scientist Francesco Patrizi's manuscript *Il Delfino overo del bacio* c. 1555 with an English translation and commentary *Il Delfino* or *The Kiss* survives in a single manuscript compiled by an assistant and interspersed with autograph corrections by Patrizi himself The only modern critical edition of the text edited by Danilo Aguzzi Barbagli 1975 is known to contain many errors that prevent a correct understanding of the work This book therefore fills this historiographical gap and at the same time provides a reliable text for further translations of Patrizi's work into other languages **After the Kiss** Joan

Fagerberg Columba Stewart Benedicta Ward Susan Boynton Corey Barnes Johannes Heil Rik Van Nieuwenhove Roger S Wieck Paul W Robinson and Roy Hammerling Peace Treaties and International Law in European History Randall Lesaffer, 2004-08-19 In the formation of the modern law of nations peace treaties played a pivotal role Many basic principles and rules that governed and still govern relations between states were introduced and elaborated in the great peace treaties from the Renaissance onwards Nevertheless until recently few scholars have studied these primary sources of the law of nations from a juridical perspective In this edited collection specialists from all over Europe including legal and diplomatic historians international lawyers and an International Relations theorist analyse peace treaty practice from the late fifteenth century to the Peace of Versailles of 1919 Important emphasis is given to the doctrinal debate about peace treaties and the influence of older Roman and medieval concepts on modern practices This book goes back further in time beyond the epochal Peace of Treaties of Westphalia of 1648 and this broader perspective allows for a reassessment of the role of the sovereign state in the modern international legal order The Kiss Guy Maupassant, 2021-11-02 When a young girl gets her heart broken her beloved aunt embarks on an exploration of the art of kissing The aunt explains in a series of letters that all of the misfortunes that the girl has been met with are a result of her lack of experience with kissing Love and passion intertwine in this timeless journey and Maupassant's delightful humor makes it a lighthearted read for all fans of romance Guy de Maupassant 1850-1893 was a French writer Famed for being a master of the short story he also wrote travel books and occasionally dabbled in poetry His stories mainly focus on the relationships between men and women sitting at crossroads in their lives whether personal or professional His dramatic flair is largely influenced by French novelist Gustave Flaubert and is perfect for fans of Anton Chekhov's short stories The most notable of the 300 short stories that he wrote include *Bel Ami* *Une Vie* and *The Dimples* **Revival: The Evolution of Modern Marriage (1930)** Franz Carl Muller-Lyer, 2018-05-08 So many books on marriage leave one with a feeling of chaos that it is important to examine any document underlying the discovery of order by searching for underlying tendencies The author emphasizes the necessity of taking the evolutionary point of view and sees in militant feminism which teaches emulation of men a phase which will pass as women come to make their own peculiar spiritual contribution to civilization as men have done Perhaps this will come the sooner he suggests if women will regard themselves as the equivalents and not as the equals of men **The Riddle of Christian Mystical Experience** Paul Mommaers, 2003 A distinctive feature of mystical experience is that it is imageless Mystics of various traditions witness indeed to their going beyond all intermediaries so as to enjoy immediate union Understandably the idea of imageless immediacy is attractive and it is especially in vogue with those who hope to discover that different religious spiritualities converge if only the particularity of say the Christian way would be left behind However a crucial question arises here If mystical union consists in simply transcending what is part and parcel of the human condition where is its relevance Is the mystic as such in a position to be his or her human self thinking and loving enjoying and suffering Can he or

she be active in the world of humankind Obviously it is especially in the Christian tradition that this matter comes to the fore as a radical difficulty For here there is the divine Image and Mediator so much so that the Humanity of Jesus ought to be integral to a person's union with God Perhaps the Christian mystic is such an extraordinary figure that the Humanity and all other images and intermediaries are for him or her at best a stepping stone that is bound to disappear The Riddle of Christian Mystical Experience aims to clarify this issue by analyzing the writings of such visionaries as Julian of Norwich Teresa of Avila and Maria Petyt of the ecstasy minded masters Richard of Saint Victor Bernard of Clairvaux and Bonaventure describing Francis of Assisi's experience of the cream of the Flemish mystics namely Hadewijch and Jan van Ruusbroec Nevertheless the preference for the mystical text does not prevent the Riddle from drawing on the insights of modern philosophers such as Jean Paul Sartre and Jean Luc Marion when treating of images and idols or Michael Polanyi and Ludwig Wittgenstein when reflecting on intermediaries The main result of this procedure may come as a surprise Far from turning into a detached creature who forgets about the Humanity and the human the full fledged mystic is as a Flemish mystic puts it wholly in God where he rests in enjoyment and wholly in himself where he loves with works Experiencing union with intermediary and without intermediary the true Christian mystic is unimaged as well as imaged upon the humanity of our Lord through heartfelt affection

Recovering the Love Feast Paul Fike Stutzman,2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In *Recovering the Love Feast* Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation footwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today's Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship
