Spoils Of War The Human Cost Of Americas Arms Trade:

Spoils of War John Tirman,1997 **Bulletin of the Atomic Scientists** ,1998-03 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Angry, Bored, Confused** Michael J Kryzanek,2018-03-08 Angry Bored and Confused three words that aptly describe the typical American s view toward the world of politics But it doesn t have to stay this way argues Michael J Kryzanek in *Angry Bored Confused A Citizen Handbook of American Politics* Kryzanek discusses issues central to American politics citizenship power leadership problem solving initiating change through a series of straightforward questions with sometimes surprising answers *Angry Bored Confused* examines American politics from the perspective of an anxious consumer seeking to understand the political world and change it for the better *After the Fall* George Katsiaficas,2001-05-10 Did the U S really win the Cold War Is the fall of Communism only a temporary setback for Marxism or has the freemarket prevailed once and for all In this work the last ten years are examined by the most important Marxist scholars and journalists **The Kurds** Kevin Mckiernan,2006-03-07 A gripping front line portrait of the Kurdish people during the buildup to war and its aftermath by a journalist who has covered the region for over a decade How to Stage a Military Coup David Hebditch,Ken Connor,2025-08-31 Analyzes the political military and social factors behind successful and failed coups worldwide The coup remains the single most common form of power change throughout the world *How to Stage a Military Coup* explores these violent and often bloody appropriations of authority alongside the political military and social conditions out of which they arise Taking into account factors such as timing media control popular support and government organisational structure and by drawing on examples of coups from all over the world both failed and successful the authors reveal exactly what it takes to carry out a successful government take over This latest updated edition includes a new foreword by David Hebditch

Turkey's Engagement with Modernity C. Kerslake,K. Öktem,P. Robins,2010-02-25 Turkey s Enagement with Modernity explores how the country has been shaped in the image of the Kemalist project of nationalist modernity and how it has transformed if erratically into a democratic society where tensions between religion state and society continue unabated

Blood and Belief Aliza Marcus,2007-08-01 This in depth study of the Kurdistan Workers Party combines reportage and scholarship for a scholarly gripping account The Economist The Kurds who number some twenty eight million people in the Middle East have no country to call their own Yet today they are highly visible actors on the world s political stage To understand modern day Kurds and their continuing demands for an independent state we must understand the Kurdistan Workers Party PKK A guerilla force founded in 1978 the PKK radicalized the Kurdish national movement in Turkey becoming a tightly organized well armed fighting force of some 15 000 with a 50 000 member civilian militia in Turkey and tens of thousands of active backers in Europe Aliza Marcus one of the first Western reporters to meet with PKK rebels wrote about

their war for many years before being put on trial in Turkey for her reporting Based on her interviews with PKK rebels and their supporters and opponents throughout the world including the Palestinians who trained them the intelligence services that tracked them and the dissidents who tried to break them up Marcus provides an in depth account of this influential radical group Blood and Belief combines reportage and scholarship to give the first in depth account of the PKK Aliza Marcus one of the first Western reporters to meet with PKK rebels wrote about their war for many years for a variety of prominent publications before being put on trial in Turkey for her reporting Based on her interviews with PKK rebels and their supporters and opponents throughout the world including the Palestinians who trained them the intelligence services that tracked them and the dissidents who tried to break them up Marcus provides an in depth account of this influential radical group

Making the Money Sing John Tirman,2000-09-13 In the 1980s liberal philanthropists worked in tandem to end the nuclear arms race a remarkably successful effort but scattered into several directions in the 1990s after the Cold War ended This book chronicles those two decades with provocative stories and insights about how and why philanthropy reshapes international affairs

Cheche: Reminiscences of a Radical Magazine Karim Hirji,2010-10-25 Cheche a radical socialist student magazine at the University of Dar es Salaam first came out in 1969 Featuring incisive analyses of key societal issues by prominent progressives it gained national and international recognition in a short while Because it was independent of authority and spoke without fear or favor it was banned after just a year of existence The former editors and associates of Cheche revive that salutary episode of student activism in this book with fast flowing humor spiced stories and astute socio economic analyses Issues covered include social and technical aspects of low budget magazine production travails of student life and activism contents and philosophy of higher education socialism in Tanzania African liberation gender politics and global affairs They also reflect on the relevance of past student activism to the modern era If your interests cover higher education in Africa political and development studies journalism African affairs socialism and capitalism or if you just seek elucidation of student activism in a nation then at the center of the African struggle for liberation this book presents the topic in a lively but unorthodox and ethically engaging manner

Elie Wiesel and the Politics of Moral Leadership Mark Chmiel,2001 Chmiel also critically engages Wiesel s long standing defense of the State of Israel as well as his confrontations and collaborations with the U S government including the birth of the U S Holocaust Memorial Museum the 1985 Bitburg affair with President Reagan and U S intervention in the Balkans

Blowback Chalmers Johnson,2001-01-23 An explosive account of the resentments American policies are sowing around the world and of the payback that will be our harvest in the twenty first century Blowback a term invented by the CIA refers to the unintended consequences of American policies In this sure to be controversial book Chalmers Johnson lays out in vivid detail the dangers faced by our overextended empire which insists on projecting its military power to every corner of the earth and using American capital and markets to force global economic integration on its own terms From a case of rape by U S servicemen in Okinawa to our role in Asia s

financial crisis from our early support for Saddam Hussein to our actions in the Balkans Johnson reveals the ways in which our misguided policies are planting the seeds of future disaster In the wake of the Cold War the United States has imprudently expanded the commitments it made over the previous forty years argues Johnson In *Blowback* he issues a warning we would do well to consider it is time for our empire to demobilize before our bills come due [The Changing Dynamics of U.S. Defense Spending](#) Leon V. Sigal,1999-09-30 A behind the scenes look at the environment for defense policy and budgeting in Congress the news media and the defense industry reveals that the appearance of stability is deceiving Pressures are building for change Defense spending has leveled off at about 265 billion a year in outlays Current commitments to preserve the existing force while purchasing new weaponry are creating significant budget issues which must be addressed This book probes beneath the surface to show how the political base for defense spending is eroding The economic benefits of defense spending and of foreign military sales are increasingly concentrated A few well placed members are now the main beneficiaries of add ons to the budget At the same time mergers and acquisitions have left the defense industrial base largely intact with new weapons filling every production line Yet it will take sharp increases in the defense budget to fund these new weapons increases that may not be politically viable A provocative analysis by some of the leading scholars and researchers involved with defense and foreign policy issues this will be of great interest to experts as well as general readers [The Gulf War of 1991 Reconsidered](#) Andrew J. Bacevich,Efraim Inbar,2013-10-31 The Gulf War of 1991 Reconsidered subjects one of the formative events of the post Cold War era and a watershed in Middle Eastern international politics to a comprehensive reassessment Considering events from Arab Israeli and American view points the book examines the Gulf War s historical origins conduct and legacy [Unfettered Hope](#) Marva J. Dawn,2003-01-01 Dawn identifies the social and cultural issues and attitudes that contribute to despair and lack of hope in the world and provides a way for Christians to identify appropriate primary concerns around which they should live their lives [Arms Diffusion](#) THomas W. Zarzecki,2018-12-20 Weapons proliferation is one of the most pressing global concerns following the end of the Cold War Despite the absence of an overarching superpower conflict armaments and related technologies have continued to spread throughout the international system This has been particularly true in areas like East Asia and the Middle East where the traditional two party arms races are not readily apparent This text addresses these concerns and shortcomings using data on fourteen specific military technological innovations that diffused throughout the international system from 1960 to 1997

Gun Violence in America Alexander DeConde,2003 An in depth analysis of the folklore surrounding gun use and the state of the debate in today s political climate [The Routledge Handbook of Terrorism Research](#) Alex Schmid,2011-02-25 This major new Handbook synthesises more than two decades of scholarly research and provides a comprehensive overview of the field of terrorism studies The content of the Handbook is based on the responses to a questionnaire by nearly 100 experts from more than 20 countries as well as the specific expertise and experience of the volume editor and the various

contributors Together they guide the reader through the voluminous literature on terrorism and propose a new consensus definition of terrorism based on an extensive review of existing conceptualisations The work also features a large collection of typologies and surveys a wide range of theories of terrorism Additional chapters survey terrorist databases and provide a guide to available resources on terrorism in libraries and on the Internet It also includes the most comprehensive World Directory of Extremist Terrorist and other Organizations associated with Guerrilla Warfare Political Violence Protest and Organized and Cyber Crime The Routledge Handbook of Terrorism Research will be an essential work of reference for students and researchers of terrorism and political violence security studies criminology political science and international relations and of great interest to policymakers and professionals in the field of counter terrorism Exodus From Empire Terrence E. Paupp, 2006-11-20 This book lays out a comprehensive vision for a new world order based on cooperation between the developing world and leading Left countries in Latin America Arguing that the ravages of corporate capitalism are unsustainable Terrence E Paupp presents an energetic critique of the problems of empire and looks ahead to a global countermovement against the IMF and US hegemony
