The Last Cannibals A South American Oral History

Neil L. Whitehead

The Last Cannibals A South American Oral History:

The Last Cannibals Ellen B. Basso, 1995-04-01 Third book in a series on Kalapalo narrative discourse uses nine stories collected between 1967-82 to interpret Kalapalo history. Primarily concerned with what these stories can tell us about a particular native history, how individuals are remembered and meanings given to decisions and choices made in the past. *Handbook of Latin American Studies* v 58

The Last Cannibals Ellen B. Basso, 2010-07-22 An especially comprehensive study of Brazilian Amazonian Indian history. *The Last Cannibals* is the first attempt to understand through indigenous discourse the emergence of Upper Xing society. Drawing on oral documents recorded directly from the native language, Ellen Basso transcribes and analyzes nine traditional Kalapalo stories to offer important insights into Kalapalo historical knowledge and the performance of historical narratives within their nonliterate society. This engaging book challenges the familiar view of biography as a strictly Western literary form. Of special interest are biographies of powerful warriors whose actions led to the emergence of a more recent social order based on restrained behaviors from an earlier time when people were said to be fierce and violent. From these stories, Basso explores how the Kalapalo remember and understand their past and what specific linguistic, psychological, and ideological materials they employ to construct their historical consciousness. Her book will be important reading in anthropology, folklore, linguistics, and South American studies.

Oral History in Latin America David Carey Jr, 2017-03-27 This field guide to oral history in Latin America addresses methodological, ethical, and interpretive issues arising from the region's unique milieu. With careful consideration of the challenges of working in Latin America, including those of language, culture, performance, translation, and political instability, David Carey Jr provides guidance for those conducting oral history research in the postcolonial world. In regions such as Latin America, where nations that have been subjected to violent colonial and neocolonial forces continue to strive for just and peaceful societies, decolonizing research and analysis is imperative. Carey deploys case studies and examples in ways that will resonate with anyone who is interested in oral history.

Histories and Historicities in Amazonia Neil L. Whitehead, 2003-01-01 Anthropologist Neil L. Whitehead presents a collection of recent fieldwork and the latest theoretical perspectives that illuminate how a range of Native communities in the Amazon River basin and those they encounter use the past to make sense of their world and themselves. In recent decades, scholars have become increasingly aware of the role the past plays in the construction of culture and identity. Not only can the past be represented and codified overtly in various ways and media as a history; it also operates more fundamentally and pervasively in cultures as a mode of consciousness or way of thinking about the world, a historicity. In addition to examining the particular foundations and significance of history and historicity in such communities as the Guaj Wapishana, Dekuana, and Patamuna, the contributors to this volume consider more broadly how different natural and cultural features can help shape historical consciousness, landscape, and territory; rituals such as feasting, genealogy, and kinship; and even the practice of archaeology. Also of interest are activist uses of historicity to promote and legitimize the

cultural integrity and political agendas of Native communities especially in contact situations past and present where multiple and often competing forms of history and historicity play important political roles in articulating relations between colonizers and the colonized As this volume makes clear understanding the powerful cultural role of the past helps scholars better appreciate the inherent dynamic quality of all cultures and recognize a rich resource of agency that can be used both to comprehend and to transform the present

An Amazonian Myth and Its History Peter Gow, 2001 Peter Gow unites the ethnographic data collected by the fieldwork methods invented by Malinowski with Levi Strauss's analyses of the relations between myth and time His book is an analysis of a century of social transformation in an indigenous Amazonian society the Piro people of Peruvian Amazonia taking as its starting point a single myth told to the author by a Piro man Gow explores Piro history and ethnography outwards into the domains of myth telling in general and following the logic of certain important myths further out into important domains of Piro experience such as visual art shamanry and girls initiation ritual All of these domains like the myths themselves have been demonstrably changing over the period since the 1880s The book then shows how these changes are in fact transformations of transformations changes in social forms that are intrinsically about change The logic of these changes are then followed through the historical circumstances of Piro people from the 1880s to the 1980s to show how the intrinsically transformational nature of Piro social forms led them to respond in the ways that they did to the coming of rubber bosses missionaries and film makers This book makes an important contribution to debates in anthropology on the nature of history and social change as well as addressing neglected areas such as myth visual art and the methodological issues involved in addressing fieldwork and archival data

The Lowland South American World Casey High, Luiz Costa, 2024-12-12 The Lowland South American World showcases cutting edge research on the anthropology of Lowland South America providing both an in depth knowledge of Lowland South American life ways and engaging readers in urgent social environmental and political issues in the contemporary world Covering the vast expanse of a region that includes all of South America except for the Andes its 40 chapters engage with questions of what Lowland South America means as a geographical designation both in studies of Indigenous Amazonian peoples and other lowland areas of the continent They emphasize the multiple ways that local practices and cosmologies challenge conventional Western ideas about nature culture personhood sociality community and Indigenous people Some of the region's well known contributions to anthropology such as animism perspectivism and novel approaches to the body are updated here with new ethnography and in light of the varying political situations in which the region's peoples find themselves With contributions by authors from 15 different countries including a number of Indigenous anthropologists and activists this book will set the agenda for future research in the continent The Lowland South American World is a valuable resource for scholars and students of anthropology Latin American studies and Indigenous studies as well as history geography and other social sciences

The Cambridge History of the Native Peoples of the Americas Bruce G. Trigger, Wilcomb E.

Washburn, Richard E. W. Adams, Frank Salomon, Stuart B. Schwartz, 1996 Library holds volume 2 part 2 only **The Wanano Indians of the Brazilian Amazon** Janet M. Chernela, 2010-01-01 The Wanano Indians of the northwest Amazon have a social system that differs from those of most tropical forest tribes Neither stratified by wealth nor strictly egalitarian Wanano society is ranked according to rigidly bound descent groups In this pioneering ethnographic study Janet M Chernela decodes the structure of Wanano society In Wanano culture children can be grandparents while elders can be grandchildren This apparent contradiction springs from the fact that descent from ranked ancestors rather than age or accumulated wealth determines one's standing in Wanano society But ranking's impulse is muted as senior clans considered to be succulent referring to both seniority and resource abundance must be generous gift givers In this way resources are distributed throughout the society In two poignant chapters aptly entitled Ordinary Dramas Chernela shows that rank is a site of contest resulting in exile feuding personal shame and even death Thus Chernela's account is dynamic placing rank in historic as well as personal context As the deforestation of the Amazon continues the Wanano and other indigenous peoples face growing threats of habitat destruction and eventual extinction If these peoples are to be saved they must first be known and valued The Wanano Indians of the Brazilian Amazon is an important step in that direction **Fifty Years of Good Reading** University of Texas Press, 2000 50 years since founding the University of Texas they have witnessed major evolutions in the world of publishing **Scoping the Amazon** Stephen Nugent, 2016-07 Savage cannibal or utopian proto environmentalist Nugent examines both popular images of Amazon peoples in film and general books as well as changing anthropological views of the rainforest and its people *The Lost City of Z* David Grann, 2009-08-10 NOW A MAJOR FILM STARRING ROBERT PATTINSON CHARLIE HUNNAM AND SIENNA MILLER The story of Colonel Percy Harrison Fawcett the inspiration behind Conan Doyle's *The Lost World* Fawcett was among the last of a legendary breed of British explorers For years he explored the Amazon and came to believe that its jungle concealed a large complex civilization like El Dorado Obsessed with its discovery he christened it the City of Z In 1925 Fawcett headed into the wilderness with his son Jack vowing to make history They vanished without a trace For the next eighty years hordes of explorers plunged into the jungle trying to find evidence of Fawcett's party or Z Some died from disease and starvation others simply disappeared In this spellbinding true tale of lethal obsession David Grann retraces the footsteps of Fawcett and his followers as he unravels one of the greatest mysteries of exploration A riveting exciting and thoroughly compelling tale of adventure JOHN GRISHAM A wonderful story of a lost age of heroic exploration Sunday Times Marvellous An engrossing book whose protagonist could out think Indiana Jones Daily Telegraph The best story in the world told perfectly Evening Standard [Creating Africa in America](#) Jacqueline Copeland-Carson, 2012-03-13 With a booming economy that afforded numerous opportunities for immigrants throughout the 1990s the Twin Cities area has attracted people of African descent from throughout the United States and the world and is fast becoming a transnational metropolis Minnesota's largest urban area the region now also has

the country's most diverse black population A closely drawn ethnography *Creating Africa in America* Translocal Identity in an Emerging World City seeks to understand and evaluate the process of identity formation in the context of globalization in a way that is also site specific Bringing to this study a rich and interesting professional history and expertise Jacqueline Copeland Carson focuses on a Minneapolis based nonprofit the Cultural Wellness Center which combines different ethnic approaches to bodily health and community well being as the basis for a shared translocal African culture The book explores how the body can become a surrogate locus for identity thus displacing territory as the key referent for organizing and experiencing African diasporan diversity Showing how alternatives are created to mainstream majority and Afrocentric approaches to identity she addresses the way that bridges can be built in the African diaspora among different African immigrant African American and other groups As this thoughtful and compassionate ethnographic study shows the fact that there is no simple and concrete way to define how one can be African in contemporary America reflects the tangled nature of cultural processes and social relations at large Copeland Carson demonstrates the cultural creativity and social dexterity of people living in an urban setting and suggests that anthropologists give more attention to the role of the nonprofit sector as a forum for creating community and identity throughout African diasporan history in the United States Space and Society in Central Brazil Elizabeth Ewart, 2020-05-27 Hailed once as giants of the Amazon Panar people emerged onto a world stage in the early 1970s What followed is a remarkable story of socio demographic collapse loss of territory and subsequent recovery Reduced to just 79 survivors in 1976 Panar people have gone on to recover and reclaim a part of their original lands in an extraordinary process of cultural and social revival *Space and Society in Central Brazil* is a unique ethnographic account in which analytical approaches to social organisation are brought into dialogue with Panar social categories and values as told in their own terms Exploring concepts such as space material goods and ideas about enemies this book examines how social categories transform in time and reveals the ways in which Panar people themselves produce their identities in constant dialogue with the forms of alterity that surround them Clearly and accessibly written this book will appeal to students scholars and anyone interested in the complex lives and histories of indigenous Amazonian societies

Made from Bone Jonathan D. Hill, 2010-10-01 *Made from Bone* is the first work to provide a complete set of English translations of narratives about the mythic past and its transformations from the indigenous Arawak speaking people of South America Among the Arawak speaking Waku nai of southernmost Venezuela storytellers refer to these narratives as words from the primordial times and they are set in an unfinished space time before there were any clear distinctions between humans and animals men and women day and night old and young and powerful and powerless The central character throughout these primordial times and the ensuing developments that open up the world of distinct peoples species and places is a trickster creator *Made from Bone* who survives a prolonged series of life threatening attacks and ultimately defeats all his adversaries Carefully recorded and transcribed by Jonathan D Hill these narratives offer scholars of

South America and other areas the only ethnographically generated cosmogony of contemporary or ancient native peoples of South America Hill includes translations of key mythic narratives along with interpretive and ethnographic discussion that expands on the myths surrounding this fascinating and enigmatic character with broad appeal throughout various folkloric traditions *Fluent Selves* Suzanne Oakdale, Magnus Course, 2014-11-01 *Fluent Selves* examines narrative practices throughout lowland South America focusing on indigenous communities in Brazil Chile Ecuador and Peru illuminating the social and cultural processes that make the past as important as the present for these peoples This collection brings together leading scholars in the fields of anthropology and linguistics to examine the intersection of these narratives of the past with the construction of personhood The volume's exploration of autobiographical and biographical accounts raises questions about fieldwork ethical practices and cultural boundaries in the study of anthropology Rather than relying on a simple opposition between the Western individual and the non Western rest contributors to *Fluent Selves* explore the complex interplay of both individualizing as well as relational personhood in these practices Transcending classic debates over the categorization of myth and history the autobiographical and biographical narratives in *Fluent Selves* illustrate the very medium in which several modes of engaging with the past meet are reconciled and reemerge **Vital Diplomacy** Chloe Nahum-Claudel, 2017-11-01 In Brazil where forest meets savanna new towns agribusiness and hydroelectric plants form a patchwork with the indigenous territories Here agricultural work fishing songs feasts and exchanges occupy the Enawen naw for eight months of each year during a season called Yankwa *Vital Diplomacy* focuses on this major ceremonial cycle to shed new light on classic Amazonian themes such as kinship gender manioc cultivation and cuisine relations with non humans and foreigners and the interplay of myth and practice exploring how ritual contains and diverts the threat of violence by reconciling antagonistic spirits coordinating social and gender divides and channelling foreign relations and resources Animism beyond the Soul Katherine Swancutt, Mireille Mazard, 2018-04-23 How might we envision animism through the lens of the anthropology of anthropology The contributors to this volume offer compelling case studies that demonstrate how indigenous animistic practices concepts traditions and ontologies are co authored in highly reflexive ways by anthropologists and their interlocutors They explore how native epistemologies which inform anthropological notions during fieldwork underpin the dialogues between researchers and their participants In doing so the contributors reveal ways in which indigenous thinkers might be influenced by anthropological concepts of the soul and equally how they might subtly or dramatically then transform those same concepts within anthropological theory Amazonian Cosmopolitans Suzanne Oakdale, 2022-02 *Amazonian Cosmopolitans* focuses on the autobiographical accounts of two Brazilian Indigenous leaders Prepori and Sabino Kawaiwete men whose lives spanned the twentieth century when Amazonia increasingly became the context of large scale state projects Both give accounts of how they worked in a range of interethnic enterprises from the 1920s to the 1960s in central Brazil Prepori a shaman also gives an account of his relations with spirit beings that populate

the Kawaiwete cosmos as he participated in these projects Like other Indigenous Amazonians Kawaiwete value engagement with outsiders particularly for leaders and shamanic healers These social engagements encourage a careful watching and learning of others habits customs and sometimes languages what could be called a kind of cosmopolitanism or an attitude of openness leading to an expansion of the boundaries of community The historical consciousness presented by these narrators centers on how transformations in social relations were experienced in bodily terms how their bodies changed as new relationships formed Amazonian Cosmopolitans offers Indigenous perspectives on twentieth century Brazilian history as well as a way to reimagine lowland peoples as living within vast networks bridging wide social and cosmological divides **Dark**

Shamans Neil L. Whitehead, 2002-10-07 On the little known and darker side of shamanism there exists an ancient form of sorcery called kanaim a practice still observed among the Amerindians of the highlands of Guyana Venezuela and Brazil that involves the ritual stalking mutilation lingering death and consumption of human victims At once a memoir of cultural encounter and an ethnographic and historical investigation this book offers a sustained intimate look at kanaim its practitioners their victims and the reasons they give for their actions Neil L Whitehead tells of his own involvement with kanaim including an attempt to kill him with poison and relates the personal testimonies of kanaim shamans their potential victims and the victims families He then goes on to discuss the historical emergence of kanaim describing how in the face of successive modern colonizing forces missionaries rubber gatherers miners and development agencies the practice has become an assertion of native autonomy His analysis explores the ways in which kanaim mediates both national and international impacts on native peoples in the region and considers the significance of kanaim for current accounts of shamanism and religious belief and for theories of war and violence Kanaim appears here as part of the wider lexicon of rebellious terror and exotic horror alongside the cannibal vampire and zombie that haunts the western imagination Dark Shamans broadens discussions of violence and of the representation of primitive savagery by recasting both in the light of current debates on modernity and globalization **Teacher's Guide for Tiago, Explorer of Brazil** Alice

Lockmiller, 2010-04-12 A complementary resource for the historical fiction novel this guide is for experienced teachers of young people ages 10 12 Learn more about the history geography culture religion lifestyle heroes government medicine language alphabet writings art and music of this place and time Guides include age appropriate curriculum elements such as historical reading material worksheets writing projects puzzles arts crafts tests and timeline events

Adopting the Track of Expression: An Mental Symphony within **The Last Cannibals A South American Oral History**

In some sort of used by displays and the ceaseless chatter of fast conversation, the melodic beauty and emotional symphony developed by the published word usually disappear into the backdrop, eclipsed by the relentless noise and disturbances that permeate our lives. But, located within the pages of **The Last Cannibals A South American Oral History** a wonderful literary value full of raw feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, this captivating masterpiece conducts visitors on a mental journey, skillfully unraveling the hidden tunes and profound affect resonating within each carefully constructed phrase. Within the depths of the touching review, we shall explore the book is key harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

The Last Cannibals A South American Oral History Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Last Cannibals A South American Oral History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Last Cannibals A South American Oral History has opened up a world of possibilities. Downloading The Last Cannibals A South American Oral History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Last Cannibals A South American Oral History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Last Cannibals A South American Oral History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Last Cannibals A South American Oral History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading

The Last Cannibals A South American Oral History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Last Cannibals A South American Oral History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Last Cannibals A South American Oral History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Last Cannibals A South American Oral History is one of the best book in our library for free trial. We provide copy of The Last Cannibals A South American Oral History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Last Cannibals A South American Oral History. Where to download The Last Cannibals A South American Oral History online for free? Are you looking for The Last Cannibals A South American Oral History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Last Cannibals A South American Oral History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you

try this. Several of The Last Cannibals A South American Oral History are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Last Cannibals A South American Oral History. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Last Cannibals A South American Oral History To get started finding The Last Cannibals A South American Oral History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Last Cannibals A South American Oral History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Last Cannibals A South American Oral History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Last Cannibals A South American Oral History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Last Cannibals A South American Oral History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Last Cannibals A South American Oral History is universally compatible with any devices to read.
