Subject Positions And Interfaces The Case Of European Portuguese

W. Leo Wetzels, Sergio Menuzzi, João Costa

Subject Positions And Interfaces The Case Of European Portuguese:

Subject Positions and Interfaces João Costa, 2008-08-22 European Portuguese like other Romance languages display a great amount of word order variation Out of the six logically possible permutations between Subject Verb and Complement in a transitive sentence five are possible SVO VSO VOS OVS and OSV The primary goal of this book is to provide an analysis of the several positions where the subject may surface in European Portuguese Departing from an architecture of the clause as sketched in early minimalist work containing two subject related functional categories above VP AgrP and TP it is shown that the subject may surface in all potential landing sites Spec AgrP Spec TP and Spec VP Moreover just like any other argument of the clause it is claimed that subjects also have the possibility of surfacing in a left dislocated position arguably adjoining to the clause's left periphery It is shown that there is no free variation Each of these positions may be occupied by the subject only if two requirements are met i The position is made available by syntax ii The position does not violate any interface condition In other words the following model is argued for syntax generates legitimate outputs At the interface levels each output may be selected or filtered out according to requirements of the interface The picture emerging from the proposal made in this book is the following syntax proper does not need to refer to conditions best placed at the interface All that is needed from syntax is that it generates an array of well formed outputs Such outputs may be evaluated a posteriori by each of the interfaces If they meet requirements of the interface they are selected as legitimate If on the contrary some interface condition is violated they are ruled out Under this approach three independent results are derived i an explanation is found for the patterns of word order variation ii syntax proper may be reduced to its own tools not having to manipulate semantic discourse or prosodic variables iii the intuition that European Portuguese is an SVO language is derived this word order corresponds to the one in which the subject occupies the only specifier position in which the other interfaces play no role

The Handbook of Portuguese Linguistics W. Leo Wetzels, Sergio Menuzzi, João Costa, 2020-01-09 The Handbook of Portuguese Linguistics presents a comprehensive overview of research within the Brazilian and European variants of the Portuguese language It includes chapters focusing on the key areas of linguistic study including phonetics phonology morphology syntax semantics pragmatics linguistic change language variation and contact and acquisition Essential reference work for scholars of Portuguese linguistics and Romance languages Chapters written by an international team of research specialists highlight both the consensus and the controversies within the various subfields of Portuguese linguistics Examines Portuguese linguistics in relation to syntax phonology morphology semantics pragmatics acquisition and sociolinguistics Written in an accessible overview style and designed for advanced students and current scholars in the field alike Essential reference work for scholars of Portuguese linguistics and Romance languages [The Expression of Temporal Meaning in Caboverdean](#) Fernanda Pratas, 2021-02-08 One hot topic in contemporary linguistics concerns how we express the passage of time in natural language In particular interesting questions have been raised as to how formerly understudied

languages fit into deep rooted theoretical frameworks which among other features comprise a grammatical category of tense This monograph mainly contributes to this debate in two complementary ways through a detailed description of a large set of new data from two varieties of Caboverdean a Portuguese related language and through a novel approach to the role of its few temporal morphemes which allows to better define how tense meanings aspect and mood together with other linguistic and extralinguistic information provide what we understand as past present and future The adequate study of this non standardized language with its impressive internal variation thus brings new insights to old theoretical problems Additionally a welcome side effect of these new descriptions and analyses is that they promote a scientifically grounded attitude towards linguistic diversity

Diachronic and Typological Perspectives on Verbs Folke Josephson, Ingmar Söhrman, 2013-07-10 This volume applies a diachronic perspective to the verb and mainly deals with typological change affecting tense aspect mood and modality in a variety of Indo European languages Latin Romance Celtic Germanic Slavic Indo Iranian Hittite and Semitic and the non Indo European Turkic Amerindian and some Australian languages The analyses of the structural changes and the interchange between the different grammatical categories that cause them which are presented in the chapters of this volume yield astonishing results The diachronic perspective combined with a comparative approach provides profound knowledge of the typology of the verb and other typological issues and will serve researchers as well as advanced and beginning of linguistics students in a way that has rarely been encountered before

Diachronic Studies on Information Structure Gisella Ferraresi, Rosemarie Lühr, 2010-08-31 In the last few years a lively discussion on information packaging has arisen where traditional dichotomies Theme Rheme Topic Comment and Focus Background have been taken up again and partly reinterpreted The discussion is mainly being held in syntax but also in the fields of semantics and pragmatics Some remarkable progress has been made especially in Focus phonology Even if the role of information conveying and information packaging in the Indoeuropean languages was hinted at as early as in the classical studies of the Neogrammarians this field has remained neglected in today s historical linguistics This volume tries to partly cover this lack with a sample of papers which offer a various range of new empirical data analyzed from the point of view of information structure The novelty of the papers consists in the modern theoretical perspective from which the data are analyzed and in the various phenomena considered which range from the rise of clitic elements to word order change and verb movement

Editorial board Dr habil Kai Alter Newcastle University Medical School Prof Dr Ulrike Demske Universität des Saarlandes Prof Dr Ewald Lang Humboldt Universität zu Berlin Prof Dr Rosemarie Lühr Friedrich Schiller Universität Jena Prof Dr Thomas Pechmann Universität Leipzig Prof em Dr Anita Steube Universität Leipzig

Portuguese Relative Clauses in Synchrony and Diachrony Adriana Cardoso, 2017 This book explores language variation and change from the perspective of generative syntax based on a case study of relative clauses in Portuguese and other languages It offers a comparative account of three linguistic phenomena in the synchrony and diachrony of Portuguese and an overview of competing theoretical analyses

The Syntax-Information Structure Interface Timothy Gupton, 2014-10-24 It is quite remarkable that after over a half century of generative grammar there is still uncertainty with respect to the analysis of preverbal subjects in a number of languages According to canonical analyses preverbal subjects are arguments A elements However following non canonical analyses preverbal subjects are not arguments but rather A elements that behave like topical preverbal direct and indirect objects which have received a CLLD analysis in the literature e g Cinque 1990 The implications of this debate are far reaching for generative theory if preverbal subjects are non arguments one must question the universality of the EPP as in e g Alexiadou Agnostopoulou 1998 as well as its associated features and feature strengths Galician is an underdocumented Romance language within the generative paradigm In this book I develop an experimental program for establishing clausal word order preferences for a number of information structure contexts The preference data suggest that preverbal subjects behave like canonical elements and not CLLD elements These results inform the model of the preverbal field that I propose for Galician which also takes into account the enclisis proclisis divide and reco

Minimalist Inquiries into Child and Adult Language Acquisition Acrisio Pires, Jason Rothman, 2009-06-23 This volume brings together chapters written by specialists in North America Europe and Brazil It includes original research about the acquisition L1 bilingualism and acquisition learning L2 or L3 of dialects of Brazilian and European Portuguese In an effort to maximize volume cohesion the emphasis has been on contributions that present studies exploring both empirical experimental and theoretical aspects of the acquisition of syntax and its interfaces with morphology with semantics pragmatics and with language change Within the generative paradigm alone there are various volumes on the acquisition of other languages but there are no volumes currently in print focusing on the acquisition of Portuguese We believe that it is time for such a volume considering among other factors that Portuguese is the second most widely spoken Romance language second only to Spanish and the seventh most widely spoken language in the world In addition the significant changes that have taken place between Brazilian and European Portuguese especially since the 19th century make the inquiry into the acquisition of the different dialects a source for very productive insights about the connections between linguistic theory language acquisition and language change Finally having a collection of high quality articles in one place pays homage to the importance for linguistic research of investigations into the acquisition of the Portuguese language

The Syntax of Portuguese Mary A. Kato, Ana Maria Martins, Jairo Nunes, 2023-04-06 Portuguese is the second most spoken Romance language in the world and due to recent interest in comparative syntax the literature on its syntax has increased exponentially resulting in exciting discoveries of a range of aspects that have hitherto been overlooked This book provides a theoretically grounded overview of the major syntactic properties of Portuguese focusing on the differences between European and Brazilian Portuguese It shows from a theoretical point of view how different syntactic properties are interconnected by comparing and contrasting the variances between pronominal and agreement systems null subjects null complements and word order It also highlights how small differences in

the specification of syntactic properties may yield quite different dialects It introduces key theoretical points without technical jargon making the content accessible to specialist and non specialists alike It is essential reading for both academic researchers and students of Portuguese language comparative syntax Romance linguistics and theoretical syntax

The Bantu-Romance Connection Cécile De Cat, Katherine Demuth, 2008 This landmark volume is the first work specifically designed to explore the extent to which striking surface morpho syntactic similarities between Bantu and Romance languages actually represent similar syntactic structures In particular it explores the timely and much debated issues of verbal morphology and agreement the structure of DPs and word order information structure with the goal of providing a better understanding of the structure of the different languages investigated and the implications this holds for syntactic theory more generally All of the papers draw on data from both Bantu and Romance languages providing a framework for much needed further comparative research on the nature of linguistic structure its diversity and constraints and the implications this has for learnability acquisition The volume also provides an important precedent for incorporating insights from Bantu linguistic structure into mainstream of syntax research

Unveiling the Magic of Words: A Overview of "**Subject Positions And Interfaces The Case Of European Portuguese**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Subject Positions And Interfaces The Case Of European Portuguese**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Subject Positions And Interfaces The Case Of European Portuguese Introduction

In the digital age, access to information has become easier than ever before. The ability to download Subject Positions And Interfaces The Case Of European Portuguese has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Subject Positions And Interfaces The Case Of European Portuguese has opened up a world of possibilities. Downloading Subject Positions And Interfaces The Case Of European Portuguese provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Subject Positions And Interfaces The Case Of European Portuguese has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Subject Positions And Interfaces The Case Of European Portuguese. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Subject Positions And Interfaces The Case Of European Portuguese. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Subject Positions And Interfaces The Case Of European Portuguese, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware.

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Subject Positions And Interfaces The Case Of European Portuguese has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Subject Positions And Interfaces The Case Of European Portuguese Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Subject Positions And Interfaces The Case Of European Portuguese is one of the best book in our library for free trial. We provide copy of Subject Positions And Interfaces The Case Of European Portuguese in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Subject Positions And Interfaces The Case Of European Portuguese. Where to download Subject Positions And Interfaces The Case Of European Portuguese online for free? Are you looking for Subject Positions And Interfaces The Case Of European Portuguese PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Subject Positions And Interfaces The Case Of European Portuguese. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Subject Positions And Interfaces The Case Of European Portuguese are for sale to free while some are payable. If you arent sure if

the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Subject Positions And Interfaces The Case Of European Portuguese. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Subject Positions And Interfaces The Case Of European Portuguese To get started finding Subject Positions And Interfaces The Case Of European Portuguese, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Subject Positions And Interfaces The Case Of European Portuguese So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Subject Positions And Interfaces The Case Of European Portuguese. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Subject Positions And Interfaces The Case Of European Portuguese, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Subject Positions And Interfaces The Case Of European Portuguese is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Subject Positions And Interfaces The Case Of European Portuguese is universally compatible with any devices to read.
