

New Sister, New Style

"Do I seriously have to be wearing this?" –

Jeremy exclaimed annoyed and embarrassed to her sister, as she try to look away and hide behind the cars and walls, trying to make her presence as a little as noticeable as possible

"Yes, you have to! Now come here with me, if you don't want it to be permanent"

– Said Alexa, with a smirk but a serious tone, wanting her new sister to come along with her.

Alexa and Jeremy weren't the closest of brothers, they had their constant fights and insults, mostly due to Jeremy being a very bad brother to Alexa and having a lot of misogynist tendencies with her, not letting her enjoy or express herself properly.

Alexa had enough of his brother, so she decided to make him, her sister instead by transforming her into a woman like her, by utilizing a new drug she bought from one of her friends. The night came were Alexa pour the drug into one of Jeremy's drinks, it took immediate effect, sending him to sleep as he transformed from a man to a woman.

His hips grow out, as his chest bulged outwards growing to nice shape boobs on it, his figure become cute, feminine, slender, and petite, making him ever more girly as his facial features soften and his hair grew out, finally his malehood morph and shrink into a new cute and new femalehood.

In the morning when Jeremy woke, she screams in confusion and horror at her new self, signaling Alexa of her successful plan, Alexa told the confused Jeremy.

"Now, I choose what we are both going to wear, and you have to accompany shopping, after that I will turn you back and if you protest, I make it permanent" – Said Alexa to Jeremy.

After going shopping Alexa decided to make it official letting know Jeremy, she was going to stay a girl forever as she loves having a sister so much.
