**Relationships** Grace Gbajabiamila, 2015-05-15 The writing of this book was inspired by a divine revelation of what is important as we sojourn on Earth PEOPLE It is possible to miss this great truth as the clamour for things increases daily on Earth Yet apart from your investment in a relationship with your Maker the only worthwhile investment with eternal value is being an investor in people We exist to relate first with God and next with Man No man is an island and no man can exist by themselves and for themselves alone Finally it is knowing that the only thing you will exit this world with is the eternal record of what you did with your relationships
