The Last Of The Blue Devils:

The New English Drama: Blue devils William Oxberry,1822 *Go Blue Devils!* Jim Elworth,2011-11 Plattsmouth Nebraska lies at the confluence of the Platte and Missouri rivers The people of Plattsmouth are proud of their small town s rich history of their strength and determination as a community They also share something that larger towns cannot something that for generations has helped unite them and shape their very lives What they share is a community wide excitement on fall Friday nights the rush of a close game the heartbreaking losses the exhilaration of a big win what they share is the Plattsmouth Blue Devils *Go Blue Devils A History of Plattsmouth High School Football 1893 1979* by former Plattsmouth resident Jim Elworth presents a one of a kind account of a high school football team and the town that has rallied around it for more than one hundred years Elworth s comfortable and at times humorous prose brings us season after season of game day excitement rendered in detail from years of researching and writing But *Go Blue Devils* is more than a story of game scores It is a history of accomplished hard working down to earth townspeople It is a history of the town itself told through the exploits of local boys giving their all on the fields of sport It is a story of those local boys inspiring their community and going on to live rich positive and valuable lives *Blue Devils* George Colman,1822 *The Blue Devils in Italy* T/Sgt. John P. Delaney,2017-06-28 The 88th Division played a major role in the battle of Italy where it was rated by the Germans after the summer of 1944 as the best American division in Italy Because of the outstanding job it did in Italy the 88th contributed its share to the winning of the war It was the first of the draft infantry divisions to enter combat on any front in World War II and it was among the top divisions in the American Army It won its share of territory and honors during its 344 days of combat It paid dearly for all that it won it lost 15 173 officers and men killed wounded and missing in action Only thirteen other divisions in the U S Army suffered heavier losses The 88th fought its battles on what was called a forgotten front Some day history will appraise the true worth of the Italian campaign in the overall war picture Military historians will analyze and sift and publish detailed volumes on the operational contribution of the 88th in the battle for Italy This book is not a history in the true sense of the word It is not intended to be such It is rather the story of a combat division from its beginning to its end It is a story compiled both from official journals and from the personal experiences of the citizen soldiers who made up its squads and platoons It is a story which never can be told in every complete detail For every one of the incidents related here a reader can remember scores that are not found in these pages There are not enough words or paper to list them all The incidents related are considered to be representative of the experiences of the majority of 88th men
