Styka Family Saga:

The Styka Family Saga Czeslaw Czaplinski, 1990-03-01 *Saga rodu Styków* Czesław Czapliński, 1988 **Ellen Emmet Rand** Alexis L. Boylan, 2020-10-29 Ellen Emmet Rand 1875 1941 was one of the most important and prolific portraitists in the United States in the first decades of the twentieth century She negotiated her career reputation family and finances in modern and commercially savvy ways revealing the complex negotiations needed to balance these competing pressures Engaging with newly available archival documents and featuring scholars with radically different approaches to visual culture this edited collection not only seeks to interrogate the meaning of Rand s portraits and her career but indeed to rethink gender art race business and modernism in the twentieth century *The Polish American Encyclopedia* James S. Pula, 2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity s rise to prominence This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia **Kolekcje sztuki polskiej w Ameryce** Czesław Czapliński, 2005* **Opera Acts** Karen Henson, 2015-01-15 Opera Acts explores a wealth of new historical material about singers in the late nineteenth century and challenges the idea that this was a period of decline for the opera singer In detailed case studies of four figures the late Verdi baritone Victor Maurel Bizet s first Carmen C lestine Galli Mari Massenet s muse of the 1880s and 1890s Sibyl Sanderson and the early Wagner star Jean de Reszke Karen Henson argues that singers in the late nineteenth century continued to be important but in ways that were not conventionally vocal Instead they enjoyed a freedom and creativity based on their ability to express text act and communicate physically and exploit the era s media By these and other means singers played a crucial role in the creation of opera up to the end of the nineteenth century **Commemorations and the Shaping of Modern Poland** Patrice M. Dabrowski, 2004-09-21 This book represents the most sophisticated historiographical approach to understanding nation building Patrice Dabrowski demonstrates tremendous erudition making brilliant use of contemporary newspapers and journals as well as archival material Larry Wolff Boston College author of *Inventing Eastern Europe* Patrice M Dabrowski investigates the nation building activities of Poles during the decades preceding World War I when the stateless Poles were minorities within the empires of Russia Germany and Austria Hungary Could Poles maintain a sense of national identity or

would they become Germans Austrians or Russians Dabrowski demonstrates that Poles availed themselves of the ability to celebrate anniversaries of past deeds and personages to strengthen their nation from within providing a ground for a national discourse capable of unifying Poles across political boundaries and social and cultural differences Public commemorations such as the jubilee of the writer Jozef Kraszewski the bicentennial of the Relief of Vienna and the return to Poland of the remains of the poet Adam Mickiewicz are reconstructed here in vivid detail **Polish Masters from the Kosciuszko Foundation Collection** Kosciuszko Foundation,1995 **New Horizon** ,1986 *Bibliographic Guide to Soviet and East European Studies*, 1992 G. K. Hall and Co. Staff,1993-06
