Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Spitfire Mark I/II Aces 1939-41** Alfred Price, 2012-11-20 Spitfire Mk Is and IIs served only briefly in the frontline with the RAF but their pilots were responsible for achieving impressive scores against the Luftwaffe during 1940-41. This volume details the RAF's first aces of World War 2 who helped stem the German tide during Britain's struggle for survival in the bitter years between 1939 and 1941. Early mark Spitfires were notorious for their light armament, overheating engines and short range but during the dogfights over Dunkirk and south east England then the first tentative sweeps across France many pilots achieved scores of note **Motor Sport** William Boddy, 1963 **Spitfire Mk I/II Aces 1939-41** Alfred Price, 1996 Beretning om RAF's jagerpiloter Esser og deres flytyper navnlig Spitfire Mark I II samt luftoperationerne i de første af 2 verdenskrig **Spitfire Mark V Aces 1941-45** Alfred Price, 1997-11-15 As the first Spitfire variant to see extensive service outside of Britain the Mk V fought the Axis alliance over the deserts of North Africa the waters of the Mediterranean and the vast expanses of the Indian Ocean off the northern coast of Australia. Initially produced in haste to combat the arrival of new German fighters the Bf 109F and the Fw 190 on the Channel front the Mk V had been created simply by pairing a Mk I or II fuselage with the new Merlin 45 engine so successfully that some 6479 airframes were eventually built. Although often outclassed particularly on the Channel front by the Fw 190 by later generation fighters the Mk V nevertheless proved to be a worthy opponent when flown by pilots of the calibre of Malan Tuck Johnson Beurling Caldwell and Duke who all enjoyed success with it thanks to its agility and increased armament **Spitfire Aces of Northwest Europe 1944-45** Andrew Thomas, 2014-09-20 In the bitter air fighting over Western Europe during the last year of the war no fewer than 37 pilots became aces flying Merlin engine Spitfires whilst 72 other aces increased their scores flying them. This book traces the achievements of the pilots flying the iconic Spitfire in Northwest Europe and examines how the steady technological improvements that were made throughout the Spitfire's service life improved its capabilities in the air. Based at airfields throughout southern England Merlin engine Spitfires provided the bulk of the air cover for the D Day landings and it was an RCAF Spitfire which claimed the first ever ME 262 jet kill. 36 colour profiles covering a broad spectrum of nationalities units pilots theatres and markings complement thorough research throughout this comprehensive account of these crucial fighter aircraft **Spitfire Aces of North Africa and Italy** Andrew Thomas, 2013-02-20 Essential coverage of the key part played by the iconic Spitfire in the desert campaign during 1942-43 and in the destruction of the Luftwaffe in Sicily Italy and the Balkans from mid 1943 through to VE Day. Although most famous for their role in the Battle of Britain many Spitfire squadrons also served in the Mediterranean theatre aiding the Allied victories in North Africa and later in the invasion of Italy. Numerous pilots both Royal Air Force and South African Spitfire squadrons made ace during these engagements. This book tells their story *Spitfire Aces of the Channel Front 1941-43* Andrew Thomas, 2016-06-16 80 years after the Spitfire was first developed it remains an icon of military

aviation Though many associate its victory during the Battle of Britain as the high point in the history of the Spitfire the years following were of equal importance Having weathered the initial storm at the start of 1941 Fighter Command took the fight to the Germans with offensive missions over the Channel This book reveals how first using the Spitfire I and II and then following the introduction of the Bf 109 the cannon armed Spitfire V RAF squadrons embarked on a range of missions which included one of the most important air battles of the war over Dieppe on 19 August 1942 Alongside British pilots were squadrons manned by exiled Europeans and pilots from the RAAF RCAF and RNZAF In just three years over 100 of these pilots were to rack up ace status in the Spitfire

Griffon Spitfire Aces Andrew Thomas,2013-02-20 Modified for low level operations to counter Luftwaffe attacks on the south coast the Griffon powered Spitfire XIV became the best low level fighter of World War II Squadrons moved to south eastern England to counter the V1 flying bomb offensive where daring pilots pioneered the technique of tipping the V1 over with the aircraft's wingtip to disorientate the bomb Andrew Thomas also investigates the role played by the modified Spitfire squadrons after the V1 offensive both in the attack on Germany and after the war in Malaya and Palestine First hand stories photographs and colour profiles complete this account of the aces who flew the most powerful Spitfire variant ever built

Spitfire Aces of Burma and the Pacific Andrew Thomas,2013-02-20 The arrival of the Spitfire in Burma came at a crucial time as the RAF struggled against the Japanese to support the Chindit operation on the ground Proving a huge boost to morale the Spitfire played a large part in defeating the enemy and covering the subsequent Allied advance through Burma protecting the ground troops and providing vital supplies Covering this little documented aerial war this book tells the stories of the 54 aces who flew against the Japanese and also those who fought in India and Australia Full colour artwork reveals the markings and paint schemes of this most famous of British planes whilst first hand accounts and archive photographs bring the aerial battles of Burma India and Australia to life

Ultimate Spitfires Peter Caygill,2020-01-31 A look at the development and flight testing of the Griffon powered Spitfires and Seafires along with an operational history both during and after WWII The Spitfire is probably Britain's best loved and admired airplane It is also revered around the world This book looks at the later marques that were modified for various special tasks and differed to a large degree from Supermarine's first early versions that saw action in the early days of World War II New and more powerful Rolls Royce engines replaced the well tried Merlin but increased the aircraft's performance in terms of speed and operational altitude Subtle changes to wing design also increased the maneuverability and capability of these spectacular models that survived in the operational role until superseded by the introduction of jet powered flight The content explains the design details development and flight testing of twelve models and also contains their operational roles and history Lengthy appendices will include Griffon powered Spitfire aces V1 rocket destruction aces Griffon powered Spitfire losses and where the survivors can be found If you have an interest in the design development and combat history of the Spitfire this publication will be of great interest and make a fine addition to your library Recommended for the Spitfire

Fighter Command was pursuing an offensive policy during daylight hours reaching out and taking the war to the Germans in France. It was also a period in which the Focke Wulf Fw outclassed the Spitfire Mk V. In Johnnie's words the Fw 190 drove us back to the coast and for the first time pilots lost confidence in the Spitfire. As well as his participation in Rhubarb and Circus sorties Johnnie was also involved in Operation Jubilee on 19 August 1942. In this diary published here for the first time we get a glimpse of the real Johnnie and what it was really like to live and breathe air fighting during one of the European air war's most interesting years 1942. Presented on a day by day basis each of Johnnie's entries is supported by an informative narrative written by the renowned aviation historian Dilip Sarkar drawing upon official documents and his interviews and correspondence with the great man. Provides a number of insights into life in the RAF Fighter Command of that period. Most Highly Recommended. Firetrench *Spitfire Ace of Aces: The Album* Dilip Sarkar MBE, 2021-09-30. Air Vice Marshal James Edgar Johnnie Johnson CB CBE DSO Two Bars DFC Bar DL was a character literally from the pages of Boys Own, an individual who became the RAF's top scoring fighter pilot of the Second World War. A one time household name synonymous with the superlative Spitfire, Johnnie's aerial combat successes inspired schoolboys for generations. As a lowly Pilot Officer Johnnie Johnson learned his fighter pilot's craft as a protégé of the legless Tangmere Wing Leader Douglas Bader. After Bader was brought down over France and captured on 9 August 1941, Johnnie remained a member of 616 South Yorkshire Squadron in which he became a flight commander and was awarded the DFC a month after Bader's devastating loss. In time Johnnie came to command a Canadian wing in 1943 when the Spitfire Mk IX at last outclassed the Fw 190 and participated in some of the most important battles of the defeat of Nazi Germany including Operation Overlord and the D Day landings in 1944, Operation Market Garden and the airborne assault at Arnhem and the Rhine Crossings throughout all of which Johnnie also commanded Canadian wings. Johnnie's remarkable career is revealed through this unparalleled collection of archive photographs, the majority of which are drawn from his own personal album or from other members of the Johnson family. Many have not been published before.
