The Last Of The Vikings:

The Last of the Vikings Charles Young,1895 *The Last Viking* Stephen R. Bown,2012-09-25 The Last Viking unravels the life of the man who stands head and shoulders above all those who raced to map the last corners of the world In 1900 the four great geographical mysteries the Northwest Passage the Northeast Passage the South Pole and the North Pole remained blank spots on the globe Within twenty years Roald Amundsen would claim all four prizes Renowned for his determination and technical skills both feared and beloved by his men Amundsen is a legend of the heroic age of exploration which shortly thereafter would be tamed by technology commerce and publicity F d in his lifetime as an international celebrity pursued by women and creditors he died in the Arctic on a rescue mission for an inept rival explorer Stephen R Bown has unearthed archival material to give Amundsen s life the grim immediacy of Apsley Cherry Garrard s *The Worst Journey in the World* the exciting detail of *The Endurance* and the suspense of a Jon Krakauer tale *The Last Viking* is both a thrilling literary biography and a cracking good story **The Last Viking** Don Hollway,2021-09-02 The Last Viking is a masterful and pulse pounding narrative that transports the reader into the middle of the action Carl Gnam Military Heritage Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance But from these humble origins he became one of Norway s most legendary kings The Last Viking is a fast moving narrative account of the life of King Harald Hardrada as he journeyed across the medieval world from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land until his warrior death on the battlefield in England Combining Norse sagas Byzantine accounts Anglo Saxon chronicles and even King Harald s own verse and prose into a single compelling story Don Hollway vividly depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion The Last of the Vikings John Bowling,2019-12-10 In *The Last of the Vikings* John Bowling skillfully navigates the turbulent waters of Norse mythology and history weaving a narrative that both informs and captivates Set against the backdrop of a rapidly changing world the book employs a lyrical prose style that infuses historical analysis with vivid storytelling Bowling delves into the socio political dynamics of Viking culture exploring themes of bravery exploration and the inevitable decline of a dominant civilization His meticulous research is paired with a rich tapestry of characters capturing the essence of their time while offering critical reflections on their legacy John Bowling a historian with a passion for Norse culture draws from a wealth of academic scholarship and personal travels through Scandinavia His fascination with Viking lore and historical events inspired him to create a narrative that bridges the past and present With a background in archaeology and folklore studies Bowling brings an authenticity to his portrayal of this legendary civilization seeking to understand not only the Vikings achievements but also their human vulnerabilities For readers interested in the intertwining of history and myth *The Last of the Vikings* is an essential read offering a profound understanding of a civilization that has long captured the human

imagination Bowling invites you to embark on a journey through time providing insights that resonate deeply with our current world thus making this book a compelling addition to both academic and casual literature collections [The Last of the Vikings](#) Henry Treece,1964 *The Last of the Vikings* John Bowling,2015-10-01 The Last of the Vikings by John Bowling Rousing action filled with espionage and fighting this is the tale of the last Viking raider with illustrations Original context and titles remain intact A truly amazing find of a book This book is a stirring and action packed tale The author has intelligently written this book and keeps the reader intrigued It is an amazing story of the last Viking raider with illustrations It involves many wars and raids The story is made up of the life and journey of the one son of the Viking king It is very well written and involves a lot of adventure The well thought out plot does justice to the story too and the characters are well woven into it There is not going to be a moment where the reader will be bored The interest is maintained by the good descriptions of the scenery by the author All in all though initially the story may seem a bit weak it catches up and keeps the reader glued right up till the end *The Vikings on Film* Kevin J. Harty,2014-01-10 Factual and fanciful tales of the Nordic warriors known as Vikings have proven irresistible to filmmakers for nearly a century Diverse prominent actors from Kirk Douglas Richard Widmark and Sidney Poitier to Tim Robbins and John Cleese and noted directors including Richard Fleischer Clive Donner and Terry Jones have all lent their talents to Viking related films These fourteen essays on films dealing with the Viking era discuss American British and European productions Analyzed in detail are such films as The Vikings 1958 The Long Ships 1964 Alfred the Great 1969 Erik the Viking 1989 and Outlander 2008 as well as two comic strip adaptations the 1954 and 1989 films of Prince Valiant and the animated Asterix and the Vikings 2006 A comprehensive filmography is also included *LEGEND OF THE LAST VIKINGS - Free Alternate Ending* John Halsted,2017-10-23 In 1066 upon the death of Edward the Confessor Harald Godwinson King of Norway challenged for the crown of England claiming it was his through his bloodline He led a large force of over 400 longships to England and after a few initial victories was defeated during the Battle of Stamford Bridge near York by Harold Godwinson Only 24 longships returned to Norway Two weeks later Harold Godwinson and his army exhausted by the forced march from York to Hastings were defeated William the Conqueror And the rest they say is history Or is it Questions remain What happened to the Vikings after Stamford Bridge Where did they go What did they do Well Legend of the Last Vikings is just one possibility But why an Alternate Ending When I started researching the book I was amazed to discover that the Silk Route was not just one route but instead a whole network of routes reaching from Eastern Europe and criss crossing Asia As such I had to decide which of these routes my characters would travel along Before I could make this decision I had to research the routes In doing so I found so much fascinating information on each trying to decide which route to travel was not easy Even though I eventually settled upon a route I did not want to waste potential stories so decided to write an alternate ending which in effect gives the reader a two for one Synopsis Chapters 1-33 I was going to give a summary of the chapters 1 to 33 but have decided that too much action

adventure character building and meaning would be lost in doing so so I have kept this to a minimum by providing the following synopsis On returning home to Norway after defeat at Stamford Bridge in 1066AD our hero Ulf Uspakson herald to King Harald Hadraada realises an era is over Then he remembers the story of a Swedish Viking Adventurer Yngvar Vittfarne Yngvar the Far Travelled who went missing on a journey to the East and in a last fling of youth decides to try and trace him somewhere on the Silk Route No easy task The alternate ending starts at Chapter 34 with the conclusion of the adventure in China s Taklamakan desert or is it After leaving Shanguo and crossing the Tien Shan mountains the crew as I affectionately call this motley group follow the course of the Jaxartes River Syr Darya to the Aral Sea in Kazakhstan They then cross the Karakum and Barsuki deserts they loop around the top of the Aral sea Approaching Astrakhan from the North East they are tired and weary after such an arduous journey As always trouble awaits and the crew will have to summon physical and mental strength from reserves hidden deep within themselves About the Book Itself A finalist in the Foreword Magazine Book of the Year Competition It has a 4 Star Amazon rating and reviews of the book can be found on the Amazon page as well
