Interpretation of Classical Myth Lillian Doherty, 2015-03-02 Myths reflect reinforce and sometimes subvert gender ideologies and so have an influence in the real world This is true in the present no less than when the Greek and Roman myths were created The struggles to redefine gender roles and identities in our own time are inevitably reflected in our interpretations and retellings of these classical myths Using the new lenses provided by gender studies and diverse forms of feminism Lillian Doherty re examines some of the major approaches to myth interpretation in the twentieth century psychological ritualist charter structuralist and folklorist She also explores popular uses of classical mythology from television and comic books to the evocation of goddesses in Jungian psychology

The Bedtrick Wendy Doniger, 2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

Writing Your Journal Article in Twelve Weeks Wendy Laura Belcher, 2009-01-20 A comprehensive well written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first rate guide as good company Joan Bolker author of Writing Your Dissertation in Fifteen Minutes a Day Humorous direct authentic a seamless weave of experience anecdote and research Kathleen McHugh professor and director of the UCLA Center for the Study of Women Wendy Laura Belcher s Writing Your Journal Article in Twelve Weeks A Guide to Academic Publishing

Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields Each week readers learn a particular feature of strong articles and work on revising theirs accordingly At the end of twelve weeks they send their article to a journal This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles Gemini and the Sacred Kimberley C. Patton, 2022-10-06 Why do twins remain uncanny to those born alone in other words most of us Even with the rise of IVF and an increase in multiple births why do we still do a double take when we encounter twins Why has this been a near universal response throughout human history and how has it played out in religion and myth Through the work of leading scholars in religion folklore and mythology history anthropology and archaeology Gemini and the Sacred explores how twinship has long been imagined especially in the complex relationship of sacred twin traditions to twins on the ground in biology and lived experience The book considers the multiple ways in which the doubling of a human being may be interpreted as auspicious and powerful or suppressed as unstable and dangerous Why has this been so and how does it affect living twins today Treating both famous and lesser known twins including supernatural animal twins in the ancient Near Eastern and classical Mediterranean worlds early Christianity and Gnosticism Vedic Hindu West African Black Atlantic and native American traditions ancient Mesoamerica Celtic Roman Britain and Scandinavia and in the special fraught bond shared by all twins the book offers a variety of perspectives on this topic of great cultural significance *Religion in Literature and Film in South Asia* Diana Dimitrova, 2010-02-15 This innovative interdisciplinary collection of essays by scholars based in Europe and the United States offers stimulating approaches to the role played by religion in present day South Asia *Hermeneutics, Politics, and the History of Religions* Christian Wedemeyer, Wendy Doniger, 2010-03-08 This volume comprises papers presented at a conference marking the 50th anniversary of Joachim Wach s death and the centennial of Mircea Eliade s birth Its purpose is to reconsider both the problematic separate legacies of these two major twentieth century historians of religions and the bearing of these two legacies upon each other *The Woman Who Pretended to Be Who She Was* Wendy Doniger, 2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and its human value The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples

of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction *The Woman Who Pretended to Be Who She Was* is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition *The Ring of Truth and Other Myths of Sex and Jewelry* Wendy Doniger,2017 In *The Ring of Truth* Wendy Doniger expertly unfolds the cultural and historical significance of rings and other kinds of circular jewelry through timeless stories taken from mythology religious traditions and literature Each chapter like a separate charm on a charm bracelet considers a different constellation of stories linked by a common cluster of meanings the mutual imitation of real and fake legal and illegal marital and extra marital jewelry the circular form of rings and bracelets miming the circle of eternity which persists in the face of human ephemera *A Narrative Compass* Betsy Gould Hearne,Roberta Seelinger Trites,2009 Exploring the narratives that orient the lives of women scholars

Religion, Transformation and Gender Kurt Appel,Isabella Guanzini,2017-10-02 The fifth issue of the *Interdisciplinary Journal for Religion and Transformation in Contemporary Society* J RaT centers on the topic of religion transformation and sex gender The focal point will be on religious and cultural transformation processes and their repercussions on gender roles constructs and representations on the one hand and on sex and or gender transformations which are embedded in the context of specific religious traditions on the other Transformation is understood here as change alteration and reformatting The multifaceted connections between religion transformation and sex gender are concretized in an abundance of material and symbolic phenomena and are examined starting from different subject specific and methodical approaches **"Women, Gender and Art in Asia, c. 1500-1900 "** MeliaBelli Bose,2017-07-05 *Women Gender and Art in Asia c 1500 1900* brings women s engagements with art into a pan Asian dialogue with essays that examine women as artists commissioners collectors and subjects from India Southeast Asia Tibet China Korea and Japan from the sixteenth to the early twentieth century The artistic media includes painting sculpture architecture textiles and photography The book is broadly concerned with four salient questions How unusual was it for women to engage directly with art What factors precluded more women from doing so In what ways did women s artwork or commissions differ from those of men And what were the range of meanings for woman as subject matter The chapters deal with historic individuals about whom there is considerable biographical information Beyond locating these uncommon women within their socio cultural milieux contributors consider the multiple strands that twined to comprise their complex identities and how these impacted their works of art In many cases the woman s status as wife mother widow ruler or concubine and multiple combinations thereof as well as her religion

and lineage determined the media style and content of her art Women Gender and Art in Asia c 1500 1900 adds to our understanding of works of art their meanings and functions Self and Self-Transformations in the History of Religions David Shulman, Guy G.
