The Killing Of The Tinkers:

The Killing of the Tinkers Ken Bruen, 2004-01-23 A man who's given up on life finds life in helping a kindred spirit

The Killing of the Tinkers Ken Bruen, 2014-01-02 *The Killing of the Tinkers* Ken Bruen, 2005-03 Back in Galway and back to his old drinking habits Jack Taylor agrees to assist a gypsy in an investigation into the deaths of a number of members of the gypsy clan deaths that the Guards the Irish police are reluctant to investigate *Transcultural Insights into Contemporary Irish Literature and Society* María Amor Barros-del Río, 2024-07-19 *Transcultural Insights into Contemporary Irish Literature and Society* examines the transcultural patterns that have been enriching Irish literature since the twentieth century and engages with the ongoing dialogue between contemporary Irish literature and society Driven by the growing interest in transcultural studies in the humanities this volume provides an insightful analysis of how Irish literature handles the delicate balance between authenticity and folklore and uniformisation and diversity in an increasingly globalised world Following a diachronic approach the volume includes critical readings of canonical Irish literature as an uncharted exchange of intercultural dialogues The text also explores the external and internal transcultural traits present in recent Irish literature and its engagement with social injustice and activism and discusses location and mobility as vehicles for cultural transfer and the advancement of the women's movement A final section also includes an examination of literary expressions of hybridisation diversity and assimilation to scrutinise negotiations of new transcultural identities In the light of the compiled contributions the volume ends with a revisitation of Irish studies in a world in which national identity has become increasingly problematic This volume presents new insights into the fictional engagement of contemporary Irish literature with political social and economic issues and its efforts to accommodate the local and the global resulting in a reshaping of national collective imaginaries *The Dragon Tattoo and Its Long Tail* David Geherin, 2012-02-15 The enormous popularity of Stieg Larsson's Millennium trilogy has raised awareness of other contemporary European authors of crime fiction As a result several of these novelists now reach a receptive American audience eager for fresh perspectives in the genre This critical text offers an introduction to current European crime writing by exploring ten of the best new crime and mystery authors from Sweden Stieg Larsson and Henning Mankell Norway Karin Fossum and Jo Nesbo Iceland Arnaldur Indridason Italy Andrea Camilleri France Fred Vargas Scotland Denise Mina and Philip Kerr and Ireland Ken Bruen who are reshaping the landscape of the modern crime novel Instructors considering this book for use in a course may request an examination copy here *The Emerald Lie* Ken Bruen, 2016-09-06 An Irish crime novel featuring ex cop Jack Taylor from an author among the most original and innovative noir voices of the last two decades Los Angeles Review of Books In *The Emerald Lie* the latest terror to be visited upon the dark Galway streets arrives in a most unusual form a Cambridge graduate who becomes murderous over split infinitives dangling modifiers and any other sign of bad grammar Meanwhile Jack is approached by a grieving father with a pocketful of cash on offer if Jack will help exact revenge on those responsible for his

daughter's brutal rape and murder Though hesitant to get involved Jack agrees to get a read on the likely perpetrators But Jack is soon derailed by the reappearance of Emily previous alias Emerald the chameleon like young woman who joined forces with Jack to take down her pedophile father in Green Hell and who remains passionate clever and utterly homicidal She will use any sort of coercion to get Jack to conspire with her against the serial killer the Garda have nicknamed the Grammarian but her most destructive obsession just might be Jack himself Nobody writes like Ken Bruen with his ear for lilting Irish prose and his taste for the kind of gallows humor heard only at the foot of the gallows Marilyn Stasio The New York Times Book Review Shadows in the White City Robert W. Walker,2009-10-06 The nation and the world gaze in awe at Chicago's magnificent White City in this summer of 1893 But Inspector Alastair Ransom sees the rot beneath the splendor of the great Exposition and he is consumed with an overpowering need for vengeance The Phantom of the Fair a blood thirsty fiend who nearly added Ransom to his ever growing list of slaughtered victims is still lurking somewhere in the shadows of Ferris's gargantuan Wheel And to end the maniac's reign Ransom refuses to play by the rules established by the police brass and the corrupt politicians appointing himself judge jury and executioner But white hot hatred and zealous fury can blind a determined manhunter to a more terrible truth And dangerous missteps may lead to even greater bloodshed

City of the Absent Robert W. Walker,2009-10-06 Chicago's magnificent White City will soon be fading into memory As the grand Exposition of 1893 reaches its final day the metropolis is rocked by the public assassination of its popular mayor In the chaos that ensues another murder the savage slaughter of a Pinkerton agent posing as a prostitute in a seedy slum alleyway goes virtually unnoticed except by police inspector Alastair Ransom An avenging angel haunted by the ghosts and mistakes of his past Ransom called the slain detective Nell Hartigan friend and his unorthodox inquiries into her murder are pointing him toward a fiend who's targeting the city's most unremarkable and disposable citizens But in a great urban slaughterhouse where foul corruption festers in every dark corner Ransom will find himself accused of the one crime he did not commit and facing the final judgment of the hangman's noose Citizen Vince Jess Walter,2012-05-29 From the highly acclaimed new crime novelist a story of witness protection petty thievery local politics and murder set against the turbulent backdrop of the 1980 presidential election It's the fall of 1980 the last week before the presidential election that pits the downtrodden Jimmy Carter against the suspiciously sunny Ronald Reagan In a seedy suburban house in Spokane a small time crook formerly from New York Vince Camden pockets his weekly allotment of stolen credit cards and heads off to his witness protection job at a donut shop At the shop he takes a shine to a regular named Kelly who works for a local politician Somehow he finds himself and the politician in a parking lot at three in the morning giving the slip to a couple of menacing thugs And then he crosses the path of a young detective and discovers his credit scam partner lying dead in his passport photo office with a Cheerio size bullet hole in his head No one writing crime novels today tells a story or sketches a character with more freshness or élan than Jess Walter Citizen Vince is his funniest and grittiest book yet **City for Ransom** Robert W. Walker,2009-10-06

Welcome to Chicago 1893 where new wonders are being unveiled and a monster feeds on the unsuspecting Tens of thousands are flocking to a bustling wind swept metropolis in the middle of America for the great Exposition of 1893 to see the future and to ride Mr Ferris's remarkable wheel A city of hope and hardship has caught the attention of the world and a maniacal killer has made it his hunting ground Inspector Alastair Ransom carries the burden of the dead on his shoulders But a demon far worse than Ransom's own is loose a bloodthirsty killer who preys on Chicago's most vulnerable citizens his grisly handiwork masked by the glitter and frenzy of the World's Fair But a haunted detective doesn't realize how desperate his search has become for each passing hour brings the slayer closer to his next intended victim Alastair Ransom The Jack Taylor Series, Books 1-3 Ken Bruen, 2015-12-15 Ken Bruen's explosive Jack Taylor series set in the streets of Galway place him among the greats of modern crime fiction Now for the first time the first three books in the series are available as an eBook bundle The Guards Ousted from the Guards Ireland's police force Jack Taylor is stuck in Galway with nothing to look forward to until a dazzling woman walks into the bar with a strange request and a rumor about Jack's talent for finding things But when Jack agrees he has little idea of what he's getting into The Killing of the Tinkers Jack's back in Galway a year later falling into his old patterns But a big gypsy arrives one day during a moment of Jack's clarity and changes all that Young men of his band are turning up dead in the center of town Jack agrees to look into it knowing but not admitting that getting involved is going to lead to more bad than good The Magdalen Martyrs Jack Taylor receives a call from Bill Cassell a hard man that Jack owes a favor asking him to track down a woman now either dead or very old When Jack drags his feet Bill's goons come for him and it becomes clear finding this woman is his only chance to stay alive The Disappeared Pádraig Ó Ruairc, 2024-02-01 The spectre of The Disappeared those abducted by the IRA secretly executed and their bodies buried in bogs lakes and woodlands has overshadowed the debate around the legacy of the Troubles in Northern Ireland for the last two decades This book the first of its kind uncovers the extent to which forced disappearances were part of the violent political conflicts that blighted Ireland for 200 years Succeeding where attempts by the PSNI journalists and other historians had failed Ruairc's research led to the identification and recovery of a British soldier killed by the IRA He reveals in this book the location of several other bodies that remain to be exhumed The Disappeared cuts through the exaggeration and myth that pervade the popular history of the Irish struggle for freedom The author examines the role of leading Irish politicians in these killings and challenges the commonly held belief that the Provisional IRA disappeared more victims than the Good Old IRA of the War of Independence Behind each disappearance there is a face a life story and a family left searching for answers Ruairc deftly incorporates this human element paying tribute to those who were disappeared on both sides of the conflict

The Devil Ken Bruen, 2010-08-31 In the next book in Ken Bruen's legendary private investigator series Jack Taylor faces his most challenging opponent yet in this noir masterpiece The Devil America the land of opportunity a place where economic prosperity beckons but not for PI Jack Taylor who's just been refused entry Disappointed and bitter he thinks that an

encounter with an overly friendly stranger in an airport bar is the least of his problems Except that this stranger seems to know much more than he should about Jack Jack thinks no more of their meeting and resumes his old life in Galway But when he is called to investigate a student murder connected to an elusive Mr K he remembers the man from the airport Is the stranger really who he says he is Jack struggles to make sense of it all and the Jameson isn't helping After several more murders and too many coincidental encounters Jack believes he may have met his nemesis But why has he been chosen And could he really have taken on the devil himself Suspenseful haunting and totally unique The Devil is Bruen at his very best
