THE KING OF ALL LIARS Teni Abegunde,2018-07-30 DESCRIPTION The King Of All Liars is a work of humorous fiction by author Teni Abegunde This book is billed as the first sit down comedy in the opposite sense to stand up The approach is simple you read the book as though its author was a stand up comic delivering the lines to you in your own home From early life to the here and now Teni makes it clear that he wants the lazy life and this book is a lazy luxurious way to enjoy comedy without having to go out to a show REVIEW Teni Abegunde s comedic style is mostly observational and the book certainly feels like he is directly addressing an unseen audience in the stand up comedy fashion Some of the stories in The King Of All Liars are pretty incredulous and others point out the very amusing and irritating parts of everyday life that we can all relate to Readers Favorite FROM THE AUTHOR The concept of a sit down comedy book evolved gradually The idea started in high school during a regular hangout with my friends I noticed that two girls who were visiting us that day weren t laughing at the jokes I d been telling Puzzled I asked one of my friends if the girls were pregnant No they re not pregnant they re deaf she replied At first I thought she was joking but one of my other classmates confirmed it Later that day the two girls sent a note to me asking if I could write down what I d said that had made everyone laugh Though I didn t mention in the note I sent back to them that I d asked if they were pregnant I did include a couple of things I said that were funny The one page joke I sent to those girls that day was the beginning of my sit down comedy book Many more notes

followed as they kept on asking for more These girls would later give me a name the Funny Hand of God I adopted the name quickly It was better than the nickname my friends at school called me You don t want to know Stand up comedy has been around for many decades and in that time many great comedians have emerged keeping the tradition alive These include George Carlin Steve Harvey Lenny Bruce Dave Chapelle and many more Yet out of millions of people who know these comedians from watching and listening to them many have only known them by name and by the books some of them authored The best material from these comedians is only known to those who can hear them A year ago at Dulles Airport I met one of those girls who visited our school that day She reignited the memories we shared together I can t describe the feelings I felt when she gestured that I am the funniest person she has ever known From that moment on I decided I want to be known as the funniest comedian that never performed on stage I want to deliver stand up comedy inside a book Someone has to do it This is how the first sit down comedy book came to be And many more will follow If you are looking for a book that will make you laugh check out The King Of All Liars I promise it won t disappoint you The Illustrated London News ,1923 The Interpretation of The Meaning of The Holy Quran Volume 24 - Surah Yusuf verse 1 to 65 Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin
