On Gareth Brandt, 2015-01-05 There is no such thing as a naked spirituality Our spirituality is always shaped by the clothes of our experience The quest of Spirituality with Clothes On is to acknowledge that we do wear clothes and by examining them we begin to understand ourselves and accept others who are wearing different outfits We are what we wear we cannot separate ourselves from our gender personality developmental stage family historical background culture or the difficult experiences of our lives We need to acknowledge all these things reflect on them and sometimes even embrace them in order to truly become ourselves *Ruby Slippers* Jonalyn Grace Fincher, 2009-08-30 Jonalyn Fincher wants to show that women can be both fully human and fully feminine Traditionally femininity has been a role women play a role defined by culture and simplistic sermons The author encourages women to look at the feminine roles or boxes that pinch their souls mother fashion devotee working wife intellectual Does God treat femininity as a role a judgement or a gift And when Jesus redeemed women what was it exactly that he redeemed Even after Eden Fincher points out God planned to redeem both men and women But for centuries women have been taught to devalue the very aspects of their souls that are unique and irreplaceable Femininity

itself runs deeper than aprons frills or romance It begins with feminine souls who are living cameos of the triune God In Ruby Slippers Fincher takes a fresh direct look at the challenges she faced on her search for the feminine soul She goes step by step through what it means to be a woman and how to cultivate her soul choosing not to shy away from psychology theology or personal transparency In her journey she discovers an understanding of femininity that is timeless and groundbreaking The roles melt away into something like Dorothy s ruby slippers something women have always had the souls to walk today with freedom and femininity Things Your Mother Never Told You Kim Gaines Eckert,2014-01-10 Why aren t Christian women talking about sex In this frank exploration of all aspects of what it means to be a sexual being created by God Kim Gaines Eckert explores myths about female sexuality that we have absorbed from both popular culture and distorted religious teaching
