Spiritual Truth:

The Spiritual Truth Series Lucian Phoenix-Wolf,2004-10 Have you ever had anything weird or unusual happen to you You are not alone Most people use religion to explain anything supernatural that may have happened to them The author did this and he soon found out how wrong he was Finding the truth is a very freeing experience This book is about opening your mind and finding out the power you have in your beliefs I bet you would be surprised at what you could do if you just change how you think That s right you control what you believe When you uncover the power that you have in your beliefs you could do almost anything All you have to do is accept the fact that truth is stranger than fiction Publisher description *The Apocalypse Explained, According to the Spiritual Sense* Emanuel Swedenborg,1871 Spiritual Evolution Benjamin F. Morning and Evening Meditations from the Word of God

Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God
