Sufism East and West Jamal Malik, Saeed Zarrabi-Zadeh, 2019-07-15 In *Sufism East and West* the contributors investigate the redirection and dynamics of Sufism in the modern era specifically from the perspective of global cross cultural exchange Edited by Jamal Malik and Saeed Zarrabi Zadeh the book explores the role of mystical Islam in the complex interchange and fluidity in the resonance spaces of East and West The volume challenges the enduring Orientalist binary coding of East versus West and argues instead for a more mutual process of cultural plaiting and shared tradition By highlighting amendments adaptations and expansions of Sufi semantics during the last centuries it also questions the persistent perception of Sufism in its post classical epoch as a corrupt imitation of the legacy of the great Sufis of the past **Sufi Studies: East and West.
