Brackston transports readers to the windswept mountains of Wales in *The Winter Witch* an enthralling tale of love and magic In her small early nineteenth century Welsh town there is no one quite like Morgana She is small and quick and pretty enough to attract a suitor but there are things that set her apart from other girls Though her mind is sharp she has not spoken since she was a young girl Her silence is a mystery as well as her magic the household objects that seem to move at her command the bad luck that visits those who do her ill Concerned for her safety her mother is anxious to see Morgana married and Cai Jenkins the widowed drover from the far hills who knows nothing of the rumors that swirl around her seems the best choice After her wedding Morgana is heartbroken at leaving her mother and wary of this man whom she does not

**Winter in Tuscany** Amber Guinness,2025-09-02 This book is a collection of the cosy hearty dishes I love to cook in winter recipes that are either traditionally Tuscan or Tuscan inspired It s all about comforting flavourful food for cold winter nights But more than that this book is about a way of cooking I truly believe in the quanto basta method It means as much as you need a glug of olive oil instead of a tablespoon A pinch of salt as needed You taste as you go and adjust Once when I was learning to make pici with a local cook she simply said We need as much flour as it takes That s the essence of quanto basta It s not about being perfect it s about being present being practical and making something delicious with what you have Winter in Tuscany celebrates rich culinary and cultural traditions with a quanto basta approach the intuitive Italian method of just enough and brings the heart of Tuscany s cosy autumnal and wintry flavours to your kitchen But quanto basta is more than just a philosophy for cooking it s a metaphor for life This book celebrates life in the off season an ode to exploring Tuscany s villages and countryside when the crowds have thinned allowing for a deeper more intimate connection with the culture food and landscapes There are charming suggestions for pottering around Florence and Siena and smoothly delivered snippets of history and art But most of all this book is about the recipes An artichoke omelette chicken liver pate crostini a lentil and sausage stew the most delicious bistecca fiorentina and the ultimate green salad Filled with an array of hyper local traditional recipes for the home cook Winter in Tuscany is an invitation to slow down and appreciate the beauty in small moments and big flavours

**The Winter Ache** Izzet Sark, 2017-07-18 Umut felt happy because he didn't hear what he expected Yet a person could only trick itself in those times To postpone to face the truths didn't mean that it ended Though the one cheats were the one who tricks She felt the joy of what she hides carelessly The best thing to do is to face worth the truths the wrong one was to swipe them under the carpet She swiped her lies under the carpet so many times that the carpet was in dirt Every time she left the carpet another lie added to that dirt Though people still believe in her How could her truths could be true when her past was full of lies Were those lies the ones that drifted all the truths or one or two truths that covered the lies Umut was in the unknowns The thing that made him to lost his hope was not the unknown things If the life was a mathematic umut would probably solve all the problems While ahu was preparing those annoying questions she couldn't realize that this was not only about math Who would solve this problem Who could understand the lies Umut had no chance to solve those problems Who was the problem and who was the solution he thought A passionate life story which begins in the 70s last winter days and continues until the first winter days of 80s A tremendously lived life and what hope brings to people's lives An adventure which is full of turning points and turnouts Paid prices and the prices that are paid Though as far as one can go the bitter experiences because of the inevitable confrontations While adjusting the story to our contemporary conditions the writer tells us a life story of a final year of undergraduate student during 80s hard times what he lived politically in his family and with his friends

**Mind of Winter** William Bevis, 2010-11-23 Bevis addresses the most puzzling and least studied aspect of Wallace Stevens poetry detachment Stevens detachment often associated by readers with asceticism bareness or withdrawal is one of the distinguishing and pervasive characteristics of Stevens poetic work Bevis argues that this detachment is meditative and therefore experiential in origin Moreover the meditative Stevens of spare syntax and clear image is in constant tension with the romantic imaginative Stevens of dazzling metaphors and exuberant flight Indeed for Bevis Stevens is a poet not of imagination and reality but of imagination and reality but of imagination and meditation in relation to reality
