These are perilous times and people need to prepare themselves to navigate these troubled days by staying informed about their challenging environment, structuring their lives in a healthy way and striving for a level of maturity that allows them to cope and live in a manner that brings stability and deep peace. People can arrive at a place of stability and purpose by engaging in a life that is patterned after the life and teachings of Jesus, called by the first generation of Christians, the Way of Jesus. The central value of this pattern of living is unconditional love, a commitment to the truth and a life of integrity and seeking a more just society that leads to a culture of peace and collaboration. People need to prepare themselves for this way of life by cultivating a deep spirituality that will empower them to thoughtfully, carefully and

Wisdom's Odyssey Peter A. Redpath, 2021-11-01 This book establishes that the ancient Greeks had a prevailing method of doing philosophy which was rooted in philosophical realism Through extensive historical and philosophical analysis it demonstrates that this method was challenged in ancient times by an apocryphal notion of philosophy which eventually became confused with philosophical reasoning and was passed on to posterity through the work of Christian theologians until it was called into question by leading thinkers of the thirteenth century It shows how this thirteenth century challenge influenced the growth of the Renaissance humanist movement and how this movement in turn passed on to modernity the same apocryphal notion of philosophy as a rhetorical theology of allegorical prefiguration Dark Odyssey ,1996 Gathers photographs of battle scarred towns soldiers casualties prisoners of war and civilians suffering the effects of wars around the world **Jewels of Truth: A Soul Odyssey Within** Ivan A.
