Sikhism      Contemporary Michigan Poetry Michael Delp, Conrad Hilberry, Herbert Scott, 1988 As David Wagoner wrote in the earlier volume *The Third Coast* A Michigan poet may be undistinguishable from an Illinois poet or an Arizona poet except for subject matter but the publication of this anthology serves to underline one layer of regional cultural strength even though these are not regional poets Over a decade later *Contemporary Michigan Poetry* is testimony that Michigan poetry continues to flourish Preserving the mood and texture of Michigan in the 1980s this new collection includes the best recent work by the state's most accomplished poets Among the fifty three contributors are Charles Baxter Alice Fulton Jim Harrison Janet Kaufmann Josie Kearns Thomas Lynch John R Reed and Stephen Tudor Each of the editors is also a contributor to this sampling of poems Styles range from understated to extravagant from closely observed to freely imagined Poems are as varied as the Michigan landscape Remarkable in its scope and quality *Contemporary Michigan Poetry* offers an arresting look at Michigan life and a special glimpse at the preoccupations that possess residents on the Third Coast      **The Redemption** Howard Rubens, 2009-09-03 Strangled by fits of madness Marjaneh fell from royalty to the depths of society Becoming a slave to the king of Arubara she lost all hope due to her uncontrolled outrages No chance for happiness came her way until the one eyed stranger Sleuth Tau arrived Sleuth and his one legged brother Alexander Tau joined the navy to fight off the pirates that killed their father and brother enslaving their sisters Among their tactics they began a massive slave uprising hoping to defeat the slavers that raided the coasts Their fame as warriors spread along the pirate coast as they sought to end piracy but Alexander disagreed with the methods used by his brother in bringing about this end Do the ends really justify the means or can the method corrupt the ideal Argument over this issue eventually destroyed what remained of their family In exile Sleuth is recruited by Marjaneh's owner to defend his besieged and corrupted city against certain doom Can Sleuth Tau find redemption in Arubara or is he lost to the violence of the sea forever      Disenthraling Ourselves Nita Schechet, 2009 *Disenthraling Ourselves* portrays contemporary Israel in a process of transition Jewish Israeli and Palestinian Israeli communities share a nation state divided by the separate truths of its conflicting fundamental narratives This book considers ways of converting those separate and antagonistic narratives from fuel for conflict to seeds of change Its purpose is to undo the convenient coherence of collective memory and master narratives through fostering a capacious moral imagination able to apprehend diverse even contentious stories and truths Contemporary Israel functions as a case study in an in depth and interdisciplinary exploration of conflict resolution viewing Jewish Israeli and Palestinian Israeli documentary film poetry fiction essays memoir peace initiatives and other elements of collective narrative building through a prism of three analogously themed Shakespearean plays This comparative methodology is integrated with theoretical perspectives on reconciliation resilience critical reflection and peace education in presenting concrete alternatives to the convenient comforts of the inimical master narratives that perpetuate what can now be seen as a hundred year war Book Jacket      *The Guild of Shadows* Laurie Bowler, 2024-08-09 Embark on a spellbinding journey with Genevieve Gen Thornhill a determined 17

year old whose world shatters when her brother Jack mysteriously disappears Unveiling his hidden life as a fearless member of an elusive guild of hunters sends Gen hurtling through a mystical portal into a parallel realm where fairy tales give way to ominous realities Joining forces with an eclectic band of warriors of The Guild Sirius the wise and strong leader Lila the mastermind tactician Eldrin the enigmatic scout Mara the lethal weapon wielder Ola the secretive shadow and Eli the empathetic healer Gen treads a perilous path through a landscape fraught with danger A steadfast friendship binds them as they confront challenges beyond imagination Gen exposes a sinister scheme orchestrated by the malevolent Morlak that threatens to upend the delicate harmony between worlds However a harrowing revelation awaits Gen an encounter that spirals into a clash of ideologies as she delves into forbidden magic to achieve her aims The confrontation sparks a sequence of deceptions sacrifices and buried truths plunging Gen into a maelstrom of doubt and treachery among those she once held close Will Gen and The Guild defeat Morlak or will his darkness take over the realm and all living things Join The Guild of Shadows and experience a world where destinies are entwined and the battle between light and darkness hangs in the balance
