The Bedtrick Wendy Doniger,2022-08-22 Somehow I woke up one day and found myself in bed

with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

Tripping the Prom Queen Susan Shapiro Barash,2007-04-01 A professor of critical thinking and gender studies presents a groundbreaking investigation into the dark secret of female friendship rivalry Susan Shapiro Barash has exploded the myth that women help one another are supportive of one another and want each other to succeed Based on interviews with women across a broad social spectrum she has discovered that the competition between women is more vicious precisely because it

is covert She tells us Why women can't and won't admit to rivalry How women are trained from an early age to compete with one another In which areas women most heatedly compete How rivalry is different among women than among men The differences between competition envy and jealousy When competition is healthy and when it isn't Why women find it irresistible to trip the prom queen Useful strategies to stop the competition and forge a new kind of relationship with other women Whether you've tripped the prom queen or been tripped yourself you will discover an engrossing exploration of this female phenomenon as well as a beacon of hope for better more fulfilling relationships Tripping the Prom Queen is a must read for women who want to reach their full individual potential and form strong relationships with friends family and work colleagues Although it pulls no punches in the ways women can be their own worst enemies it also shows a way out for any woman wanting to improve her sense of self and her experiences with others Rosalind Wiseman New York Times bestselling author of Queen Bees and Wannabees
