Commentary Dennis James Woods, 2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn't need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It's the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that's wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come IS THE AGE OF THE

Appendix 1 Questions Answers Most Christians today believe in the theory of pre tribulation rapture Because they believe in this false doctrine teaching them that they would be lifted before the coming of the Great Tribulation of seven years they are leading idle religious lives steeped in complacency But the rapture of the saints will occur only after the plagues of the seven trumpets run their course until the sixth plague is all poured that is the rapture will happen after the Antichrist emerges amidst global chaos and the born again saints are martyred and when the seventh trumpet is blown It is at this time that Jesus would descend from heaven and the resurrection and rapture of the born again saints would occur 1 Thessalonians 4 16 17 On this day everyone in this world would be standing on a crossroad of his her eternal fate The righteous who were born again by believing in the gospel of the water and the Spirit will be resurrected and raptured and thus become heirs to the Millennial Kingdom and the eternal Kingdom of Heaven but the sinners who were unable to participate in this first resurrection will face the great punishment of the seven bowls poured by God and be cast into the eternal fire of hell Therefore you must now come out of all the false doctrines of religions and the lust and confused values of this world and enter into the true Word of God I hope and pray that by reading my series on the gospel of the water and the Spirit you would all be bestowed with the blessing of having all your sins washed away and of receiving the second coming of our Lord without

The Locusts, the Euphratean Horsemen, and the Two Witnesses; Or, The Apocalyptic Systems of the Revds. E.B. Elliot, Dr. Cumming and Dr. Keith, Proved Unsound Robert Govett,1852 *The Revelations And Warnings Of Jesus To His Church* Albert Heaney,2018-09-25 Given that Jesus has issued a warning that in the end times the church will be infiltrated with false prophets that will mislead many and given that the book of Revelation was given to reveal future events in the end times and given that various interpretations of prophesies in the book are given by present day biblical scholars this book attempts to clarify an understanding of the revelations provided in the book by closely adhering to the messages given and avoiding giving interpretations that are not explicitly provided in scripture It is important that the church becomes aware of the messages God has given to the church of our day so that it can be prepared to face the future and be ready to endure to the end The author believes that the book of Revelation was not given as a puzzle to be decoded by scholars but rather as a series of messages that can be understood by ordinary people so as to open their eyes as to all that God has prepared for those who love Him *Revelation* John Walvoord,Philip E. Rawley,2011-04-01 The book of Revelation has long fascinated and even confused readers and students of the Bible Yet the Bible is written to be understood and Revelation is no exception Who better to help you understand the seals trumpets vials woes and plagues than John F Walvoord one of evangelicalism s most prominent leaders and Mark Hitchcock today s leading Bible prophecy expert In this first in a renewed series of commentaries from Dr Walvoord he points out that much of the book s symbolism can be interpreted literally At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history
