oriented patterns of thought and behavior      *American Baptists in Mission*, 2003      000000 0000, 2015-08-01      The African American Pulpit,      *Second-Generation African Pentecostals in the West* Caleb Opoku Nyanni, 2021-01-11 The rise of African Pentecostal and Charismatic churches in the West has become a growing phenomenon and a starring feature in many social religious and political conversations Most of these discussions are generally centered on the first generation churches and their missionary attempt to evangelize the West In this book Caleb Nyanni offers a fresh insight into the African diaspora church from the perspective of the growing second generation members and their contributions to the life of the church He explores the changing nature of the African diaspora Pentecostalism by paying close attention to the Church of Pentecost in the United Kingdom which serves as a case study The book explores the frustrations challenges opportunities and culture of the second generation and examines what they bring to Pentecostalism in general      **Gold Tried in the Fire** Greg Hinnant, 2024-05-02 I counsel thee to buy of me gold tried in the fire that thou mayest be rich Revelation 3 18 Jesus calls us to a great quest for spiritual riches specifically gold tried in the fire faith in God and knowledge of God refined and proven in challenging intense life tests We buy it by trusting and obeying God s Word and Spirit in our trials of faith and patience Gold
