Stung The Incredible Obsession Of Brian Molony:

Stung Gary Ross,1989 **Stung** Gary Ross,1987 **Stung** Gary Stephen Ross,2011-12-21 He was one of the brightest stars at the Canadian Imperial Bank of Commerce a brilliant young banker on his way to the top But Brian Molony had a secret obsession he loved to gamble The unsuspecting bank was soon fuelling that obsession as Molony helped himself to hundreds of thousands then millions of dollars in fraudulent loans Despite falling deeper and deeper in the hole Molony convinced himself he could win it all back Before long the mild mannered assistant manager had become one of the biggest high rollers the casinos had ever seen and earned himself a place in the annals of criminal history **Gambling in America** William N. Thompson,2015-02-10 This one volume reference provides a comprehensive overview of gambling in the Americas examining the history morality market growth and economics of the gaming industry This is the most complete encyclopedia of gambling covering the industry in great detail including the players the games the venues and the surrounding social issues Updates in this second edition reveal the impact of technological advances on the games the growing legislation regulating the industry and the expanding global footprint of gambling across the world from Manitoba to Montana Author William N Thompson postulates on the impact of gambling on local communities and shows how the U S gaming industry is tied to the global market most notably gaming expansion in Macau and Singapore The book addresses the various forms of gaming such as casino based and online gambling sports betting and lotteries Additional content examines the social issue of problem and pathological gambling and addresses the rehabilitation programs available for the mitigation and treatment of gambling problems **Shopomania** Paul Berton,2022-10-15 A thought provoking and provocative challenge to consumerism with plenty of name dropping and celebrity antics Sassy and satirical Shopomania is an economic environmental and social study This light hearted dark souled dictionary of coined words or shoponyms takes readers on a roller coaster ride of avaricious antics and outrageous profligacy Shopping in one form or another has existed for millennia but aside from a few slumps each generation has outdone the previous one In the past fifty years shopping and its associated carbon footprint has grown exponentially Berton argues that if we invented today's consumer culture then we can invent something to replace it We can do a better job of making the cycle of stuff truly circular rather than linear We can be more environmentally socially and politically conscious of what we buy and how it comes to us and where it will go after we are finished with it A species that has made shopping ubiquitous can figure all these things out with little more than co operation and creativity and by asking if it is really necessary to own it now as we have been told endlessly since childhood Must we possess a thing to enjoy it Do we really need all that stuff **The Essential Mystery Lists** Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to

recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction

Addictive States of Mind Marion Bower,Robert Hale,Heather Wood,2019-06-06 This chapter written by a psychiatrist working with people with severe and complex addictions sets the scene We are provided with a graphic account of the multiple problems physical psychological social financial of someone with severe drug addiction where sex working and the risks of pregnancy infection and assault compound an already challenging presentation The personal history of trauma and abuse means that the patient requires highly skilled and sensitive management and adaptations in service provision such as no morning appointments that respect the individual s lifestyle The conflict for professionals is encapsulated in a brief description of the responses of Vanessa Crawford s patient group when asked what messages they would like to be conveyed to future doctors don t prejudge us treat us as individuals give us proper pain control and don t trust us Implicit in this is the recognition that they are in the grip of something that leads them to deceive probably themselves but also others a wish to pervert a relationship to someone who is trying to help Crawford conveys the importance of being knowledgeable but not omniscient of helping the individual to overcome the barrier of shame which may lead to information being withheld and the crucial contribution of a collaborative and coherent staff team in containing such challenging patients and in helping them to turn a corner towards recovery

The Four Domains of Mental Illness Rene J. Muller,2017-12-22 The Four Domains of Mental Illness presents an authentic and valid alternative to the DSM 5 which author Ren J Muller argues has resulted in many patients being incorrectly diagnosed and wrongly medicated Dr Muller points out where the DSM 5 is mistaken and offers a guide to diagnosis based on the psychobiology of psychiatrist Adolf Meyer and the insights of existential philosophy and psychiatry His model identifies the phenomena of the mental illnesses that clinicians most often see which are characterized by identifying their structure or partial structure Using the FDMI approach clinicians can grasp how each mental illness is an aberration of Martin Heidegger s being in the world

The ^AOxford Handbook of the Economics of Gambling Leighton Vaughan Williams,Donald S. Siegel,2013-11-12 This Handbook is the definitive source of path breaking research on the economics of gambling It is divided into sections on casinos sports betting horserace betting betting strategy motivation behavior and decision making in betting markets prediction markets and political betting and lotteries and gambling machines

Philip Seymour Hoffman Peter Shelley,2017-01-23 Philip Seymour Hoffman 1967 2014 was an American film television and stage actor film producer and film and stage director best known for his memorable

supporting roles in independent films Considered one of the best actors of his generation he died of a drug overdose at age 46 after years of sobriety He won the Academy Award for Best Actor for his titular role in Capote 2005 and Best Supporting nominations for Doubt 2008 and The Master 2012 This biography covers his life and career and provides an appendix listing his film television and stage appearances
