Spiritual Power:

Understanding Spiritual Power Marguerite G. Kraft, 2003-08-18 While secularized cultures of the West have a great deal of difficulty dealing with the spiritual as a real non imaginary dimension of life most of the world's peoples do not. Having worked and studied among peoples of several non Western societies Marguerite Kraft is convinced that coming to terms with spiritual power presents one of the greatest challenges for all those who work among non Westerners in pastoral or mission situations. Understanding Spiritual Power addresses the dynamics of the felt need for spiritual power in relation to a people's assumptions values and commitments in order to provide a foundation for meaningful Christian witness in power oriented societies. The Western Church Kraft argues under pressure from modern rationalism has largely lost awareness of God's power and position vis a vis the spiritual realm so important in other societies. Indeed this loss of power could be one reason for the interest in Eastern and New Age philosophies on the part of Westerners disillusioned with the modern worldview. Having worked among the Kamwe in Nigeria the Thai in Asia and the Navajo in North America Kraft focuses on specific ways in which people in these three societies view reality and suggests how the gospel can be articulated in forms they can understand. Understanding Spiritual Power offers a theological as well as a practical perspective on spiritual power. By exploring living societies providing examples and case studies and offering specific strategies this book makes a powerful case for rethinking and recasting traditional missiological methods. At the same time it helps Western Christians with ears to hear question whether they might not learn as much from those with whom they work as they seek to teach. *The Secret of Spiritual Power* George D. primary and secondary sources historian Larry Cebula offers a compelling master narrative of the impact of Christianity on the Columbian Plateau peoples in the Pacific Northwest from 1700 to 1850 For the Native peoples of the Columbian Plateau the arrival of whites was understood primarily as a spiritual event calling for religious explanations Between 1700 and 1806 Native peoples of the Columbian Plateau experienced the presence of whites indirectly through the arrival of horses some trade goods by long distance exchange and epidemic diseases that decimated their population and shook their faith in their religious beliefs Many responded by participating in the Prophet Dance movement to restore their frayed links to the spirit world When whites arrived in the early nineteenth century the Native peoples of the Columbian Plateau were more concerned with learning about white people s religious beliefs and spiritual power than with acquiring their trade goods trading posts were seen as windows into another world rather than sources of goods The whites strange appearance and seeming immunity to disease and the unique qualities of their goods and technologies suggested great spiritual power to the Native peoples But disillusionment awaited Catholic and Protestant missionaries came to teach the Native peoples about Christianity yet these white spiritual practices failed to protect them from a new round of epidemic disease By 1850 with their world devastatingly altered most Plateau Indians had rejected Christianity Spiritual Power Gian Kumar,2017-12-06 An insightful informative and definitive work that projects spirituality in a new light and reveals how it can transform us and bring peace and happiness all around In this compact volume Gian Kumar a thinker by nature provides a comprehensive overview of the seemingly mysterious yet accessible world of spirituality Those seriously seeking to understand spirituality and its myriad aspects will find answers to questions they have been pondering over for years such as Is God only in the mind Is reality the same for all of us How do we go beyond the limitations of the body and the mind to attain a higher plane of consciousness and awareness What is self realization What kind of entity is the soul The author defines spiritual power as that inner awareness and the capability to awaken our mind from the ignorance that we are not solely body and mind but something more He goes to explain in detail that something more The author contends that acquiring spiritual bliss may not be within everybody s reach but those who are keen and sincere can achieve this objective by delving deep into their inner selves to find out their shortcomings and how to overcome them so that they can lead complete and wholesome lives 48 *Laws of Spiritual Power* Frank Viola,2022 In 48 *Laws of Spiritual Power* best selling author Frank Viola lays out the unchanging principles of tapping into God s power and releasing it to serve others These laws are based on over thirty years of ministry experience trench tested in Frank s life and the lives of others who have spent decades in ministry Though these laws may seem counterintuitive and uncommon they will equip you to look for God s power in your ministry In short digestible chapters packed with secrets of effective and impactful ministry 48 *Laws of Spiritual Power* will equip you with what you need for your ministry to thrive *Power Encounter in Spiritual Warfare* Charles H. Kraft,2017-05-18 Acceptance of Christianity in Southern Polynesia during the eighteenth century proceeded rapidly without missionary activity This fact

attracted the attention of Alan Tippett who served for twenty years as an Australian missionary to the Fiji Islands What he found was that the key to their conversion lay in the fact that without missionary presence the south sea islanders responded to demonstrations of what Tippett learned to call power encounters These were contests some staged some not staged in which there was a power encounter between the true God and the gods of the islanders in which the traditional gods were defeated Kraft here discusses the fact that this power principle applies much more widely *The Secrets of Spiritual Power* Joyce Meyer,2008-12-14 Everyone is controlled by something Who is controlling your life you the devil or the Holy Spirit The Bible says we are controlled by the Holy Spirit But how can someone know who is in control Our flesh will always manipulate make demands and pressure us to fulfill its desires The Holy Spirit is always gentle meek and humble He will lead and guide us in a still small voice By contrast the devil s voice is sharp hard and pressing The Holy Spirit will always lead us into all truth and bring clarity and understanding to our minds Satan has only one purpose to lie deceive and confuse us In THE SECRETS OF SPIRITUAL POWER Joyce Meyer shows you how to obey the Holy Spirit And by doing this you will experience spiritual power as well as love joy peace patience kindness goodness gentleness faithfulness and self control *Spiritual Power?* Richard Dean Pyle,2014-11-21 We humans are caught in a predicament We are stuck between Jesus our only Savior and Satan our enemy He once told us that apart from Him we could do nothing Therefore the opposite is true With Him we can do anything We have all the Spiritual Power we need Spiritual power in our life makes a difference It makes ripples in time How can we have this energy of the Spirit See in this first book many ways how this is done With this Spiritual Energy we can travel back into our past present and change our future With this Spiritual Power there are so many ways we can use it in our lives and make a difference for others and ourselves See the multitude of ways we can do this Richard Pyle is married with family He lives in USA His Degrees BS 1967 BSL 1973 MS 1982 and author of a number of books *Spiritual Power and Integrity* David R.
