The Last Revelation:

Systematic Theology Paul Tillich, 2012-11-30 A great voyage of discovery into a rich and deep and inclusive vision and understanding of human life in the presence of the mystery of God H Richard Niebuhr author of Christ and Culture This is the first part of Paul Tillich's three volume Systematic Theology one of the most profound statements of the Christian message ever composed and the summation and definitive presentation of the theology of the most influential and creative American theologian of the twentieth century In this path breaking volume Tillich presents the basic method and statement of his system his famous correlation of man's deepest questions with theological answers Here the focus is on the concepts of being and reason Tillich shows how the quest for revelation is integral to reason itself In the same way a description of the inner tensions of being leads to the recognition that the quest for God is implied in finite being Here also Tillich defines his thought in relation to philosophy and the Bible and sets forth his famous doctrine of God as the Ground of Being Thus God is understood not as a being existing beside other beings but as being itself or the power of being in everything God cannot be made into an object religious knowledge is therefore necessarily symbolic Beyond doubt the richest most suggestive and most challenging philosophical theology our day has produced John Herman Randall Jr author of The Making of the Modern Mind

The Complete Works of Count Tolstoy graf Leo Tolstoy, 1904 *The Theological Works of Leo Tolstoy* Leo Tolstoy, 2017-06-21 In the 1870s Tolstoy experienced a profound moral crisis followed by what he regarded as an equally profound spiritual awakening as outlined in his non fiction work A Confession His literal interpretation of the ethical teachings of Jesus centering on the Sermon on the Mount caused him to become a fervent Christian anarchist and pacifist Tolstoy's ideas on nonviolent resistance expressed in such works as The Kingdom of God Is Within You were to have a profound impact on such pivotal 20th century figures as Mohandas Gandhi Martin Luther King Jr and James Bevel

Gore,2011-12-05 Matters pertaining to our Lord s second coming heaven hell and associated topics are often set aside by Christians sometimes for very understandable reasons Dogmatic predictions based on bizarre calculations from the Bible and equally zealous disciples aggressively promoting their view point as the only right interpretation of Scripture have caused many believers to lose interest in this wonderful aspect of biblical truth In *A New Look at the Last Things* the reader will find a careful overview of various topics relating to the Last Things Different interpretations are discussed and the merits of each is evaluated enabling the reader to come to a fuller understanding of what the apostles taught concerning these matters *New Being* Kenan B. Osborne,2013-11-21 The following study on Tillich s theology is based on a doctoral dissertation presented to the Ludwig Maximilian University at Munich in December 1967 Tillich s theology however is not a simple structure to analyze since it is so systematically interrelated Certainly every major area of his theological system involves all other major areas and even the minor areas have complex ramifications to the total system itself The following pages therefore can only be construed as one among many viewpoints of his system Tillich s theological structure might be compared to a painting or some other work of art one must view it now from this direction now from that in order to appreciate the total effect Certain points should however be mentioned here First of all a key notion in this system is essentialization This concept rounds off and completes Tillich s entire work Unfortunately Tillich himself did not write extensively on this topic nor did he actually correlate it to the beginning and middle of his system although it expresses the final telos of his entire theological work I have drawn out of the Systematic Theology as

much as possible on the subject of essentialization and have tried to analyze it in light of other key concepts in his system
