The Kings Messenger:

The King's Messenger Susanna Kearsley, 2025-03-04 INSTANT NATIONAL BESTSELLER A lush enthralling new novel from New York Times bestselling author Susanna Kearsley set during the reign of James I in which emissary Andrew Logan must complete a vital mission on behalf of the king a mission that will threaten not only his own life but everything he holds dear The crown prince is dead and the court is in turmoil Only a man of extraordinary gifts can uncover the truth 1613 King James sixth of Scotland first of England son of Mary Queen of Scots has unified both countries under one crown But the death of his eldest son Henry has plunged the nation into mourning as rumours swirl that the prince was poisoned Andrew Logan has heard the rumours but he's paid them little heed As one of the King's Messengers he has plenty of secrets to guard including his own In these perilous times when the merest suggestion of witchcraft can lead to torture and hanging men like Andrew must hide well the fact they were born with the Sight a gift that allows him to see things others cannot And he'll need all his gifts as he embarks on the perilous trip to capture Sir David Moray once the prince's trusted advisor and now the main suspect in his death and transport him from Scotland back to England Andrew must travel with not only his prisoner but an elderly scribe sent to keep a written record of the journey and the scribe's fiery daughter Phoebe With treachery lurking at every turn Andrew won't just need to guard his prisoner but his extraordinary gift and his heart as well Both sweeping and intricate *The King's Messenger* is a spellbinding tale of secrets love and honour by a writer at the height of her power

The King's Messenger (Standard Edition) Susanna Kearsley, 2025-03-04 I've loved every one of Susanna's books She has bedrock research and a butterfly's delicate touch with characters sure recipe for historical fiction that sucks you in and won't let go Diana Gabaldon 1 New York Times bestselling author of *Outlander* New York Times USA Today and international bestselling author Susanna Kearsley explores romance court alliances and the limits of one's duty in this rich story of an honorable man in service to a treacherous king and the mission that brings him to love and his true calling It is the year 1613 and King James is sending his messenger Andrew Logan into Scotland with secret orders to arrest Sir David Moray close friend and advisor of the late Prince Henry Secrets are second nature to Andrew who must hide his Second Sight to stay alive Joined by a court scrivener and the scrivener's spirited daughter Phoebe Andrew slowly untangles the true purpose of his mission to frame Sir David for Prince Henry's murder But Andrew is unwilling to betray an innocent man Phoebe Westaway dislikes Andrew and their history makes it hard for her to trust him But as their journey draws them deeper into the dark web of court intrigue Phoebe begins to suspect that she might have more need of the King's Messenger and his unusual gifts than she could ever have foreseen More praise for Susanna Kearsley I loved the story Couldn't put it down It was thoroughly researched and told with brilliantly compelling authenticity Barbara Erskine for *The King's Messenger* Susanna Kearsley just keeps getting better and better Lauren Willig

Michael Fox,2015-11-16 The academy has not been kind to Malachi Indeed some of the most influential and seminal studies on the book denigrate its style message and overall artistry This negative assessment proves extensive in the history of scholarship Furthermore the studies demonstrating a more positive assessment of Malachi do so without offering serious challenges to these long standing denigrations Complicating the matter is the observation that critical study has proffered numerous suggestions for what Malachi contains while failing to provide a viable model of what Malachi actually is A Message from the Great King presents serious challenges to the guild s prior assessments and conclusions about the book Through an interdisciplinary approach that synthesizes insights from literary theory thorough historical reconstruction and a close reading of the biblical text R Michael Fox makes a formidable case that a root messenger metaphor pervades the entire text of Malachi Viewed and read through this new lens Malachi s artistry becomes more readily apparent and its theological message more intense and demanding A Message from the Great King provides serious reassessment of the academy s long standing denigrations of the book and a compelling answer to what Malachi actually is Accompanying these insights into Malachi are new methodological procedures and exercises that merit further attention and reflection The Theosophic Messenger ,1909
