Christology of the Old Testament, 2 Volumes E. W. Hengstenberg, 2008-01-01 The Apocrypha and Pseudepigrapha of the Old Testament, Volume Two R. H. Charles, Robert Henry Charles, 2004 Second only to the Apocrypha the Pseudepigrapha is the most important body of non canonical literature we possess from ancient Judaism These writings shed much light upon theological development between the testaments and provide invaluable historical cultural and spiritual information Contains the Book of Jubilees the Letter of Aristeas the Books of Adam and Eve the Martyrdom of Isaiah 1 Enoch the Testaments of the Twelve Patriarchs the Sibylline Oracles the Assumption of Moses 2 Enoch 2 Baruch 3 Baruch 4 Ezra The Psalms of Solomon 4 Maccabees Pirke Aboth and the Story of Ahikar Page 4 of cover **An Historical Geography of the Old and New Testament: in Two Volumes** Edward Wells, 1820 Jensen Survey-2 Volume Set -Old and New Testaments Irving Jensen, 1982-06-01 This package includes the complete two volume set of Jensen s Survey of the Testaments Jensen s Survey of the Old Testament and Jensen s Survey of the New Testament In Jensen s Survey of the Old Testament the author provides a useful survey of the Old Testament that will aid in understanding difficult passages This one volume contains all of Irving Jensen s Bible self study guides to the Old Testament In Jensen s Survey of the New Testament Jensen leads the reader to study and personal reflection considering the practical implications of Scripture This one volume contains all of Irving Jensen s Bible self study guides to the New Testament *The Books of Samuel, Volume 2* Cyril J. Barber, 2003-10-07 Cyril Barber is convinced that the books of Samuel were written not to display the horror of David s sins of murder and adultery but rather to demonstrate God s faithfulness in raising up prophets priests and kings to move history toward the coming of Christ The central focus of this commentary is to show that the sovereign God weaves His own historical patterns alongside human failure and sin Some people will read this volume for the exegetical light it sheds on 2 Samuel Others will seek personal applications and find help in the great lessons that can be learned from the mistakes and successes of the past All who read it will derive a new appreciation for the work of God in human history I should warn you that this commentary challenges familiar interpretations and looks at the events of 2 Samuel through a different set of glasses But precisely for this reason I wish it a wide distribution From the Foreword by Erwin W Lutzer **De-colonising the Biblical Narrative, Volume 1** Norman Habel, 2022-09-01 De colonising the Biblical Narrative Volume One represents a landmark in contemporary hermeneutics In this volume we take into account our colonial history and develop a de colonising hermeneutic which we employ to identify the colonial editing of the text and to retrieve precolonial narratives with which First Nations peoples of Australia may resonate In the first volume we attempt to de colonise the narratives of Genesis 1 11 and retrieve pre colonial legends that are comparable to First Nations ancestral narratives In Genesis One for example we retrieve a Primal Land Narrative in which the primordial ground is born comes to life creates life and is named Land by the Creator Spirit As we work through the traditions of Genesis 1 11 we also discern colonial additions like the mandate to dominate associated with

the Imago Dei in Genesis 1:26-28. At the close of the analysis of each narrative we include the response of First Nations Australia thereby illustrating not only the significance of our finding but also the relevance for First Nations peoples.

A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007. A Commentary on the Book of Revelation Volume 2. The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

Reading the Hebrew Bible for a New Millennium, Volume 2 Wonil Kim, Deborah L. Ellens, Marvin A. Sweeney, 2001-01-01. A collection of essays that examines the Hebrew Bible using the methodology of Rolf P. Knierim of the Institute for Antiquity Christianity in Claremont, CA.

From Flood to Fallen Kingdoms Jarno Moilanen, 2025-05-13. From Flood to Fallen Kingdoms (FFFK) is the first truly authoritative, detailed and coherent young earth creationist overview of the post-flood history of the ancient Near East and the land of Israel for laypersons and scholars alike. It is a unique work which does not have serious rivals in the biblical creationist book market. The lack of a good and comprehensive introductory book was the main reason why I started to write the book in the first place. I have made use of the best available scholarly literature, Christian as well as secular. The book contains a lot of my own research but it is also in very good agreement with the archaeological articles written by A. J. M. Osgood. It can be read at creation.com and the books of David Down, Unwrapping the Pharaohs and Unveiling the Kings of Israel, for example. FFFK follows the absolute chronology of Floyd Nolen Jones, The Chronology of the Old Testament. As a Bible faithful narrative introduction to the history and archaeology of the ancient Near East, From Flood to Fallen Kingdoms is far better than the existing apologetic works that come towards the genre of FFFK. Evidence for the Bible by Clive Anderson and Brian Edwards, Ancient Post Flood History by Ken Johnson, The World's Story 1: The Ancients by Angela O'Dell, for example. From Flood to Fallen Kingdoms will strengthen the faith of numerous believing readers who take the Holy Scriptures seriously. They will also be surprised to see how well the first five post-flood centuries from Ararat to Abraham, which until now have been in great darkness, can be elucidated through proper interpretation of biblical and archaeological evidence.

Smith, 2002-01-01 The Bible takes its readers from the center of the Garden to today s urban centers with the same message for all Christ has come to deliver the captives Colin Smith shows how Jesus Christ is the focus of Scripture indirectly or directly from beginning to end Beginning with the Old Testament he unlocks rich life changing truths while encouraging and strengthening readers in their daily walk with Christ Come along and discover the keys to a vibrant Christian life in Unlocking the Bible Story Volumes 1 and 2 Revelation 1-22 MacArthur New Testament Commentary Two Volume Set John MacArthur, 1999-04-15 This package includes the complete two volume set of the Book of Revelation from the MacArthur New Testament Commentary series Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways Revelation 1 3 says Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near That blessing may be hard to receive with the Book s shrouded prophecy and eschatological mysteries confusing scholar and lay reader alike MacArthur pulls back the veil and reveals more of what God s Word has to say to us in Revelation covering volatile topics as The rapture the millennial kingdom and the Anti Christ These volumes will open your eyes to receive the blessing promised in Revelation s opening verses **A Catalogue of Many Thousand Volumes Lately Purchased, Including the Valuable Libraries of the Rev. The Parables Brad H. Young, 2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian

studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty
