

Chemistry

Certificate of Achievement

Become a Chemistry Technician

PROGRAM BENEFITS

The Certificate of Achievement program in Chemistry focuses on teaching students practical analytical chemistry skills. These can be applied directly to get a job as a chemistry technician at a local laboratory or used to improve practical laboratory skill for future classes and/or undergraduate research. The program includes an internship at a local laboratory to help improve students' "real world" chemistry skills and see what it would be like to work in the field of chemistry.
