Esoteric Astrology - Vol. 3 Dr. Douglas M. Baker,2014-04-16 Esoteric Astrology Vol 3 Houses Ten Eleven and Twelve The Theory Interpretation and Practice This publication takes a new and revitalised look at astrology It is simple to understand yet remains a powerful tool capable of providing a solid foundation for the comprehension of this broad and magnificent subject This textbook like most of Dr Baker s printed books eBooks and DVDs enhances your studies via many charts lists tables and images over 100 in this one This major work is a very comprehensive introduction for those who want to study this subject in earnest and for the more advanced student it will serve as an essential reference manual In today s computer based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds and with 100% accuracy Consequently the needless paraphernalia usually associated with learning astrology has been stripped away Emphasis is placed on the application of astrology to the unique problems of the modern world its use as a method of revealing purpose and meaning in life and ultimately as a key to the psychosynthesis of personality The horoscope is described in comprehensive detail with special attention given to the esoteric ruling planets of the zodiac signs which are more relevant than orthodox rulers in the charts of spiritually minded people The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world The significance of karma is represented for it gives dramatic effect to our daily actions and the third factor of esoteric psychology lying beyond our understanding of heredity and environment is given full prominence This integrative and enriching work can be read alone as a fascinating introduction and foundation to the New Astrology or can be followed up with the author s extensive range of astrological books and video tapes audio lectures and the all embracing Dictionary of Astrology for the 21st Century Together they provide a complete system for the professional and novice alike containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology A special note to eBook readers This volume contains a large amount of astrological glyphs embedded within the text The sales page preview might not be able to show these but your reading device will as long as you leave the Font settings at Original or Publisher Font Font size adjustments work fine

with the glyphs To allow the greatest number of reading devices to display this eBook we used the free flowing layout and show the glyphs right above the text they belong to *Vedanta Philosophy* Swami Vivekananda,1902 *The New Materia Medica: Volume III* Colin Griffith,2023-08-08 An indispensable follow up to Colin Griffith's authoritative and unrivalled *The New Materia Medica* vols I and II that details information on 36 new remedies For professionals home practitioners students and teachers of homoeopathy here is the eagerly awaited new volume in Colin Griffith's authoritative and unrivalled *The New Materia Medica* series Drawing on ten years of testing by Colin's group here are 36 brand new homoeopathic remedies offering fundamental solutions for the needs of our challenging times The remedies include Australian Sandstone for patients who need to rediscover their personal mission in life Beta Vulgaris for purification of body and spirit Bursera Graveolens to counter psychic vulnerability Iron Pyrite for creative spark Picea Pungens to support patients in understanding the truth and as a remedy from toxic pollution A common thread is that these remedies will suit those who feel existentially threatened by the speed mindlessness and sense of fear that seem to characterize life today The book also reveals how astrology can be used to assess the hidden depths of difficult cases crucial information for the homoeopath that is not available anywhere else
