The Ladys Hard To Get:

The Lady's Hard to Get Eric Levinson,2000-04 After reading numerous books pertaining to the issue of how an individual might defend themselves against attack I became curious as to why the authors really wanted their readers or students to be attacked Perhaps it was an ego thing Perhaps they wanted to demonstrate the superiority of their own martial art or style Perhaps they wished to promote their own books as a vehicle to solicit students All of the above seem acceptable to me in that knowledge gained is worth the effort Upon meeting several of these authors it became clear to me they had never even considered detection and prevention as being perfectly acceptable alternatives to having a direct confrontation Detection is something few people ever consider They are not trained in that area Why should they be They feel they are reactive and have extreme confidence in their combative skills This is a very dangerous misconception If you think you must change your habits or lifestyle to protect yourself from becoming a victim not so Remember I am going to instruct you on how to avoid becoming a victim that will be quite painless You already have the pre conditioning necessary to become extremely effective with minimal effort on your part The only other requisites will be your ability to see and analyze So with good eyesight and a fairly good brain you have all the weapons necessary to combat becoming a victim Later on in the book I discuss the phenomena of Reflex Reacting This is why I know you will rapidly and logically learn and more importantly retain the skills I am going to teach you

delightfully offbeat this new novel from the author of *The Happy Hour Choir* and *Bittersweet Creek* is an uplifting story about following your heart even when it leads to the last place you'd expect Presley Cline has put aside dreams of Hollywood stardom and come back to Ellery Tennessee to work in a beauty shop In truth the dreams in question were more her mother's than her own Presley may have the face and body of a movie icon but she lacks the stomach for it Yet a loving relationship and normal home life seem almost as unattainable as an Oscar Being able to see and speak to dead people certainly isn't helping Presley's first job beautifying clients at the Anderson Funeral Home is quite a change from working on a movie set The place is home to dozens of ghosts all hoping that Presley can help them move on and also one very much alive owner Declan Anderson Like Presley Declan is caught between following family expectations and his own aspirations But with a little meddling from loved ones and locals both living and dead Presley is starting to see that life is too short not to be who you want to be and the most rewarding journeys involve some unexpected detours Praise for Sally Kilpatrick's *The Happy Hour Choir* Kilpatrick mixes loss and devastation with hope and a little bit of Southern charm She will leave the reader laughing through tears This is an incredible start from a promising storyteller RT Book Reviews
