Splinters Of Bone:

Splinters of Bone Maḥmūd Darwīsh, 1974 Nunamiut Ethnoarchaeology Lewis R. Binford, 2012-06-15 In Nunamiut Ethnoarchaeology the late Lewis Binford documents the hunting and butchering strategies of modern Arctic big game hunters and the archaeological remains generated during the course of their yearly round of activities producing a unique description of a complete annual cycle of subsistence activities viewed simultaneously from both a behavioral and archaeological perspective The volume is now regarded as a classic of archaeological theory building As Nicole Waguespack writes in her new prologue Binford documents Nunamiut hunting and butchering strategies and their impact on faunal assemblage variation In classic Binfordian fashion however the book is also about much more and can serve as an essential sourcebook on both ethnoarchaeology and zooarchaeology Originally published by Academic Press in 1978 Praise from readers Binford's classic work is archaeology's Moby Dick raw in the ethnographic details of butchering nature for human purposes and rich in the knowledge so gained for the study of the human past Nunamiut Ethnoarchaeology put complexity back into hunting and archaeologists have been feasting off the fat ever since Clive Gamble University of Southampton Decades after its initial publication Nunamiut Ethnoarchaeology remains a defining moment in archaeological method and theory Binford's pioneering tour de force continues to inspire archaeologists and stands as a basic sourcebook for anyone interested in hunter gatherer studies This book is one of the reasons why I do what I do Karen Lupo Washington State University Nunamiut Ethnoarchaeology will always stand as one of the most important and innovative books in taphonomy ethnoarchaeology and hunter gatherer ethnography A brilliant treatise on hunter gatherer foraging and a model for the rest of the field to follow on how to use the present to learn about the past Curtis W Marean Arizona State University

Debating Archaeology Lewis R Binford, 2016-09-16 In this volume the founder of processual archaeology Lewis R Binford collects and comments on the twenty eight substantive papers published in the 1980's the third in his set of collected papers also Working at Archaeology and An Archaeological Perspective This ongoing collection of self edited papers together with the extensive and very candid interstitial commentaries provides an invaluable record of the development of The New Archaeology and a challenging view into the mind of the man who is certainly the most creative archaeological theorist of our time A new 2009 foreword allows further reflections on his work The London Medical Record, 1876 **Annual Report of the Secretary of War** United States. War Department, 1893 *Annual Report (or Report) of the Secretary of War* United States. War Department, 1893 **Report of the Surgeon-General, United States Army, to the Secretary of War** United States. Surgeon-General's Office, 1891 *Report of the Surgeon-General of the Army to the Secretary of War for the Fiscal Year Ending ...* United States. Surgeon-General's Office, 1891 Provides data statistical and tabular on the operations and activities of the Surgeon General's Office including financial statements reports on health and hygiene in the Army hospitals medical supplies brief agency histories etc **The Economy of a Norse Settlement in the Outer Hebrides** Niall

Sharples,2020-11-23 This book explores the economic evidence for the settlement at Bornais on South Uist It reports in detail on the large assemblages of material found during the excavations at mounds 2 and 2A There is important evidence for craft activity such as bone and antler working and this includes the only comb making workshop from a rural settlement in Britain A large proportion of the copper alloy bone and antler assemblages comprise pieces of personal adornment and provide important information on the dress and thereby social relations within the settlement occupation There is a large assemblage of iron tools and fittings which provides important information on the activities taking place at the settlement The information derived from the artefact assemblages is complemented by that provided by the ecofactual material Large amounts of animal fish and bird bones plus carbonised plant remains provide detailed information on agricultural practices and the processing preparation and consumption of foodstuffs It is clear that the Norse inhabitants of the settlement had access to a much richer variety of resources than had been exploited before the Viking colonisation of the region The settlement also had a significantly wider range of connections material culture indicates contacts to the south with the Irish Sea ports and Bristol and to the north with Shetland and the Viking homelands of Norway The evidence produced by these excavations is exceptional and provides an unparalleled opportunity to explore medieval life in the Scandinavian kingdoms of Western Britain

Bones Lewis R. Binford,2014-05-10 *Bones Ancient Men and Modern Myths* focuses on bone structures and characteristics including bone modifications breakage processing and destruction by animals The publication first elaborates on the transitions to relics to artifacts and monuments to assemblages and middle range research and the role of actualistic studies including artifact and assemblage phase and relic and monument phase The text then takes a look at the patterns of bone modifications produced by nonhuman agents and human modes of bone modification Discussions focus on breakage related to other forms of bone processing morphology of bone breakage chopping and bone breakage as butchering techniques butchering marks bone breakage and destruction by animals tooth marks and previous approaches to understanding the significance of broken and modified bone The manuscript ponders on patterns of association stemming from the behavior of man versus that of beast as well as control collections of animal structured assemblages information on kill behavior and comparisons observations of wolves and their behavior and studies of assemblage composition caused by beasts The publication is a valuable source of information for researchers interested in bone structure and modifications
