

Subversive Lives

A Family Memoir of the Marcos Years

Susan F. Quimpo
Nathan Gilbert Quimpo

Subversive Family

Kimberly Ells

Subversive Family:

The Subversive Family Ferdinand Mount, 1995-01-29 *Subversive Family* Ferdinand Mount, 2010-06-15 British politician and writer Ferdinand Mount challenges contemporary beliefs about society and family including the history of divorce childcare and the concept of the nuclear family In *Subversive Family* politician and writer Ferdinand Mount argues that society is shaped by a series of powerful revolutionary movements the leaders of which whether they be political ideologues theologians feudal lords or feminist writers have done their utmost to render the family a subordinate instrument of their purpose but that in spite of it all the family endures Mount maintains that many widely held contemporary beliefs about the family are based on a willful misreading of the evidence among the myths are that arranged marriages were the norm until this century that child care is a modern innovation that in earlier societies children were treated as expendable objects that the nuclear family is not a 20th century invention and that romantic love never existed before the troubador poets glorified adultery Divorce he contends is no great novelty either he shows that in many times and places it has been almost as easy to obtain as it is today Far from diminishing the general desire and respect for family life Mount contends that the provision for divorce has been popularly regarded as an integral part of any sensible system of family law This study should jolt the reader into a re assessment of one of the most familiar and ancient institutions and encourage greater consideration for policies today that support the family

The Invincible Family Kimberly Ells, 2023-02-14 Socialists and feminists have long targeted the family as an enemy even the enemy For socialists the family is an obstacle to the full power of the progressive state For feminists the family denies female independence and equality Today however the battle has grown even fiercer as socialists and feminists have found a global ally in the United Nations which is using its extraordinary power to undercut the authority and the sanctity of the family around the world even in the United States International policy advisor Kimberly Ells exposes this unholy alliance between globalist liberals feminists and socialists and unveils the shocking harm being done right now to women and children in America and around the world Amazon com

Netflix, Dark Fantastic Genres and Intergenerational Viewing Djoymi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including *Stranger Things* *A Series of Unfortunate Events* *The Dark Crystal* *Age of Resistance* and even *Squid Game* The book outlines how Netflix is

consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies

The Double Life of the Family Michael Bittman, 2020-08-27 The modern family is under strain What we crave most from our families is intimacy warmth and self fulfilment but we often find this difficult to achieve We hold onto these expectations of our families even in the face of contradictory experiences so the family sustains a double life The authors explore the gap between our values expectations and yearnings and our experiences of everyday family life Family ritual political rhetoric advertising images and television family sitcoms are all windows onto what we want and expect our myths of the family Yet our aspirations for intimacy and self fulfilment are frustrated by unacknowledged inequalities between men and women and parents and children The inequalities have their origins in the division of domestic labour and in labour markets that disregard family responsibilities The Double Life Of The Family argues that our expectations of family life are more powerful than is usually believed and have enormous influence on both the way governments structure social policy and on the decisions made by ordinary people

The English Family 1450 - 1700 Ralph A. Houlebrooke, 2014-06-11 The history of the family has become the source of lively controversy and Ralph Houlbrooke s study has made a major contribution to the debate Thorough investigations reveal the attitudes and aspirations of all levels of society set within economic political and religious contexts and developments within the period

The Family: Change or Continuity? Faith Robertson Elliot, 1986-10-27 Faith Elliot s book has a coherence unusual in a textbook As its title suggests it directs our attention to change and continuity in the family It reviews debates about the biological origins of the nuclear family and gender roles accounts of the development of the conjugal family as the dominant family form in modern Western societies and of change in the roles of men and women within and without the family the remodelling of the conjugal family consequent on the legitimation of divorce and the emergence of one parent families and remarriage families and the development of alternative lifestyles as exemplified in unmarried cohabitation same sex pairings and group living The book considers Marxist and feminist approaches alongside the functional approaches which have been more traditional in the sociological study of the family

The Family in Question Diana Gittins, 2017-03-01 After a decade of Thatcherism rising illegitimacy and the moral panic over child sexual abuse the family is more of a political issue than ever But is it the family that is in crisis or family ideology In this revised edition of an important and controversial book Diana Gittins adds to a broad range of historical anthropological and feminist evidence a new chapter on child sexual abuse

Philosophical Foundations of Children's and Family Law Elizabeth Brake, Lucinda Ferguson, 2018-03-02 This volume brings together new essays in law and philosophy on a broad range of topics in children s and family law It is the first volume to bring together essays by legal scholars and philosophers for an integrated critical analysis of key issues in this area marking the coming of age of a

comparatively new field of family law Debates in children s and family law are at once theoretical and empirical in nature Not only does children s and family law have significant consequences for individuals intimate lives the field s impact on lived experience highlights the socially constructed nature of law Approaching this area of law often involves exploring a legal concept familiar from daily life such as the very notion of marriage or family and examining it within its social economic and historical context The normative basis for law regulating intimate personal and family life extends beyond any narrow legal philosophy or social context to its broader foundations in theories of morality or justice The chapters included bring together a representative and broad range of pieces that engage with long standing and contemporary debates A wide range of perspectives is represented on topics such as same sex marriage polygamy and polyamory alimony unmarried cohabitation gestational surrogacy and assisted reproductive technologies child support parental rights and responsibilities children s rights family immigration religious freedom and the rights of paid caregivers There is also philosophical discussion of concepts such as care intimacy and the nature of family and family law itself

Family Politics Paul Ginsborg, 2014-01-01

An exploration of the convulsive history of the 20th century s first five decades seen through the lens of families and family life In this masterly twentieth century history Paul Ginsborg places the family at center stage a novel perspective from which to examine key moments of revolution and dictatorship His groundbreaking book spans 1900 to 1950 and encompasses five nation states in the throes of dramatic transition Russia in revolutionary passage from Empire to Soviet Union Turkey in transition from Ottoman Empire to modern Republic Italy from liberalism to fascism Spain during the Second Republic and Civil War and Germany from the failure of the Weimar Republic to the National Socialist state Ginsborg explores the effects of political upheaval and radical social policies on family life and in turn the impact of families on revolutionary change itself Families he shows do not simply experience the effects of political power but are themselves actors in the historical process The author brings human and personal elements to the fore with biographical details and individual family histories along with a fascinating selection of family photographs and portraits From WWI an indelible backdrop and imprinting force on the first half of the twentieth century to post war dictatorial power and family engineering initiatives to the conclusion of WWII this book shines new light on the profound relations among revolution dictatorship and family

Decoding **Subversive Family**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Subversive Family**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
