Caswell, 2018-09-20 Reproduction of the original *The Path of Duty and Other Stories* by Harriet S Caswell *The Writing on the Wall and Other Stories* Penny Edwards, 2016-05-12 Peter Bayer was seventy three He'd taught at the school just up the road for most of his life and when the wall came down saw no reason to move Nobody could say life had been easy and when it was built he'd lost contact with many friends but he'd learnt to enjoy life as best he could and had had the good fortune of a happy marriage to Elsa It's 2006 Peter Bayer and his wife Elsa live on the East side of Berlin as they've always done even when that wasn't an attractive proposition What limits Peter's freedom nowadays isn't a concrete wall but often feels like one Elsa has dementia and barely recognises him so his life is not only hard work but it's lonely What makes it lonelier is that his wife's illness has given her a distorted view of the past and one that would horrify the woman he married When Helen a recently widowed English woman rents the flat Peter owns nearby he experiences the kinds of conversations that used to be normal for him which makes his current reality all the more painful Helen's come to Berlin to find out more about her husband's past in the city and learns things from their German

friends that she was unaware of when he was alive During her struggle to come to terms with her present life Helen sees that the terrible demands on Peter's life are almost impossible to endure Other stories in the book show the toll of war as fear is passed from one generation to another and we see how the power of secrecy never disappears They also reveal how gratitude can take various forms and how intergenerational friendships really are all they're cracked up to be *The Writing on the Wall* and *Other Stories* is a collection of tales spanning the 1980s to the present day that will appeal to fans of Anne Tyler Alan Bennett and Alice Munro whom Penny Edwards takes inspiration from
