The Priest In The Pew:

The Priest in the Pew Richard J. Tlapa, 1986 *The Priest in the Pew* Richard J. Tlapa, 1985 The View from the Pew Alex A. Meñez, 2021-03-11 Love stories are always captivating And when it is the love story of a catholic priest it is intriguing This book is about the love story of two priests Both stories reveal their pain and struggles to decide against a law imbedded for centuries in the solid structure of an institution and in the cultural psyche of both laity and clergy In the end love and grace triumph From a peer review A highlight of this book is my reformist concern related to clerical behavior And I speak from my experience and expertise of forty years in the ministry Ecclesiastics should know that when I left the service of the altar I bore no bitterness or regret I am therefore their best ally to tell them the truth in love An added weight for my credibility is because my observations are based mostly on the pronouncements of Pope Francis The book will make some clerics uncomfortable Many will find it comforting and uplifting All will find it a good resource for reflection and a compelling guide for examination of conscience to hopefully bring about the clergy reform in attitude and lifestyle I have a chapter on celibacy Some will ask what more is there to talk about this topic And I say because I present celibacy with a focus on chastity Celibacy without chastity is a farce Perhaps someday the church will change its law on celibacy definitely not in my lifetime But it will This book will tell you why This book can be used as a primer in the seminary formation program As Cardinal Robert Sarah has warned The Christian priesthood is going through a major crisis and at the root of this quagmire is a deep flaw in their formation The laity will benefit from this book especially among the churchgoing those engaged in religious formation those in search of their faith s relevance or simply the spiritually hungry and the families and friends of priests all over the world The book strongly emphasizes the equality in dignity of all Christian faithful clergy and lay based on the grace of baptism This will help the laity value and uphold their proper role viz that together they build up the Church of Jesus Christ The Vatican Battle of Bishops: A View from The Pew Gil Gadzikowski, 2023-11-15 THE VATICAN BATTLE OF BISHOPS A VIEW FROM THE PEW There are two problems with the Catholic Church the Hierarchy thinks they own the Church and the pew Catholic is too comfy in his cushioned pew The Catholic Laity have been enablers of the Hierarchy The basic and formal difference is that the Hierarchy sees they own the Holy Spirit In general the lay folks have had their voices ignored The Bishops of Vatican II have decreed and Pope Francis has issued a formal invitation to the pews to present their thoughts Invited to speak the pew Catholics voice their inspirations The Hierarchy most disdain the Faithful s inspirations That suggests a Vatican Battle Bishops defending the status quo versus Bishops defending the pews Three factors explain why the Church Hierarchy does not listen to the Holy Spirit from the pews The Hierarchy is not open to becoming They view the status quo as sacred Second the Hierarchy is truly convinced they constitute the Church The oils of Holy Orders mark the anointed with the special gifts needed to guide God s society Finally the Hierarchy has traditionally been a caste of privilege The Roman Emperor Constantine gave the clerics official Roman rank which in turn offered a paycheck The clergy were no

longer required to work for a living alongside the regular believers They lost touch with all the other believers In their minds the ordained are above listening to the laity In the pews Catholics have long been second class citizens They need question how did the Hierarchy arrive at their status The Roman Emperor Constantine saw the community minded Christians as a unifier for his empire and made all clergy officials of the State The clergy were the ones who had the time and leisure to make memorial meal arrangements That s when the clergy took on a culture of clericalism i e The clergy own the Church and the Holy Spirit through ordination That was Ancient Rome Now priests are abusing the innocence of the youth Pope Francis calls that Church a bride caught in adultery In Biblical terms the use of adultery is reserved for the Jews when they went off to worship other gods idolatry Pope Francis asserts the Hierarchy worshipped a false god They worshiped their ordained only church a sham church trying to keep the appearance of Holy They were covering up the sin also legal crime of priests who abused children to fake holy What about the People of God when all of this was going on Did they just sit there The answer is yes and no Most pew Catholics did nothing because most did not know what was really going on Some heard but concluded it must be a lie from some disgruntled Catholic trying to make trouble for one of the priests These Laity were true enablers of the Hierarchy to sin But the Holy Spirit managed to alert some of the Catholics They followed up on what they had heard Trust but verify When they learned of the abuse they warned their pastors and Bishops about the problem priests Their pastors and Bishops went numb denied hid the abuse and some Bishops had their law team actually dishonor the victims in courts of law Again the Holy Spirit did not allow silence to cover the snub the Hierarchy had dealt the Spirit s counsel An offended Spirit counseled Pope Francis to call for a Synodal Process to allow the pew Catholics voice Because the pew Catholics had listened to the Holy Spirit the Paraclete now favored them with the spiritual opportunity of a Synod Thus the pew Catholic had a chance to speak The agenda for the Bishops is out The issues are clearly controversial women priests optional priest celibacy foundations of sexual morality divorced remarried catholics for The Vatican Battle Of Bishops

Blood on a Pew W. S. Gaines, 2011-07 On June 18 2003 at two thirty in the morning my eldest son Billy fell through the tile ceiling of a church crashing into a hard wooden pew thirty feet below At the time he was temporarily staying in the shuttered convent of this Catholic church located just outside Pittsburgh and was attending a late night party in the church rectory with a few of his University of Pittsburgh football teammates and the parish priest The priest hosted the event and provided the alcohol Every one of the football players in attendance including my son was underage Tragically later the same day Billy was pronounced brain dead at Mercy Hospital in Pittsburgh He was nineteen years old Billy Gaines was a gifted athlete and promising wide receiver on the University of Pittsburgh football team His untimely death shook his father Bill Gaines to the core He felt grief as any parent would after the loss of a child He also felt anger not just toward the priest who provided alcohol to Billy that tragic night but also toward God for letting Billy die As the details surrounding his son s death surfaced Bill faced some tough questions What was Billy doing in a church crawlspace at two thirty in the morning Who was

responsible for Billy's death. What could he as a father have done to prevent Billy's death? Why did God allow Billy to die? As Bill Gaines puts the pieces together and tries to find answers to his questions, he finds himself on a spiritual journey. Join him as he finds healing and forgiveness in his faith and learns what led to Blood on a Pew.

The Stranger's Pew Thomas Nelson Page, 1914. *The Priest's Prisoner* Robert K. Ryniker, 2023-12-14. Robert's narrative delves into the often neglected aspects of World War II, spotlighting the sacrifices and adaptations of American citizens on the home front. The story emphasizes the transformation of industries, the crucial role of women symbolized by Rosie the Riveter, and the societal shifts caused by the departure of millions of men to the front lines. It provides a unique perspective on daily life changes, rationing, and the challenges faced by families, religious leaders, and the Church in supporting the war effort while navigating the human cost of conflict.

A provocative page-turner full of Da Vinci Code-esque intrigue. Marie Claire. From the author of *Nina*, *Adolescence* comes a factually based, lyrically enthralling novel about the forbidden love between a woman and a holy man and the terrible secret that poses an even greater threat to their faith. In 1896, a priest in southern France suddenly gained immense wealth. This much is historically true, but no one knows where the money came from. At his death, the priest's secret was buried with him. But there was a young woman, his housekeeper and lover, Marie Darnaud, who may have known the truth. Marie Darnaud was only a girl when the charismatic priest Benger first captivated her. As a woman, she became his housekeeper and struggled with guilt over their illicit relationship. But as their affection deepened, Benger grew secretive, and Marie had to learn why. What she discovers is a shocking secret that she becomes responsible for concealing. Impressively researched and deftly written, a suspenseful story of love and religion. Curtis Sittenfeld, bestselling author of *Prep*, *Vivid*, and *affecting*. Booklist.
