Watchman Nee presents his insights on the nature of spiritual reality in the interest of helping believers discriminate between mere appearance and the real      *Science fiction and Spiritual reality* Johnrose Israel, Fictions are part of human s life and imagination plays a major role in fiction Every true historic story has some fiction in it which will make the story even more interesting But there are possibilities that those fictions are actually real In this research I am planning to research on the science fiction which were and are lying around us and trying to explore whether these fictions can become real in spiritual ways In science things are limited to the quantum perspective where everything has a calculation and cannot overrule the laws But in Spirituality there are no rules and anything is possible with almighty God I am taking this huge step as a challenge and will try to decode the secrets which the Universe holds      *The Spiritual Reality of is a deeply profound and original work about the fundamental questions that have nagged humankind since the beginning of time Who am I and Why am I here Paul Guggenheimer invites us to look within and recognise all that we truly are to acknowledge our link to divinity and allow our true selves to shine through A fascinating and immensely readable book The Five Principles of Spiritual Reality will change people s lives      **Leaving the Seventh Day Adventist Church: The Spiritual Reality of Judaism & Modern Christianity** Sonia Nicole Levi, 2023-05-28 Have you tried to be one who submits not realizing that it is Islamic That is what happens when someone is groomed into a cult It becomes a way of life until one finds that they are blending several religions into one and assuming that God is there without the Holy Spirit There may be a god there but it is not the God of the Jews Tetragrammaton shortened to the syllables YHVH He extended salvation through all Jews not just Jesus John 4:22 says You worship what you do not know we worship what we do know for salvation is from the Jews These words were stated in red denoting that they spoken by Jesus himself Jesus died on the cross with the inscription INRI for the King of the Jews only

YHVH also changed his name to symbolically reflect that he is the God of the Jews and Gentiles to Jehovah JHVH still the shortened form of Tetragrammaton Sabbath services are strictly forbidden on Saturdays in Judaism and Islam When Ellen G White received her vision to create a new Christian denomination she thought in her mind that she had carteblanche to create an entirely new church system She did not have carteblanche from Jesus or Jehovah as Seventh Day Adventists were an extension of bewildered Jehovah s Witnesses Seventh Day Adventists are considered one of The Asherah s cults This denomination is well known for attracting everyone to do the same things the same way when this is NOT wisdom It is Satanic Discover the meaning behind the man Jesus And all that the Abrahamic religions of Islam Judaism to include Jewish Kabbalah and Christianity have to offer to the neophyte and seasoned believer prayerfully arrive at a place of truism where witches are stunned and find freedom in bowing at the name of Kyrios who is Jesus Emmanuel and his father JHVH

**The Holy Spirit and Reality** Watchman Nee,2001-07 The Christian life seemingly involves many outward matters and things such as baptism the breaking of bread worship praise prayer forgiveness humility and love for one another As such it is easy to focus on these things but miss the spiritual reality behind them This reality is the Holy Spirit Apart from the Holy Spirit who is the Spirit of reality all of these things no matter how faithfully practiced are merely outward conduct that is devoid of any real inward spiritual content

**Knowing Spiritual Reality** Jeff Moore,2016-04-19 This book explains what is really going on when we make choices What part God plays and what part we play in the saving of our own soul Also it makes it clear how salvation works by grace through faith which means our choice of faith is our part in reconciliation It takes two I do s to make a marriage not just one God reconciled all but He left it up to us to agree with His choice Yes He paid for all but not all are yet saved in this life Salvations three stages are discussed greatly while the last part of the book deals with our attitude and how it determines our altitude We are to humble ourselves to see God as He is today then we are to grow up into His likeness of what we saw Humility is key to the submission and insight that it takes to be an overcomer in this life We are not waiting for a coming Jesus until we have overcome all His enemies Psalm 110 It is our responsibility to grow up or not It is our choice to be willing This book is written to both the seeker and the studier who wants to know God personally It has personal testimonies to bring the context into reality There is no end to how or to whom this applies for many are confused and misinformed Universal Reconciliation and the grace verses free will groups are both dealt with here Each chapter has an illustration or chart to help the reader understand the spiritual view of things This book is full of answers for both the hungry and the hurting Christian It is written to those whom God has chosen to call His own You
