A Complete Guide to the Spanish Subjunctive is the most complete reference guide to the use of the subjunctive in Spanish. Along with an exhaustive review of published literature on the subjunctive the book also includes a thorough discussion of the uses and meanings of the subjunctive as well as examples throughout drawn from linguistic corpora such as the CREA database. The book presents a comprehensive theory of the subjunctive and provides practical rules for understanding teaching and acquiring the Spanish subjunctive. This book includes Your Turn sections that invite readers to reflect on the content discussed and on their own experiences in teaching the subjunctive. A Synopsis section that summarizes the content of the work and offers practical suggestions for teaching the subjunctive. Two indexes providing a summary of verb conjugation in the subjunctive and an alphabetical list of expressions used with the subjunctive.
