Case-Marking in Contact Felicity Meakins,2011-09-14 Until recently mixed languages were considered an oddity of contact linguistics with debates about whether or not they actually existed stifling much descriptive work or discussion of their origins These debates have shifted from questioning their existence to a focus on their formation and their social and structural features This book aims to advance our understanding of how mixed languages evolve by introducing a substantial corpus from a newly described mixed language Gurindji Kriol Gurindji Kriol is spoken by the Gurindji people who live at Kalkaringi in northern Australia and is the result of pervasive code switching practices Although Gurindji Kriol bears some resemblance to both of its source languages it uses the forms from these languages to function within a unique system This book focuses on one structural aspect of Gurindji Kriol case morphology which is from Gurindji but functions in ways that differ from its source

Disco's Dead and so is Mo-Mo Tyler Colins,2023-09-16 The mystery surrounding the disappearance of mobster Mo Mo Martine in Canada during the days of disco and polyester is finally solved when his body is found in a drum off the sapphire waters of Oahu An associate local limb breaker Harry the Hoarse asks the pretty private investigators from the Triple Threat Investigation Agency JJ Rey and Linda to prove it wasn t his brother in law Johnny B He d been accused back then but never arrested and it certainly appears that he s the perp now The trio finds itself embroiled in the most challenging if not deadly case yet Countless people family friends foes hated Mo Mo Anyone could have murdered him Or was it a professional hit by the notorious never miss Death Angel Is it possible The faceless nameless assassin for hire is still plying his trade after all these years As bodies drop the P I

s begin to believe answers won't come from anyone they interview they'll be found in mysterious photos dating back to Mo Mo's disco days They merely have to decipher what the people and backdrops in those photos are telling them a tricky task indeed Will they figure it out before more murders occur perhaps theirs *The Children of God* Ruth Wangerin, 1993-11-19 Wangerin examines one small symbolic revolution against American capitalist culture It was carried out by youth who were painfully and personally aware of the problems of what they called the System though they did not necessarily understand the underlying causes of their problems They called themselves the Children of God Wangerin studied the Children of God from 1973-1978 in the United States Mexico and Italy and has kept in touch with some of them ever since This is one of the most thorough studies of the controversial cult founded in 1968 by David Berg and the only ethnography that treats it as a mystical utopian socialist movement *The Kids' Book of Disco* Nancy P. Bruning, 1979 *The Night They Vanished* Vanessa Savage, 2022-05-03 A family with a secret A past about to catch up with them Hanna has barely spoken to her family since the tragedy that rocked their lives fourteen years ago The tragedy for which they held Hanna responsible Then she sees her family home listed as the scene of a horrific crime Number of victims three Date of crime today Frantic Hanna tries to contact her family only to find they have disappeared To find them Hanna will have to confront what happened all those years ago And the person determined to make her pay for it **Failure Is an Option** H. Jon Benjamin, 2019-05-07 Writing this funny requires immense talent AV Club H. Jon Benjamin the lead voice behind Archer and Bob's Burgers helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure Most people would consider H. Jon Benjamin a comedy show business success But he'd like to remind everyone that as great as success can be failure is also an option And maybe the best option In this book he tells stories from his own life from his early days wherein I'm unable to deliver a sizzling fajita to his romantic life how I failed to quantify a threesome to family wherein a trip to P.F. Chang's fractures a family to career how I failed at launching a kid's show As Jon himself says breaking down one's natural ability to succeed is not an easy task but also not an insurmountable one Society as we know it is sadly failure averse But more acceptance of failure as Jon sees it will go a long way to making this world a different place a kinder gentler place where gardens are overgrown and most people stay home with their pets A vision of failure but also a vision of freedom With stories examples of artistic and literary failure and a powerful can't do attitude Failure Is an Option is the book the world doesn't need right now but will get regardless **New York Magazine**, 1991-11-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Ward's Automobile Topics**, 1916 **Motor Age**, 1916 *The Lighter Side of Finland (6th Edition)* Russell Snyder, The Lighter Side of Finland is celebrating its 22nd
