It features a dark, atmospheric scene with a person in a black hooded cloak holding a gun, standing in front of a large, ornate building with a dome. The sky is dark and cloudy, with a bright light source creating a lens flare effect. The title 'KILLING TOUCH' is written in a large, stylized, golden font at the top, with 'ONE OF A KIND' in a smaller, simpler font below it.

The Killing Touch Warren Burke,1983 Joan Fallon has the power to heal the sick or bring quick painless death to the dying *The Killing Touch* William Murray,1974-01-01 It is late maybe 3 00 A M when Penny Miller heads her small MG toward the Pacific Coast Highway She doesn't notice the white Mustang parked at the side of the road or the driver who sees Penny for a moment framed in the lights of an oncoming car and on an impulse decides to follow her Fifteen more minutes pass before Penny parks her car and starts to cross the highway to her apartment She hears footsteps crunching the gravel behind her quickly closing the distance between them She panics Runs Then just beyond the promise of the light from a streetlamp feels the touch of a hand The Killing Hands P.D. Martin,2009-11-01 Just as Aussie FBI profiler Sophie Anderson is settling into her job in the L A bureau she's pulled into a case that's different from anything she's ever seen the victim has had his throat ripped out But what weapon could have caused such devastating injuries And who is the John Doe Sophie and her team are dealing with a skilled killer someone who leaves virtually no forensic evidence When the team links the body to an Asian criminal organization things get even more mysterious The victim has been missing for fifteen years so where has he been and why has he returned More important who wanted him dead As L A's underworld rears its ugly head Sophie will have to draw on her experience and her developing psychic skills to find a brilliant killer who's carved a trail of death in organized crime across the U S He leaves only one thing behind him horrifying murder scenes The Killing of Crazy Horse Thomas Powers,2011-11-01 With the Great Sioux War as background and context and drawing on many new materials Thomas Powers establishes what really happened in the dramatic final months and days of Crazy Horse's life He was the greatest Indian warrior of the nineteenth century whose victory over General Custer at the battle of Little Bighorn in 1876 was the worst defeat ever inflicted on the frontier army But after surrendering to federal troops Crazy Horse was killed in custody for reasons which have been fiercely debated for more than a century The Killing of Crazy Horse pieces together the story behind this official killing **Exiled** Katya Cengel,2023-03 The story of four families confronting deportation forty years after the beginning of large scale resettlement of Southeast Asian refugees in America *Black Belt* ,1989-09 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world Beneath the Killing Fields Matthew Leonard,2017-02-19 Beneath the Killing Fields of the Western Front still lies a hidden landscape of industrialised conflict virtually untouched since 1918 This subterranean world is an ambiguous environment filled with material culture that that objectifies the scope and depth of human interaction with the diverse conflict landscapes of modern war Covering the military reasoning for taking the war underground as well as exploring the way that human beings interacted with these

extraordinary alien environments this book provides a more all encompassing overview of the Western Front The underground war was intrinsic to trench warfare and involved far more than simply trying to destroy the enemys trenches from below It also served as a home to thousands of men protecting them from the metallic landscapes of the surface With the aid of cutting edge fieldwork conducted by the author in these subterranean locales this book combines military history archaeology and anthropology together with primary data and unique imagery of British French German and American underground defences in order to explore the realities of subterranean warfare on the Western Front and the effects on the human body and mind that living and fighting underground inevitably entailed *Janet, My Mother, and Me* William Murray,2000 A deliciously idiosyncratic coming of age story that reads like Auntie Mame Murray s winsome affectionate memoir of being raised by his mother and her longtime lover famed New Yorker journalist Janet Flanner of photos [The Haunting of Twenty-First-Century America](#) William J.
