Terrible Splendor Marshall Jon Fisher,2010-04-20 Before Federer versus Nadal before Borg versus McEnroe the greatest tennis match ever played pitted the dominant Don Budge against the seductively handsome Baron Gottfried von Cramm This deciding 1937 Davis Cup match played on the hallowed grounds of Wimbledon was a battle of titans the world s number one tennis player against the number two America against Germany democracy against fascism For five superhuman sets the duo s brilliant shotmaking kept the Centre Court crowd and the world spellbound But the match s significance extended well beyond the immaculate grass courts of Wimbledon Against the backdrop of the Great Depression and the brink of World War II one man played for the pride of his country while the other played for his life Budge the humble hard working American who would soon become the first man to win all four Grand Slam titles in the same year vied to keep the Davis Cup out of the hands of the Nazi regime On the other side of the net the immensely popular and elegant von Cramm fought Budge point for point knowing that a loss might precipitate his descent into the living hell being constructed behind barbed wire back home Born into an aristocratic family von Cramm was admired for his devastating good looks as well as his unparalleled sportsmanship But he harbored a dark secret one that put him under increasing Gestapo surveillance And his situation was made even more perilous by his refusal to join the Nazi Party or defend Hitler Desperately relying on his athletic achievements and the global spotlight to keep him out of the Gestapo s clutches his strategy was to keep traveling and keep winning A Davis Cup victory would make him the toast of Germany A loss might be catastrophic Watching the mesmerizingly intense match from the stands was von Cramm s mentor and all time tennis superstar Bill Tilden a consummate showman whose double life would run in ironic counterpoint to that of his German pupil Set at a time when sports and politics were inextricably linked **A Terrible Splendor** gives readers a courtside seat on that fateful day moving gracefully between the tennis match for the ages and the dramatic events leading Germany Britain and America into global war A book like no other in its weaving of social significance and athletic spectacle this soul stirring account is ultimately a tribute to the strength of the human spirit

Southern Splendor Marc R. Matrana,Robin S. Lattimore,Michael W. Kitchens,2018-03-22 Few things evoke thoughts and memories of the past more than a house from a bygone era and few places are identified and symbolized more by historic dwellings than the American South Plantation houses built with columned porticos and wide porches stout chimneys large rooms and sweeping staircases survive as legacies of both a storied and troubled past These homes are at the heart of a complex web of human relationships that have shaped the social and cultural heritage of the region for generations

Despite their commanding appearance the region's plantation houses have proven to be fragile relics of history vulnerable to decay neglect and loss Today only a small percentage of the South's antebellum treasures survive In *Southern Splendor Saving Architectural Treasures of the Old South* historians Marc R Matrana Robin S Lattimore and Michael W Kitchens explore almost fifty houses built before the Civil War that have been authentically restored or preserved Methodically examined are restoration efforts that preserve not only homes and other structures but also the stories of those living in or occupying those homes The authors discuss the challenges facing specific plantation homes and their preservation Featuring over 275 stunning photographs as well as dozens of firsthand accounts and interviews with those involved in the preservation of these historic properties *Southern Splendor* describes the leading role the South has played since the nineteenth century in the historic preservation movement in this country

Splendor in the Short Grass Grover Lewis, W. K. Stratton, 2005-04-01 Dave Hickey gets it exactly right in his preface to this collection of journalism poetry fiction and memoir Lewis who died in 1997 was indeed the most stone wonderful writer that nobody ever heard of Writing for Rolling Stone in the early 70s he almost singlehandedly invented the movie set piece and no one's ever improved on his flint-eyed profiles of Sam Peckinpah and the Allman Brothers But the best piece here is his searing memoir of his white trash Texas parents who died in what was ruled a double suicide Etched in acid and heart's blood it is a terse masterpiece Malcolm Jones Newsweek The least known of the New Journalism's founding fathers Grover Lewis has long been a legend among nonfiction writers and this overdue collection shows us why A beautiful stylist blessed with a blistering honesty Grover saw it all and wrote it like nobody else could Put Splendor in the Short Grass up on the shelf with the best of Tom Wolfe Hunter Thompson and Gay Talese It belongs there Kenneth Turan film critic for the Los Angeles Times and National Public Radio's Morning Edition Grover Lewis the most literary of journalists did things his way simultaneously inventing a genre and setting the standard These days ambitious feature writers whether they know it or not all strive to do it Grover's way But as this long overdue collection shows not only did Grover do it first he did it best Tim Cahill author of *Lost in My Own Backyard* and *Hold the Enlightenment* Grover Lewis was a gift to American letters He had a hard eye a sharp eye for hidden reality and the unique ability to raise a popular journalism piece to the level of a universal truth Plus he wrote like an angel This collection *Splendor in the Short Grass* is not just a terrific read it's an important work I loved every page of it James Crumley author of the hardboiled mysteries *Dancing Bear* *The Last Good Kiss* and *The Final Country* Your gonzo journalism library isn't complete without him Ruminator Grover was after all the most stone wonderful writer that nobody ever heard of His job was to hammer the detritus of fugitive cultural encounters into elegant sentences lapidary paragraphs and knowable truth and in truth the loveliness and lucidity of Grover's writing always rose to the triviality of the occasion Dave Hickey from the foreword Grover Lewis was one of the defining voices of the New Journalism of the 1960s and 1970s His wry acutely observed fluently written essays for Rolling Stone and the Village Voice set a

standard for other writers of the time including Hunter S Thompson Joe Eszterhas Timothy Ferris Chet Flippo and Tim Cahill who said of Lewis He was the best of us Pioneering the on location reportage that has become a fixture of features about moviemaking and live music Lewis cut through the celebrity hype and captured the real spirit of the counterculture including its artificiality and surprising banality Even today his articles on Woody Guthrie the Allman Brothers the Rolling Stones concert at Altamont directors Sam Peckinpah and John Huston and the filming of The Last Picture Show and One Flew over the Cuckoo s Nest remain some of the finest writing ever done on popular culture To introduce Grover Lewis to a new generation of readers and collect his best work under one cover this anthology contains articles he wrote for Rolling Stone Village Voice Playboy Texas Monthly and New West as well as excerpts from his unfinished novel The Code of the West and his incomplete memoir Goodbye If You Call That Gone and poems from the volume I ll Be There in the Morning If I Live Jan Reid and W K Stratton have selected and arranged the material around themes that preoccupied Lewis throughout his life movies music and loss The editors biographical introduction the foreword by Dave Hickey and a remembrance by Robert Draper discuss how Lewis s early struggles to escape his working class anti intellectual Texas roots for the world of ideas in books and movies made him a natural proponent of the counterculture that he chronicled so brilliantly They also pay tribute to Lewis s groundbreaking talent as a stylist whose unique voice deserves to be more widely known by today s readers
