PATH THAT TRANSFORMS
THE PARENT AS MUCH AS
THE CHILD."**

Spiritual Parenting

Daun E. Miller

Spiritual Parenting:

Spiritual Parenting Michelle Anthony, 2010-06-01 It's hard enough to train kids to behave but good behavior isn't what Jesus calls for in the Bible. He wants hearts and souls that are shaped in vibrant faith and love toward God and others. How can parents cultivate this in their children? In this book, Dr. Michelle Anthony shares practical examples and biblical insight on the spiritual role of parenting. *Spiritual Parenting* introduces the simple but revolutionary concept that parents are by the power of God's Spirit to obey and depend on God in order to create an environment God can use to beckon their children to Him.

Children of the Kingdom Daun E. Miller, 2010 A practical guide for successful and spiritual parenting based on the love of God, the love of family, and the love of children. Spiritually based answers that convey a practical approach to educating children in a loving and supportive manner with spiritual principles, virtues, and character development serving as the foundation for their learning and growth. Written in chronological order so that busy parents can find what they need quickly and easily, the book designates each age group as an important stage in a child's life and one that demands specific action on the part of parents. Using the Bahai writings as well as personal experience, the author demonstrates that there is an alternative to the chaos and confusion that many parents see engulfing the world.

Spiritual Parenting Demetria Mathews, *Spiritual Parenting* Charles H. Spurgeon, 2003-09-01 Your child is worth all the time, money, heartaches, and effort. Charles H. Spurgeon shows how to impact the world one child at a time; your child can make a difference. Train your children to make good choices. Discipline with God's loving hand. Love them when you hate their behavior. Teach them to be givers, not takers. Build a compassionate heart in them. Help them discover their new best friend, Jesus. Encourage their leadership and ministry skills. Build strong, healthy, happy families. From the depths of his God-given wisdom, Spurgeon offers encouragement and advice to parents and teachers on guiding the spiritual development of children from infancy through young adulthood.

10 Principles for Spiritual Parenting Mimi Doe, Marsha Walch, PhD, 2010-11-30 In the hustle and bustle of everyday life, how do we as parents honor the spirituality of our children? As we shuttle between school, soccer practice, piano lessons, ballet lessons, birthday parties, and doctors' appointments, how do we find the time to encourage our children through the ups and downs of growing up? To turn to God for guidance? In *10 Principles for Spiritual Parenting*, Mimi Doe and Marsha Walch open our eyes to the spontaneous, creative, freethinking joy that characterizes a child's innate spirituality. In ten easy-to-follow chapters containing exercises and practical suggestions, the authors point out that opportunities to express spirituality are abundant in our routine life. Talking at dinner, lighting candles, performing daily chores—all of these events have the potential to be sacred moments. Contemporary parents face unique challenges. In our media-saturated culture, children are continually exposed to violence, cynicism, and a confusing code of ethics. By offering concrete ways to help children develop positive values, Mimi Doe and Marsha Walch support parents' efforts to counteract negative messages. *10 Principles for Spiritual Parenting* is an invaluable guide for parents who yearn to help their children nurture a rich spirituality of their

own **Spiritual Parenting** Hugh Prather, Gayle Prather, 1996 Spiritual Parenting is a guide to the naturally intuitive and spiritual core of every child. It refutes the current notions of the basic nature of children and teenagers while offering a radically new way to approach parenting. In the words of authors, counselors and ministers Hugh and Gayle Prather: "This book reflects our deep personal conviction that parenting is a spiritual path, a form of worship. In their characteristically warm style, the Prathers offer a book of principles that parents can use to understand and protect their children at home, at school, and in the world. While one does not have to believe in God to understand these principles, say the Prathers, parents must approach child care as a spiritual task. They offer ways to keep this essential focus amid the bewildering complexities involved in guiding children toward adulthood. With joy and a sense of humor, the Prathers offer stories and anecdotes about their own children and the children of families they have counseled to help today's parents break through conflicting ideas and emotions and learn to enjoy their children at all stages of their growth." Spiritual Parenting: Renewing the Hearts of Leaders Dr. LeAndrew Tyson, 2019-11-14 A must-read for leaders who are serious about spiritual parenting. *Guidance Of Spiritual Parenting* Emory Roccia, 2021-05-22 What is spiritual parenting? Well, first of all, it's just a term, really. It's just something pointing in a certain direction. I could just as well have called it conscious parenting, mindful parenting, unconditional parenting, positive parenting, attachment parenting, gentle parenting, intuitive parenting, etc. This booklet was created as an introduction to spirituality for children, teens, and parents.

The explanations have been deliberately kept short and simple to allow those new to the concepts of spirituality to understand what they are reading The book covers many topics related to spirituality like angels and how they can help us spirit guides warnings from the spirit and contact with the other side Explanations about God and the spiritual nature of humans Invisible playmates of children and restless spirits Personal responsibility guardian angels what happens when we die Heavens as seen in different cultures disciplining children and many others The content is meant to be understood by children aged nine years and upwards
