Grenz Watch a 2015 interview with the authors of this book here [Women, Religion, and Emotions in Modern Germany and Beyond](#) Lisa Fetheringill Zwicker, Martina Cucchiara, 2025 Analyzes the role of emotions in the religious lives of women from across Germany and Europe from the nineteenth century to the 1970s Scholarship on women and religion has focused primarily on the intersection between women's religious engagement and their emancipation This volume goes beyond that to examine the vital role religion has played in the private and public lives of German and European women Because emotions are central to the expression of religiosity it draws on approaches from the history of emotions to examine how women understood felt and practiced religion in their search for meaning Spanning from the nineteenth century to the 1970s the volume's essays show how religion helped women make sense of their lives It also illuminates the degree to which women used religion and its attendant emotional scripts to shape modern society and how religious discourses in turn shaped women's emotions and comportment in the public sphere The volume builds on recent research that shows that religion especially the religiosity of women remained a pressing public concern in modern Europe From anxieties over the religiosity of Bavarian servants to restrictive norms imposed on Jewish widows from the interfaith commitments of kindergarten teachers to the autobiographical narratives of aspiring Protestant deaconesses from the suffering of stigmatics in Germany and Belgium to Irish women's public narratives of their religiosity this book reveals how women's faith and attendant religious emotions have been central to their public and private lives

"Jesus Is Victor!" Christian T. Collins Winn, 2009-01-01 IN THIS INNOVATIVE WORK Christian T Collins Winn examines the role played by the Pietist pastors Johann Christoph Blumhardt 1805 1880 and Christoph Friedrich Blumhardt 1842 1919 in the development of Karl Barth's theology The disparate theological themes and dynamics of the two

Blumhardts were crystallized in their eschatology and Collins Winn argues that as early as 1916 Barth had appropriated this Blumhardtian eschatological deposit in ways fundamental to his own theological development Against the grain of current Barth scholarship this book establishes how the theology of the Blumhardts though critically reconstructed was not merely an episodic influence on Barth's work Instead the Blumhardts had a complex and enduring impact on Barth such that their imprint can be detected even in the mature theology of his Church Dogmatics In treading new ground into Barth's theological formation Jesus Is Victor represents an important contribution to the field of Barth studies
