university professor after viewing the Holocaust Museum providing a glimpse of the possible cost of holding on so rigidly to our specific understanding of who God is and his possible plan for us Imagine a dialogue among people who hold very different points of view The group consists of a Bible church pastor a law school professor a member of Alcoholics Anonymous the abbot of a Zen monastery a Roman Catholic sister who is an instructor in Spiritual Direction a Baptist worship leader and a Methodist pastor Imagine two of them as reluctant participants one the member of Alcoholics Anonymous because he is not exactly a fan of organized religion the second is the Bible pastor who appeared suspicious of mingling with other leaders of non Bible based religions The dialogue follows Always the teacher the law professor begins by giving his definition of spiritual maturity Coming of age in the spirit While everyone nods wisely in agreement they then realize that they all have differing definitions of spirit and even of coming of age The Methodist pastor picks up the thread The person would have an awareness of the divine in life They would have a sense in which they would understand that which we call God and feel some connectedness and relatedness to that God Looking around for agreement he continues They would be able to utilize the rites and rituals of their faith in an effective manner with as little sense of magic or mere wish fulfillment as possible They would be able to give witness to that in a variety of ways whatever is appropriate that comes with their setting He points out aware of the diversity of the setting that what he was saying could be taken in the broadest possible sense This application would apply to a Buddhist or a Muslim as well as a Christian Afraid that the conversation might digress the Baptist worship leader enters the conversation to qualify Its not something we can produce Its Christ likeness produced inside us through friendship with the triune God He explains that what spiritual maturity means to the Christian is Holy Spirit maturity He elaborates he means Holy Spirit produced maturity Nodding in agreement the Buddhist abbot says I think there is a certain spiritual maturity that comes with people who are really into any spiritual practice deep into whatever spiritual practice They seem to be open to all others seem to have respect for one another That would be wonderful if we all had that openness to one anothers spiritualities I encountered my own prejudice All human beings have particular biases beliefs that we hold to be true whether we are aware of them or not One question I asked rather awkwardly of Excellence of Soul J. Wayne Rodrigue, 2015-05-27 How many times have you made a decision or told someone something only to regret doing it as the words were coming out of your mouth The apostle Paul was no different from us in this regard He stated in scriptures that what he wanted to do he did not do and what he did not want to do he found himself doing in spite of himself The apostle Paul discovered ways to address this seemingly insurmountable obstacle to his growth as a Christian and so will you in this book In Excellence of Soul I will share from the Bible what it says about the soul and how you can learn to control your emotions in every situation of life This book is full of biblical truths and experiences from over twenty five years of seeking answers to one of the most important areas of the Christian walk Please join me in finding growth and healing Stepping up to Spiritual Maturity Sara Hines Martin, 2012-06-18 If youve wondered how to become

Measuring Spiritual Maturity Randy Tompkins, 2019-10-21 Jesus commissioned His apostles and by extension the church to make disciples Many church leaders have come to the conclusion that attending worship services and Bible study classes will result in making disciples A review of statistical reports indicates a majority of church members and attenders do not believe this process will work or they have come to the conclusion they do not want to become disciples The 2010 US Religion Census report indicated 79% of the 150 686 156 members children and other attenders did not attend worship services It also reported over 60% of the same group did not attend Bible study classes In 2014 one of the major denominations in the United States reported 63% of church members did not attend worship services and 62% did not attend Bible study classes There are literally thousands of spiritual surveys available to church leaders A majority of these surveys develop conclusions based on a single survey being administered or two surveys being administered several months apart If a disciple making process is to be effective there needs to be a method of measuring the progress of individuals moving toward spiritual maturity This type of measurement would produce a visual of spiritual growth spiritual decline or spiritual non growth The only way to measure the spiritual progress of an individual is to create a measurement of the various elements of the spiritual life The process of measuring spiritual maturity in this book is self contained within the participating church and the responses of the participating individuals are highly confidential and warehoused by the participating church

Biblical Discipleship: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives

hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you *Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity* Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book *Biblical Discipleship Essential Components for Attaining Spiritual Maturity* However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature **Teaching for Spiritual Growth** Perry G. Rankin, 2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In *Aiming at Maturity* Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research *Aiming at Maturity* shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart Spiritual Maturity J. Oswald Sanders, 1994 Spiritual maturity is not a level of growth Christians achieve but the passion to press on in Christ In these concise chapters J Oswald Sanders explores the primary source of continual growth As we embrace God s providence hardship and more we can move from infancy toward the fruitful maturity we were created to enjoy Now this new edition of *Spiritual Maturity* includes a For
