Spiritual Letters 112:

The Spiritual Rococo Gauvin Alexander Bailey, 2017-07-05 A groundbreaking approach to Rococo religious d r and spirituality in Europe and South America The Spiritual Rococo addresses three basic conundrums that impede our understanding of eighteenth century aesthetics and culture Why did the Rococo ostensibly the least spiritual style in the pre Modern canon transform into one of the world s most important modes for adorning sacred spaces And why is Rococo still treated as a decadent nemesis of the Enlightenment when the two had fundamental characteristics in common This book seeks to answer these questions by treating Rococo as a global phenomenon for the first time and by exploring its moral and spiritual dimensions through the lens of populist French religious literature of the day a body of work the author calls the Spiritual Rococo and which has never been applied directly to the arts The book traces Rococo s development from France through Central Europe Portugal Brazil and South America by following a chain of interlocking case studies whether artistic literary or ideological and it also considers the parallel diffusion of the literature of the Spiritual Rococo in these same regions placing particular emphasis on unpublished primary sources such as inventories One of the ultimate goals of this study is to move beyond the cliché of Rococo s frivolity and acknowledge its essential modernity Thoroughly interdisciplinary The Spiritual Rococo not only integrates different art historical fields in novel ways but also interacts with church and social history literary and post colonial studies and anthropology opening up new horizons in these fields Reading Medieval Anchoritism Mari Hughes-Edwards, 2012-06-15 This interdisciplinary study of medieval English anchoritism from 1080 1450 explodes the myth of the anchorhold as solitary death cell reveals it instead as the site of potential intellectual exchange and demonstrates an anchoritic spirituality in synch with the wider medieval world *Esprit génèreux, esprit pantagruélique* François Rigolot, 2008 These fifteen essays by former doctoral students now distinguished seiziémistes of François Rigolot Meredith Howland Pyne Professor of French Literature at Princeton University represent a tribute to his qualities as professor scholar and person who embodies both a Montaignian esprit genereux and a Rabelaisian pantagruelisme They pay homage to his renowned erudition and publications on all aspects of French Renaissance literature his pedagogical skills his support of students and colleagues his leadership at Princeton University and his inspirational personality The balanced mixture of creative imagination rigorous explication de texte and delightful personal rhetoric that characterizes Professor Rigolot s scholarly works still forms a source of inspiration for his students as is clear in this volume Regrouping the major fields of interest in which the minds of magister and discipuli produced the most fruitful dialogues poetry the Renaissance au féminin Rabelais and Montaigne spanning a wide variety of authors Petrarch Sceve Ronsard Cretin Marguerite de Navarre Louise Labe Rabelais Montaigne La Boetie and Pascal these studies for a tribute to the extraordinary breadth of Professor Rigolot s research interests Patristic Spirituality , 2022-09-19 How does one grow holy in such times This question drove the early Christian imagination no less than it does today Patristic Spirituality Classical Perspectives on Ascent to the Divine

God's Cleansing Stream Chris Hayward,2004-12-29 God's Cleansing Stream reveals why every church needs a deliverance ministry and teaches pastors and counselors how they can put one to practical use Deliverance was originally part of every church but the rise of self help programs and the idea of an individual's ability to change without God's help edged the Church away from God's Word and power Instead deliverance came to be thought of as mere superstition Now Chris Hayward provides tools for churches to reestablish this effective proven ministry so that it can liberate captive souls and advance God's plans in the lives of individuals everywhere

textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality **Alterity and Facticity** N. Depraz, D. Zahavi, 2012-12-06 Husserl's phenomenology has often been criticized for its Cartesian fundamentalistic idealistic and solipsistic nature Today this widespread interpretation must be regarded as being outdated since it gives but a very partial and limited picture of Husserl's thinking The continuing publication of Husserl's research manuscripts has disclosed analyses which have made it necessary to revise and modify a number of standard readings This anthology documents the recent development in Husserl research It contains contributions from a number of young phenomenologists who have all defended their dissertation on Husserl in the nineties and it presents a new type of interpretation which emphasizes the dimensions of facticity passivity alterity and ethics in Husserl's thinking

Reflections on an Ageless Wisdom Joy Mills, 2010-07-13 After pioneering Theosophist H P Blavatsky told the English journalist A P Sinnett that her esoteric knowledge had come from higher beings called Mahatmas he himself corresponded with Mahatmas Koot Hoomi and Morya from 1880 to 1885 Their letters to him about the meaning of existence stormed the bastions of religious prejudice when they were first published in 1923 Today they still fascinate those seeking to probe the nature of consciousness and the ancient wisdom found in all religions Eminent Theosophist Joy Mills's long awaited commentary based on the 1999 chronological edition of the Letters by Vicente Hao Chin Jr is the most comprehensive and authoritative to date Following the Mahatmas Mills focuses on the values all spiritual seekers must embrace on the spiritual journey May these letters call you as they continue to call me to keep on exploring she says for truly there is no other way to go Joy Mills makes the letters come alive She gives us an opportunity to consider the Mahatma's advice as if he were speaking directly to us Edward Abdill author of The Secret Gateway Joy Mills makes the letters more accessible to me than at any time since I discovered them at age nineteen Yes this is a serious tome but for those for whom the meaning of life is endlessly fascinating it reads like a novel Victoria Moran author of Creating a Charmed Life Lit from Within and Shelter for the Spirit The Ascetic Spirituality of Juan de Ávila (1499-1569) Rady Roldán-Figueroa, 2010-11-11 Scholars have identified

Juan de Ávila 1499-1569 as the author of a distinctively judeoconverso spirituality However there are no comprehensive studies that seriously take into account his background The present work seeks to analyze his spirituality against its proper early modern Spanish background *'Greater India' and the Indian Expansionist Imagination, c. 1885-1965* Jolita Zabarskaitė, 2022-11-07 This book is the first systematic study of the genealogy discursive structures and political implications of the concept of Greater India implying a Hindu colonization of Southeast Asia and used by extension to argue for a past Indian greatness as a colonial power reproducible in the present and future From the 1880s to the 1960s protagonists of the Greater India theme attempted to make a case for the importance of an expansionist Indian civilisation in civilizing Southeast Asia The argument was extended to include Central Asia Africa North and South America and other regions where Indian migrants were to be found The advocates of this Indocentric and Hindu revivalist approach with Hindu

and Indian often taken to be synonymous were involved in a quintessentially parochial project despite its apparently international dimensions to justify an Indian expansionist imagination that viewed India's past as a colonizer and civilizer of other lands as a model for the restoration of that past greatness in the future Zabarskaite shows that the crucial ideologues and elements used for the formation of the construct of Greater India can be traced to the svade movement of the turn of the century and that Greater India moved easily between the domains of the scholarly and the popular as it sought to establish itself as a form of nationalist self assertion
