The Jesus People Movement Richard A. Bustraan, 2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission

Kerygmatic Hermeneutics Swee Sum Lam, 2021-09-30 Kerygmatic Hermeneutics takes a reader at once into a concrete apprehension of God in his scriptural truth through flowing in the Spirit With the Spirit working with Scripture a reader navigates in a to ing and fro ing between the general claims of God and the patterns of his actions in the world and the embodiment of these general claims in the concrete particularity of contemporary living This to ing and fro ing shapes an embodied witness to the world In this account an interpretation of scriptural truth is incomplete until Christ is proclaimed in the power of the Spirit to bring life This brings the world into an encounter with God Kerygmatic Hermeneutics is an account of how one may make theology in the Pentecostal charismatic tradition This constructive theological account also yields a practice of interpretation of Scripture in a community of faith This formulation

of kerygmatic theology and its hermeneutical practice opens theology to empirical enquiry and spiritual discernment in a post Christian western world This account is also existentially relevant for the global south and east especially where readers find themselves having to speak apologetically into diverse religious and spiritual practices in daily encounters 1-3 John David L. Allen,2013-06-30 This commentary on 1 3 John is a great resource for pastors and laypersons alike showing how John s letters lay out the foundational nature of truth and love in the context of the local church with teachings that overflow with theological depth and real world wisdom Part of the Preaching the Word series **Welcoming a Visitation** Wesley Campbell,1996 In Welcoming a Visitation of the Holy Spirit Wesley Campbell takes a refreshing firsthand look at the renewal movement known as the Toronto Blessing He combines the expertise of a biblical scholar with the unabashed enthusiasm of someone who s fallen in love with his Savior all over again Learn about Prophecies in 1984 that pointed to events in Toronto in 1994 Biblical tests you can use to identify a visitation of the Holy Spirit The spiritual meanings behind falling down shaking and laughing New outbreaks of renewal and the future of the movement **The Practice of Prophecy** Li Ming Dennis Lum,2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism *Pentecostals and Charismatics in Britain* Joe Aldred ,2019-04-30 Although part of a worldwide Christian spirituality Pentecostals and Charismatics in the UK are rooted in British religiosity dating back to at least the 1920s However the emergence of migrant communities from the Caribbean and Africa since the 1950s has tended to attract popular attention and consequentially has come to represent the popular public face of Pentecostals and Charismatics in Britain Latterly however an intellectual base has begun resisting the anti intellectual reputation that has attached itself to Pentecostalism This book draws upon the scholarship of eminent academics and practitioners in the field of Pentecostal and Charismatic studies who together consider the history of pentecostal and charismatic movements their relationship with mainline Christian churches and their engagement with the social economic and political world Topics covered include the theological and doctrinal marks in British Pentecostalism Anglican Pentecostal relations and the impact of the Vineyard movement on Charismatic and Pentecostal worship in the UK Contributors include Professor Anne E Dyer Mathersey Hall Professor William K Kay Chester University Professor David Hilborn Moorlands

College Dr R David Muir University of Roehampton and Dr Babatunde A Adedibu Redeemed Christian Bible College Nigeria With a foreword by Justin Welby **Subject Guide to Books in Print**, 1991 The ^ACatholic Bible, Personal Study Edition Graziano Marcheschi, Biagio Mazza, 2022-02-01 In local parishes upper levels of secondary schools and introductory college classes the Personal Study Edition provides superb study resources for readers that will open the text of the Bible to new understanding and greater appreciation for all **A Christian Survival Guide** Ed Czerwinski, 2014-06-11 What enables some to survive as Christians when so many others falter Without resorting to empty answers cliché s relativism or smug certainty A Christian Survival Guide provides an accessible and safe place to deal with issues that can give Christians sleepless nights By focusing on spiritual practices discussing solutions to faith struggles and offering perspectives from multiple Christian traditions this survival guide moves readers into a thriving relationship with God even if that means not necessarily finding all the answers A Christian Survival Guide doesn't run away from the big tough questions of life like Does the Bible have to be true Where is God in an evil world Did God sanction genocide Is hell eternal conscious torment Does money keep us from following Jesus The All Sufficient Christ, **A Commentary on The Baptist Faith and Message 2000** T. J. Milam, 2008 Rediscovering the Holy Spirit Michael Horton, 2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man's own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17 The Spirit's work is as essential as the Father's and the Son's yet the Spirit's work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God's Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives Martyrs, Monks, and Mystics McClymond, Michael J., 2023 This book offers a wide angle and yet integrative approach to Christian spirituality engaging diverse historical traditions incorporating recent developments in Asian Africa Latin America and in global Pentecostalism while displaying an essential unity in this topic in relation to a number of salient themes e.g. love humility prayer servanthood etc The book is geared toward students in college courses It should also be of particular interest to practicing Christians across a very broad

spectrum of traditions and denominations and engages secular Jewish and Muslim readers as well as those practicing one of the traditional Asian religions

SpiritWorks Jerry Vines,1999 A follow up to SpiritLife this thought provoking book is a three part investigation into the neo Pentecostal movement Jerry Vines takes readers to the heart of this popular religion and the current controversy surrounding it

Word and Power Gareth W. D. Stewart,2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today

Led by the Spirit Stephen Eugene Parker,1996-01-01 Led by the Spirit is an interdisciplinary analysis and evaluation of people s claims to divine guidance that contributes to the understanding of these experiences at two levels In terms of methodology this study is an exercise in practical theology a means of deriving explanations of God self and world from the actions of a community of faith with the practices associated with discernment and decision making in the Pentecostal tradition being the focal point for reflection In terms of content insight from object relations psychology and Tillich s theology are woven together with explanations from Pentecostal believers to provide a multilayered understanding and evaluation of the meaning and significance of these experiences

PUT OFF THE OLD PERSON WITH ITS PRACTICES Edward D. Andrews,2014-09-21 Some Bible writers e g Apostle Paul revealed to their readers that there is an ongoing conflict between the Christian with one side being the fallen sinful flesh In this revelation the Bible writers use such expressions as the inner man our inner man and comparable expressions At Romans 2 14 15 Paul speaks of us saying The law is written on their hearts Because man and woman were made in the image and likeness of God they were given a moral nature that was in harmony with God This moral nature produces a mental power or ability such as reason and conscience Even though we are imperfect we retain a measure of this moral nature that is in harmony with God s moral standards This moral nature operates

in the inner man as a law a moral law However because of our fallen condition there is also the law of sin which is in our members This law in our members of our body wages a war against the law of our mind and can make us a prisoner of the law of sin Romans 6 12 7 22 23 Nevertheless not all is lost because Paul also tells us that we can be renewed in the spirit of our minds Eph 4 23 We can put off the old person with its practices and have put on the new person We will then be renewed in knowledge according to the image of our Creator We will be transformed by the renewing of our mind so that we may discern what is the good pleasing and perfect will of God Colossians 3 9 10 Romans 12 2 We are baptized into Christ Jesus we are baptized into his death Our old self is crucified with him in order that the body of sin might be brought to nothing so that we would no longer be enslaved to sin Nevertheless while we are in an imperfect condition the law of God is in our inner being but in our members is another law waging war against the law of my mind and making us captive to the law of sin that dwells in our members While we serve the law of God with our mind with our flesh we serve the law of sin Rom 6 3 7 7 21 25 The premise of this book is quite simple how do we take off the old person and put on new person In addition what must we do to keep on sustaining that new person *Public Theology in an Age of World Christianity* P. Chung, 2010-04-26 This book aims to rearticulate and reinterpret a Christian concept of God s mission and evangelization in light of the universal irregular and transversal horizon of God s narrative as it pertains to the realities of public sphere
