The Lardners My Family Remembered:

The Lardners Ring Lardner (Jr.), 1977-08 **The Lost Journalism of Ring Lardner** Ring Lardner, 2017-01-01 An anthology of journalist Ring Lardner's writings on sports and other nonfiction topics that collects works that have been mostly unavailable for decades *City of Scoundrels* Gary Krist, 2013-04-16 The masterfully told story of twelve volatile days in Chicago when an aviation disaster a race riot a crippling transit strike and a sensational child murder transfixed and roiled a city already on the brink of collapse When 1919 began the city of Chicago seemed on the verge of transformation Modernizers had an audacious expensive plan to turn the city from a brawling unglamorous place into the Metropolis of the World But just as the dream seemed within reach pandemonium broke loose and the city's highest ambitions were suddenly under attack by the same unbridled energies that had given birth to them It began on a balmy Monday afternoon when a blimp in flames crashed through the roof of a busy downtown bank incinerating those inside Within days a racial incident at a crowded South Side beach spiraled into one of the worst urban riots in American history followed by a transit strike that paralyzed the city Then when it seemed as if things could get no worse police searching for a six year old girl discovered her body in a dark North Side basement Meticulously researched and expertly paced *City of Scoundrels* captures the tumultuous birth of the modern American city with all of its light and dark aspects in vivid relief Now with Extra Libris material including a reader's guide and bonus content *Jack Dempsey* Randy Roberts, 2003 A biography of Jack Dempsey Heavyweight Champion of the World from 1919-1926 **How You Played the Game** William Arthur Harper, 1999 Centering around the life and times of the revered American sportswriter Grantland Rice 1880-1954 *How You Played the Game* takes us back to those magical days of sporting tales and mythic heroes Through Rice's eyes we behold such sports as bicycle racing boxing golf baseball football and tennis as they were played before 1950 We witness ups and downs in the careers of such legendary figures as Christy Mathewson Jack Dempsey Ty Cobb Babe Ruth Jim Thorpe Red Grange Bobby Jones Bill Tilden Notre Dame's Four Horsemen Gene Tunney and Babe Didrikson all of whom Rice helped become household names Grantland Rice was a remarkably gifted and honorable sportswriter From his early days in Nashville and Atlanta to his famed years in New York Rice was acknowledged by all for his uncanny grasp of the ins and outs of a dozen sports as well as his personal friendship with hundreds of sportsmen and sportswomen As a pioneer in American sportswriting Rice helped establish and dignify the profession sitting shoulder to shoulder in press boxes around the nation with the likes of Ring Lardner Damon Runyon Heywood Broun and Red Smith Besides being a first rate reporter Rice was also a columnist poet magazine and book writer film producer family man war veteran fund raiser and skillful golfer His personal accomplishments over a half century as an advocate for sports and good sportsmanship are astounding by any standard What truly set Rice apart from so many of his peers however was the idea behind his sports reporting and writing He believed that good sportsmanship was capable of lifting individuals societies and even nations to remarkable heights of moral and social action More than just a biography of

Grantland Rice How You Played the Game is about the rise of American sports and the early days of those who created the art and craft of sportswriting Exploring the life of a man who perfectly blended journalism and sporting culture this book is sure to appeal to all sports lovers or not

Rubinstein,2011-03-21 A companion to Rubinstein s celebrated study of English literature American Literature Root and Flower examines the lives and works of over fifty important American novelists poets and dramatists This two volume study is one of remarkable scope ranging from Hawthorne to the Harlem Renaissance from Poe to Pynchon It illuminates the relationship between the producers of American literature and their ever changing social and political contexts while emphasizing the current of critique and resistance that runs through the entire tradition Monthly Review Press is proud to present the first ever U S printing of this valuable and enlightening work

Robert Rossen Alan Casty,2013-03-13 This book calls for a re evaluation of the films of Robert Rossen Over a 30 year period he was the most accomplished writer and director who was also a longtime member of the Communist Party but his achievement has not been recognized his films have been belittled or ignored his legacy denied Rossen s films reflected his times and the American scene with a dramatic intensity and personal expression unmatched by any other filmmaker of the period The stages of his political journey from idealism about Communism to his rebellion against the Party s betrayal of those ideals influenced the rendering of his concerns and themes the flaws of human nature the complexities of motives the paradoxes of betrayal personal and political Yet Rossen testified against his fellow filmmakers and so his morals and character have been denounced his work diminished as fatally marred by his moral flaws The opposite is true Here is a thorough analysis of each of his 22 films and their place in the developing themes of his body of work It integrates this study of the films with a documented narrative of his relationship to the Party its history and conflicts its duplicities especially the relations of the Party and its followers to the oppressions of the Soviet Union And so it challenges the validity of the conventional wisdom about the moral issues of the blacklist period

Hollywood and Anticommunism John J. Gladchuk,2013-10-11 This work concentrates on tracing the evolution of the so called red menace phenomenon as a means of demonstrating the correlation between growing American paranoia and the success of the anticommunist campaign 1935 1955 The House Committee on Un American Activities 1947 investigation of Hollywood the nation s most visible industry served a critical role in conjuring up anti red hysteria and fanning the flames of virulent anticommunism Using conveniently unjust tactics the Committee painted targeted Hollywood personalities red and established the infamous blacklist certified proof in the minds of many that subversives were indeed conspiring from within A failed attempt on behalf of the Hollywood Ten to demonstrate the Committee s undemocratic nature allowed HUAC to forge ahead with its investigation and establish the anticommunist foundation upon which Joseph McCarthy would construct his campaign Hollywood and Anticommunism

stands as an important contribution to McCarthy era literature and should appeal to all interested in the early Cold War and the impact that unwarranted hysteria has had and continues to have on the growth and development of the nation

When Dempsey Fought Tunney Bruce J. Evensen, 1996 The 1926 heavyweight match pitting champion Jack Dempsey against challenger Gene Tunney was billed as the greatest battle since the Silurian Age and millions of Americans were determined not to miss it A record breaking crowd of 130 000 jammed the Philadelphia stadium where the fight was held while some 39 million radio listeners nationwide gathered at city centers storefronts drugstores athletic clubs and theaters to hear live coverage of the event No previous civic spectacle in the United States had drawn so many witnesses The making of that event not just the fight itself but the whole public frenzy that attended it is the subject of Bruce J Evensen s fascinating new book When Dempsey Fought Tunney examines the mass media s cultivation of celebrity during the Jazz Age Evensen shows how Jack Dempsey a Colorado hobo turned heavyweight boxer came to represent in popular iconography the last vestige of the raw pioneering spirit that had tamed the American wilderness Against the image of Dempsey as noble savage Evensen explains the press and fight promoters cannily contrasted that of Gene Tunney the urbane easterner who seemed to be everything Dempsey was not a scientific fighter all defense and strategy Dempsey and Tunney thus became in their different ways prime exemplars of the new celebrity culture that emerged during the early twentieth century Filled with entertaining details about great moments in boxing history the book also traces the journalistic developments such as the rise of the star sportswriter that played a critical role in creating and sustaining public excitement over sporting events The result is a colorful insightful account of America s appetite for heroes and spectacle as well as of the network of promotion and publicity that nurtures that appetite

The Gatsby Affair Kendall Taylor, 2018-08-08 The romance between F Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century From the beginning their relationship was a tumultuous one in which the couple s excesses were as widely known as their passion for each other Despite their love both Scott and Zelda engaged in flirtations that threatened to tear the couple apart But none had a more profound impact on the two and on Scott s writing as the liaison between Zelda and a French aviator Edouard Joazez Though other biographies have written of Joazez as one of Scott s romantic rivals accounts of the pilot s effect on the couple have been superficial at best In *The Gatsby Affair* Scott Zelda and the Betrayal That Shaped an American Classic Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective

Drawing on conversations and correspondence with Joann's daughter as well as materials from the Joann family archives Taylor sheds new light on this romantic triangle More than just a casual fling Zelda's tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author's most famous creation Jay Gatsby Were it not for Zelda's affair with the pilot Scott's novel might be less about betrayal and more about lost illusions Exploring the private motives of these public figures Taylor offers new explanations for their behavior In addition to the love triangle that included Joann Taylor also delves into an earlier event in Zelda's life a sexual assault she suffered as a teenager one that affected her future relationships Both a literary study and a probing look at an iconic couple's psychological makeup *The Gatsby Affair* offers readers a bold interpretation of how one of America's greatest novels was influenced [An Apprehension of Splendor](#)

Shawn Sudia-Skehan, 2025-05-31 At the 2017 gathering of the biannual F Scott Fitzgerald Society meeting in St Paul Minnesota a member of the society Shawn Sudia Skehan was asked to mount an exhibit of approximately 60 rare and never before published photographs of F Scott Fitzgerald Zelda Fitzgerald and their daughter Scottie Sudia Skeehan had shared many of the photographs the fruits of her own avocational research with the noted Fitzgerald scholars Jackson R Bryer and Kirk Curnutt who are respectively the president and executive director of the Fitzgerald Society They were astonished by what Sudia Skehan had found a wealth of candid images that seemed to be entirely new to even the most seasoned Fitzgerald scholars and researchers The exhibit was a tremendous success and shortly thereafter both Dr Bryer and Dr Curnutt contacted the Press to suggest that we work with Sudia Skehan on the publication of these newly discovered images The author had in fact discovered almost twice as many as were exhibited at the conference by combing through archives at Princeton University the University of South Carolina libraries Yale University's Beinecke Library the Alabama Department of Archives and History and a number of other institutional repositories A number of the images had been overlooked or buried many others came from the archives of close friends and associates of the Fitzgeralds whose own papers had never been scrutinized specifically for photographs of the Fitzgeralds These are intimate candid and personal photographs from the childhoods of both Scott and Zelda through their teenage years the tumultuous years of their marriage both in the United States and abroad and through their daughter Scottie's birth and emergence into adulthood The original conception of the book was for a simple selection of 80 to 120 photographs accompanied by the author's captions But as the project evolved through multiple drafts and the discovery of many more new and rare photographs along with the clear need for more detailed contextualization to make sense of each image in the larger arc of the Fitzgeralds' lives the project evolved into a true pictorial biography of the trio The Press now plans to publish a book of approximately 300 photographs Of those 180 have never before been published Most of the others have appeared occasionally but rarely As Jackson Bryer noted in his review of the latest draft she includes almost none of the iconic Fitzgerald photos with which we are all familiar Because the author is neither a credentialed scholar critic or historian but rather a deeply committed avocational student of the

Fitzgeralds art and lives Drs Bryer and Curnutt have reviewed and advised Sudia Skehan at each stage of the project s development correcting factual errors in her narrative suggesting additional context for certain images counseling for the inclusion of certain images and against others With their oversight Bryer has agreed to provide a scholarly introduction to the volume the Press feels assured that we will be publishing a pictorial biography of these legendary figures in American letters that will be a revelation to seasoned Fitzgerald scholars and an ideal accessible introduction to any lay reader with an interest in learning more about these rich complex figures and the storied lives they led *Hungers and Compulsions* Jean Petrucelli,Catherine Stuart,2011-12-29 This book will help therapists understand and treat patients suffering from mild to dangerous forms of eating disorders as well as other compulsions and addictions such as alcoholism and erotic attachments The chapters help therapists think creatively about these types of patients and to see the effects of treatment The problems that arise in therapy are explored in essays about dissociation self regulation self destructive behavior enactment and other clinical issues *Communism in Hollywood* Alan Casty,2009 Drawing on newly available material Casty illustrates the control by the international Communist movement and the role of the Hollywood Communists themselves in fomenting the intense hostilities of the period Casty juxtaposes the actions and statements of those who testified and named names before HUAC with Communists who refused to testify and remained silent about the atrocities of the Soviet Union By providing a scrupulous account of the full scope of the Communist Party in Hollywood this book presents a more accurate picture of the moral quandaries faced during this dark period in American history BOOK JACKET *The Continuum Encyclopedia of American Literature* Steven R. Serafin,Alfred Bendixen,2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **War and Democracy: A Comparative Study of the Korean War and the Peloponnesian War** David R. McCann,Barry S. Strauss,2015-03-04 A comparison of the cultural and political institutional dimensions of war s impact on Greece during the Peloponnesian War and the United States and the two Koreas North and South during the Korean War It demonstrates the many underlying similarities between the two wars *Ronald Reagan in Hollywood* Stephen Vaughn,1994-01-28 Explores the relationship between the motion picture industry and American politics
