joy and sorrow agony and ecstasy love longing and tragedy In the next section of Romantic Verses readers are transported to the intoxicating realm of love while enjoying some of the finest poetry from the classic genre of romanticism The section War delivers a poignant message about the gruesome nature of conflicts and a heartfelt plea a poetic yearning for peace and harmony Finally Lights of Life illuminates the spiritual and philosophical dimensions of our lives exploring humanism death reincarnation karma and mysticism surrounding our existence that transcends our agnostic mortal perspectives on life As readers navigate A Poetic Odyssey they will find solace inspiration and a deeper resonance of the intricate threads that weave the sublime fabric of our collective humanity Guided through the lights and the shadows readers will be inspired to contemplate life s mysteries while celebrating the profound beauty found within the tapestry of our existence Odyssey of an Airhead Malgorzata Duszak,2010-05-19 The book is written as a journal by a naive Catholic girl from Poland as she is thrown into the world where she discovers herself in the spiritual maze of beliefs and concepts She goes through life as it presents her with new experiences and she makes her way through them in the incessant longing to know and understand more She doesn t offer dry facts of what she discovers and believes she doesn t attempt to tell the readers what the truth is or what reality is all about She innocently and eagerly asks questions but not necessarily always gives the answers She is not anyone s teacher but through her personal odyssey spanning a period of about eight years she compels the casual reader to think just a little less casually The embracement of all human encounters philosophies and ways of living remains her key to the higher understanding of the experience of life Although perceived as an airhead by some she enthusiastically takes us through simple but large ideas the religious and spiritual concepts the humanity developed to explain the inexplicable Through her philosophical and esoteric growth the reader feels accompanied on their own inner search Being a part of life s journey toward the Absolute and going at the same time through the ordinary human experience full of pain and emotions qualifies anyone to talk about what unfolds along their way This time the journey is hers and she invites everyone to join
