Selden Pratt, 1924 **Roger Smalley: A Case Study of Late Twentieth-Century Composition** Christopher
Mark, 2016-04-08 How does one go about writing the history of musical composition in the late twentieth century when on
the one hand so much of it seems impossibly fractured and disassociated and on the other there has been so little certainty
about what the notion of music history might entail under the critiques of post modernism One of the most productive ways
forward is to pursue case studies involving single composers whose music reflects several aspects of recent activity This
enables the discussion of broad issues in a relatively focussed way whilst avoiding the pitfalls of traditional narrative histories
and the centrifugal tendencies of the relativistic approach that some have called for The music of the English born 1943 and
Australia domiciled composer Roger Smalley is ideal material for such a study because of his involvement with and response
to an unusually large number of the myriad concerns and practices of post 1950s composition including post serial
constructivism parody electro acoustic composition and the electronic modification of conventionally produced sound
Moment Form aleatorism minimalism the use of non Western resources Aboriginal and South East Asian sonorities neo
Romanticism and arguably the new classicism as well as a brief flirtation with rock music in the late 60s Employing an
interview with the composer as a kind of cantus firmus the book the first extended single author study of Smalley s music to
be published incorporates critical commentary on the composer s major works in a chronological narrative that engages with
broad issues of central relevance to Smalley s generation such as the process of learning the craft of composition in the early
60s the motivation behind the adoption of certain technical and aesthetic positions the effects on technical and aesthetic
orientation of both the changing relationships between composer performer and audience and technological change and the
distinction betwe **Meet Your Playful Mind Volume 2** Mark Abraham, 2011-05-25 **The Polish Biographical**

windshield wi Using the Stanislavsky System Robert Blumenfeld,2008-02 Suitable for professional and student actors and for acting teachers this book explains how to create a character in plays of various period using the Stanislavsky system It also covers the way men and women moved stood and sat in the clothing they wore and the use of accessories such as fans swords snuffboxes gloves and hats In Spirit and in Truth Melva Wilson Costen,2004-01-01 Costen concludes by offering models and suggestions for helping those who plan worship to listen for the leading of the Holy Spirit and ultimately challenges music and worship leaders to reclaim traditional African American spirituality and its presence in the music experienced in African American worship BOOK JACKET *The Lute in the Netherlands in the Seventeenth Century* Jan W.J. Burgers,Tim Crawford,Matthew Spring,2016-08-17 The lute played a central role in the rich musical culture of the seventeenth century Golden Age of the Dutch Republic Like the piano in the nineteenth century the lute was not just a popular instrument for solo music making but was also used widely in ensembles and to accompany singers Though mainly an instrument of the social elite and the aristocracy it was also played by the numerous and prosperous burgher class The first part of the book deals with psalm settings for the lute the way professional lutenists coped with the harsh rules of the free market Leiden as a veritable international lute centre and the different types of lutes that can be reconstructed on the basis of the Dutch paintings of the period The second part of the book is dedicated to Constantijn Huygens 1596 1687 the well known poet and statesman and avid player of and composer for the lute The third and final section deals with Dutch sources of lute music printed as well as those in manuscript Taken together this volume provides a broad and many layered overview of the lute in the seventeenth century Collectively the articles will further the reader s understanding of the lute in its social and cultural context not only in the Netherlands but also on the wider European canvas **Victorian Songhunters** E. David Gregory,2006-04-13 Victorian Songhunters is a pioneering history of the rediscovery of vernacular song street songs that have entered oral tradition and have been passed from generation to generation in England during the late Georgian and Victorian eras In the nineteenth century there were four main types of vernacular song ballads folk lyrics occupational songs and national songs The discovery collecting editing and publishing of all four varieties are examined in the book and over seventy five selected examples are given for illustrative purposes Key concepts such as traditional balladry broadside balladry folksong and national song are analyzed as well as the complicated relationship between print and oral tradition and the different methodological approaches to ballad and song editing Organized chronologically Victorian Songhunters sketches the history of English song collecting from its beginnings in the mid seventeenth century focuses on the work of important individual collectors and editors such as William Chappell Francis J Child and John Broadwood examines the growth of regional collecting in various counties throughout England and demonstrates the considerable efforts of two important Victorian institutions the Percy Society and its successor the Ballad Society The appendixes contain discussions on interpreting songs an assessment of relevant secondary sources and a bibliography and alphabetical song list

Author E David Gregory provides a solid foundation for the scholarly study of balladry and folksong and makes a significant contribution to our understanding of Victorian intellectual and cultural life **Judith Gautier** Bettina Liebowitz Knapp, 2004
This literary biography details the life of Judith Gautier 1845-1917. Gautier, daughter of celebrated author Théophile Gautier and opera star Ernesta Grisi, carved a special niche in the literary world. Gautier was not only the first woman elected to the prestigious Goncourt Academy but she was also nominated as Chevalier of the Legion of Honor.
